Orchard Road

Evolution Of A

Retail Streetscape

Street, colloquially known as the Straw House, is a house and an office designed by two architects for their own use. Completed in 2000, the buildings were experimental in design, execution and inhabitation, and have resisted categorization, challenged received wisdom and provoked debate, especially

Read Book Dp

Architects On

Orchard Road

Evolution Of A

Retail Streetscape

among architectural critics. With access to all the material records of the project, this book responds to that debate by presenting multifaceted narratives from a wide range of writers that have been invited to reflect both positively and negatively on what the buildings represent and how they have performed. Using the

Read Book Dp

Architects On

Orchard Road

Evolution Of A

Retail Streetscape

buildings as the central case study, it situates them in a broader cultural context, revealing the breadth of conversations and issues engaged by architecture. Highly illustrated with original material, including the authors own drawings and with specially-commissioned photographs, this book

Read Book Dp

Architects On
