

Opening To Channel How To Connect With Your Guide Sanaya Roman

A course in spiritual growth.
 The message of this popular book, in its seventeenth printing since first publication in 1985, is that we are not alone. We are surrounded at all times by love and support. The aim of author Iris Belhayes, who in the year 2000 passed into the world of spirit, was and is to help readers find their way back "home" to the love which is there whenever we choose to experience it. In this book, Iris shared what she learned from Enid, a spirit guide who communicated with her over a period of many years. Enid's explanation of the roles of spirit guides and spirit families in our lives is one of hope, joy and reassurance. In this exciting view of the cosmos, all of us seek experience above all and all experiences contribute to the world. There are no monsters, no demons, no evil creatures, except those who conceptualize and create in our own minds and imaginations. This inspirational and uplifting book can be read on two levels. One level assumes spirit guides are actual entities from the other side. The other level considers guides our own inner wisdom. Like the many-layered universe she discusses, the approach of Iris Belhayes was very rich and can be viewed from several perspectives. But all viewpoints communicated a vision that is full of hope, love and affirmation. Iris and Enid explain how each of you organizes our life according to a preset game plan that we freely choose! Our spirit guides and spirit families provide support and reassurance in helping us live out that game plan and have the many varied experiences we seek. Besides offering a sense of meaning and purpose, the author presents techniques for getting in touch with your own spirit guides. Her message is one of strength and power. She encourages readers to go beyond what they think they see and experience physically to what she calls Real Reality, which is multidimensional. She discusses some of the other levels of reality and other beings which exist, and offers instructions for how we can go beyond our "physical universe trance states" to even higher levels of consciousness and understanding. If you are ready to expand your boundaries of what is possible, this is the book for you!

Note: This book version has been revised and updated, however the information and teaching is essentially the same as the printed version. This book is a national and internationally best-selling classic with a timeless message. It has been translated into over 24 languages. Once in a decade comes a book that can affect people at the very core of their experience. A contemporary masterpiece in the tradition of the world's great spiritual writings, *Spiritual Growth* is such a book. It contains the essence of the contemporary spiritual path, embodying joy, growth, and increased aliveness. The teachings are profound and inspirational. Open the book to any page. Quiet your mind, read, savor the words. The effect is instantaneous. Your mind is uplifted, your heart is opened, and your body experiences the sensations of peace. The techniques are practical. *Spiritual Growth* teaches readers how to move to higher consciousness, when to be an active force, and when to surrender and let things happen. *Spiritual Growth* will teach readers how to: be their Higher Selves in their everyday life, create a vision of their higher purpose, and manifest what they want rapidly and easily. Readers will learn to work with light for healing and growth, to connect with the Universal Mind for enhanced creativity, and to link with the Higher Will to carry out their higher purpose. A series of meditations (each of the 21 chapters has one) take the reader step-by-step through the process of spiritual growth. These easy-to-learn processes taught by Orin, a wise and gentle spirit teacher, have helped hundreds of thousands take a quantum leap, accelerate their spiritual growth, and live their lives with more joy, harmony, peace, and love. *Spiritual Growth* gives you tools to lift the veils of illusion, see truth, expand and contract time, raise your vibration, achieve higher states of consciousness, open your heart, and know yourself in new, more loving ways. *Spiritual Growth* teaches you to have more satisfying relationships with others by using the skills of non-attachment, right use of will, being transparent to others' energies, and communicating as your Higher Self. You will learn to become a source of light and to grow through world service. Speaking always to the higher aspect of the reader, Orin offers the next step in spiritual growth for those who want to know more about who they are, why they are here, and what they came to do.

The final book of the Bible, Revelation prophesies the ultimate judgment of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Sell.

 Longlisted for the PEN/John Kenneth Galbraith Award for Nonfiction Winner of the Goodard Riverside Stephen Russo Book Prize for Social Justice "A Newsweek Favorite Book of 2021" An NPR 2021 "Books We Love" selection "A Washington Post Notable Work of Nonfiction" "A Kirkus "2021's Best, Most Urgent Books of Current Affairs" selection Based on the acclaimed series—a finalist for the Pulitzer Prize—an intimate account of the devastating effects of gun violence on our nation's children, and a call to action for a new way forward In 2017, seven-year-old Ava in South Carolina wrote a letter to Tyshaun, an eight-year-old boy from Washington, DC. She asked him to be her pen pal; Ava thought they could help each other. The kids had a tragic connection—both were traumatized by gun violence. Ava's best friend had been killed in a campus shooting at her elementary school, and Tyshaun's father had been shot to death outside of the boy's elementary school. Ava's and Tyshaun's stories are extraordinary, but not unique. In the past decade, 15,000 children have been killed from gunfire, though that number does not account for the kids who weren't shot and aren't considered victims but have nevertheless been irreparably harmed by gun violence. In *Children Under Fire*, John Woodrow Cox investigates the effectiveness of gun safety reforms as well as efforts to manage children's trauma in the wake of neighborhood shootings and campus massacres, from Columbine to Marjory Stoneman Douglas. Through deep reporting, Cox addresses how we can effect change now, and help children like Ava and Tyshaun. He explores their stories and more, including a couple in South Carolina whose eleven-year-old son shot himself, a Republican politician fighting for gun safety laws, and the charlatans infiltrating the school safety business. In a moment when the country is desperate to better understand and address gun violence, *Children Under Fire* offers a way to do just that, weaving wrenching personal stories into a critical call for the United States to embrace practical reforms that would save thousands of young lives.

This book is a course in manifesting and creating abundance in your life. *Section 1, Creating Money*, is a step-by-step guide to the art of manifesting money. But it is not just about money. It is about how to manifest anything you want, drawing things to you that will truly satisfy you, that are even better than what you ask for. You will learn advanced techniques of manifesting and how to work with your deep cellular knowledge about your innate and powerful flow of Love, expanding your conscious interaction with the subtle nature of Life. *Jamyne* takes readers through the newest scientific theories that are beginning to substantiate humanity's connection to the subtle realms. She details the impact of Light Language to your multidimensional nature. As the book takes a deeper dive into the esoteric details of Light Language, you are offered an opportunity to begin to open your own ability to channel the Language of Light. *Jamyne's* connection and courage that grew from Light Language has changed her life in magical ways. Will it change yours, too?

"Pollan keeps you turning the pages . . . clear-eyed and assured." —*New York Times* A #1 *New York Times* Bestseller, *New York Times* Book Review 10 Best Books of 2018, and *New York Times* Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs—and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenge of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, *How to Change Your Mind* is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

 A powerful new voice providing clear and direct guidance for personal transformation *Energy Speaks* gives us a clear blueprint for growth and change. It provides practical guidance and inspiration on the things that matter most to us – including love, sex, money, personal power, self-expression and purpose, emotional healing and well-being, and how to have peace with our families – as well as more esoteric topics, such as how to invoke the help of our spirit guides and angels. This empowering book is the work of a great emerging spiritual teacher. It is filled with tools that you can use to break free of limitations and transform your life.
 How inclusive methods can build elegant design solutions that work for all. Sometimes designed objects reject their users: a computer mouse that doesn't work for left-handed people, for example, or a touchscreen payment system that only works for people who read English phrases, have 20/20 vision, and use a credit card. Something as simple as color choices can render a product unusable for millions. These mismatches are the building blocks of exclusion. In *Mismatch*, Kat Holmes describes how design can lead to exclusion, and how design can also remedy exclusion. Inclusive design methods—designing objects with rather than for excluded users—can create elegant solutions that work well and benefit all. Holmes tells stories of pioneers of inclusive design, many of whom were drawn to work on inclusion because of their own experiences of exclusion. A gamer and designer who depends on voice recognition shows Holmes his "Wall of Exclusion," which displays dozens of game controllers that require two hands to operate; an architect shares her firsthand knowledge of how design can fail communities, gleaned from growing up in Detroit's housing projects; an astronomer who began to lose her eyesight adapts a technique called "sonification" so she can "listen" to the stars. Designing for inclusion is not a feel-good sideline. Holmes shows how inclusion can be a source of innovation and growth, especially for digital technologies. It can be a catalyst for creativity and a boost for the bottom line as a customer base expands. And each time we remedy a mismatched interaction, we create an opportunity for more people to contribute to society in meaningful ways.

 Liza Wiemer opens doors to the soul that few of us realize even exist. Read this book, explore its methods, and open yourself to the wisdom to which each of us is heir." Rabbi Rami M. Shapiro, author of *Wisdom of the Jewish Sages* A complete guide for readers of any religion, *Extraordinary Guidance* teaches how to contact the spiritual guides that watch over every soul and apply their wisdom for practical results in your everyday life as well as for a richer spiritual life. In the late 1980s, channeling was the popular way to receive spiritual guidance. In the early '90s, angels became accessible. Now we know we can go directly to the source—to the spiritual guides themselves—and Liza Wiemer reveals how everyone can contact his or her own spiritual guides for invaluable life guidance. *Extraordinary Guidance* explains what spiritual guides are and provides easy and effective step-by-step instructions for connecting with them, including how to get in the right state of mind to talk with these powers that guide us. Through examples and personal anecdotes of her own spiritual guide, Wil, Wiemer shows how the discovery of the wisdom within enables people to make positive changes in their lives and help others to do the same and, ultimately, to work toward bridging the gap between the spiritual and physical worlds.

In this journey of discovery, John Micklewright travels the slow way, on foot, on paths, tracks and byways from the Channel to the Alps – from the coast of Normandy to the flanks of Mont Blanc. The *Opening Country* is a beautifully written account of his progress through the French countryside, an evocative patchwork of nature, history, literature, film, and science that stretches back to the 1930s – of a time when it was always curious, absorbing, all around him, ready on a whim to divert from his chosen route as he heads unburiedly southwards. The natural world unfolds as spring turns to summer with surprises of bird song and butterflies, against a constant background of reminders of the economic and social story of rural France and of wars past. The result is an engrossing record of a classic long-distance walk through Britain's nearest continental neighbour. The *Opening Country* is a book to fire the imagination – a call to travel slowly, to open eyes and ears, to discover and explore.
 A clear and simple manual of precise instructions for accessing the Akashic Records and confirming the accuracy of the information you receive • Details exercises, tools, and techniques to clear the energies blocking your access and tune to your Akashic Record Keepers • Explains the specific markers that allow you to recognize your Record Keepers and to validate the information you receive, rather than "trusting" it to be true • Provides guidance on accessing the Akashic Records on behalf of other people, how to ask questions, and how to handle the information as it comes in The Akashic Records are a vast domain of energetic imprints such like a movie library, a living vibrational field that stores all possible futures, the present, and the past. As soon as your soul begins its life experience, a field of energy is released that records every thought, word, action, desire, and emotion. In this guide to opening the Akashic Records, you will learn the precise instructions explaining how to connect with your personal Record Keepers, gain clear access to the Akashic Records, discover information about you and your loved ones, and learn your soul's purpose. The author explains how outside energies can influence your connection to the Akashic Records. She details energetic clearing exercises to remove the energies blocking or shadowing your access and teaches the Higher Self Protocol to ensure an authentic channel of communication. She explores how to find the Record Keepers who will be the most helpful to you and provides techniques and tools, such as guided energy work, to prepare you for Akashic Record access, initiate you into the 5H mindset, and invite more accuracy and a stronger connection. She details the specific markers to look for to recognize genuine Akashic Librarians and to validate and confirm the information you receive, rather than simply "trusting" it to be true. She also provides guidance on accessing the Akashic Records on behalf of other people, how to ask questions, and how to handle the information as it comes in. Explaining why the Ascended Masters opened access to the Akashic Records to all of humanity and how their presence assists you, St. Germain shows how the intended purpose for working with the Akashic Records is for soul growth, not to "repair" your karma debts. By seeing your records and working with your Record Keepers, not only will you learn your soul's purpose and help solve the problems that crop up in everyday life and relationships, but you will also grow your spirituality and begin operating at a higher level in consciousness.

 NEW YORK TIMES BESTSELLER "A rollicking good time." —*Golfweek* • "Thoroughly engaging." —*The Washington Post* A juicy and free-wheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime *Sports Illustrated* writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tida Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil falls on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddy, Jim "Bones" Mackay; to the creative backstory of the Saudi golf league that Mickelson championed to wield as leverage against the PGA Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

 From the director of research at the Institute of Noetic Sciences (IONS)—a nonprofit parapsychological research institute cofounded by astronaut Edgar Mitchell—this groundbreaking guide explores the cutting-edge science behind channeling, and offers powerful tools to help you hone your own abilities. Do you have an event in your life that can't be explained? Perhaps it presented itself as a feeling of intuition, an image, a sense of knowing, or even a full-blown premonition. You may have felt judged when you told someone about it, or even wondered, "did that really happen, or did I just imagine it?" Chock-full of cutting-edge research, this guide will show you just how common this type of phenomenon is—and how you can fine-tune your unique abilities to add richness and depth to your life. In *The Science of Channeling*, scientist and author Helané Wahbeh will show you how to identify and target your own channeling skills, process the channeling you receive, and use your unique gift to improve your life. You'll find detailed information about different channeling types, including mind-to-mind communication, your intention affecting matter, and sensing the future. And finally, you'll discover wealth of physiological studies pertaining to the science of channeling, providing ample evidence that channeling is a real phenomena and insights into how it works. If you're ready to explore the power of channeling, or are looking to strengthen the skills you already have, this guide has everything you need to get started today.

 A *New York Times* Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.
