Today, 21st century rainmakers are busy using the principles of scripture to pray for healing, deliverance and prosperity, and bringing joy to the lives thousands all over the world. This book reveals their secrets and shows you how you can manifest your daily divine blessings through prayer.

In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

#1 Secret for Getting Out of Debt

The Ministry of Intercession

The fifth book of the New Testament has been known from ancient times as The Acts of the Apostles; but this title cannot be found in the book itself. One of the earliest manuscripts, the Codex Sinaiticus, gives as the title the simple word Acts, with no mention of the apostles. There is a reason for this. Acts was intended to be more than a brief history of the service rendered by the twelve disciples, much more than the principal events in the lifework of its four leading characters, Peter, James, John, and Paul. The Acts of the Apostles was one of the last books written by Ellen G. White. It was published a few years before her death. It is one of the most illuminating volumes that came from her prolific pen. The average reader will find in it light for Christian witnessing. The message of the book is up to date, and its relevancy is reflected in the effort of the author to show that the twentieth century will witness a bestowal of spiritual power exceeding that of Pentecost. The work of the gospel is not to close with a lesser display of the Holy Spirit's power than marked its beginning.

If God is all powerful, why does He need us to pray? If we pray and nothing happens, does this mean that God is not listening? For those who have ever felt that their prayers do not count, Intercessory Prayer will show just how vital their prayers are. Pastor and teacher Dutch Sheets explains the nuts and bolts of prayer, with wisdom, gentleness and humor. This book will inspire readers, give them the courage to pray for the impossible and help them find the persistence to see their prayers to completion. It is time to discover our roles as prayer warriors. It can mean the difference between heaven and hell for someone you know!

In this series of studies we do not propose to confine ourselves to the petitionary prayers of the apostle, but rather take in a wider range. In Scripture "prayer" includes much more than making known our requests to God, and this is something which His people need reminding of, and some of them instructing in, in these days of superficiality and ignorance. The very verse that presents the privilege of spreading our needs before the Lord emphasizes this very thing: "In every thing by prayer and supplication with thanksgiving let your requests be made known unto God" (Phil. 4:6). Unless gratitude be expressed for mercies already received and thanks be given for granting us the continued favor of petitioning our Father, how can we expect to obtain His ear and receive answers of peace! Yet prayer, in its highest and fullest sense, rises above thanksgiving for gifts vouchsafed: the heart is drawn out in contemplating the Giver Himself so that the soul is prostrated before Him in worship and adoration.

What is Born of the Spirit is Spirit provides reflections on Scripture texts associated with (Holy) Spirit and (human) spirit. Various aspects of Spirit and spirit are explored in one-hundred-five entries. The subtitle, A Biblical Spirituality of Spirit, indicates the ways biblical authors are inspired to present imaginatively what cannot be pictured: Spirit and spirit. This book attempts to recover the spirituality of biblical stories that narrate how the Spirit connects to spirit and the results of such connectivity. By exploring the use of biblical metaphors and similes we develop a spirituality of Spirit, the way human spirit is in the presence of the divine Spirit. Spirituality is Spirit connecting to spirit. It is Spirit giving birth to spirit (John 3:6).

According to narratives in the Bible the threats of the people's end come from various sources, but the most significant threat is learned from the Pentateuch, from God himself. What is the theological meaning of this tradition? In what circumstances did it arise? How did it stand alongside other theological and socio-political concepts known to the ancient authors and their diverse audiences? This book employs a diachronic method that explores the stages of the tradition's formation and development, revealing the authors' expectations, purposes and ploys, and tracing the historical realities of their time. The book proposes that the motif of the threat of destruction in various forms prior to the creation of the stories recorded in the final text of the Pentateuch. The inclusion of the motif within various literary contexts attenuated the concept of destruction by presenting it as a phenomenon of specific moments in the past. The threat was resurrected repeatedly by various authors, for use as a precedent or a justification for present affliction.

Michael Widmer reconsiders the significance of the canonical portrayal of Moses as intercessor. At the heart of this study is a close reading of Exodus 32-34 and Numbers 13-14 with particular focus on Moses' prayers. By examining intertextual associations between these two accounts and other texts, the author argues for not only the paradigmatic nature of these prayers but also the intrinsic connection between prayer and biblical theology.

In "THE CROSS AND ITS SHADOW," the type and the antitype are placed side by side, with the hope that the reader may thus become better acquainted with the Saviour. It is not the intention of the author of this work to attack any error that may have been taught in regard to the service of the sanctuary, or to arouse any controversy, but simply to present the truth in its clearness. This is a reprint of an important early Advent book, which explains the sanctuary and its services. - SECTION I. THE SANCTUARY.
