When I first became a believer I had a difficult time living for the Lord because there was so much I did not understand. I did not realize that I was a three part being and that when I gave my life to Jesus only one part of me experience immediate change, my spirit. According to our Lord Jesus that which is born of the Spirit is spirit. (John 3:1-6) However nothing happened with my mind nor my flesh. And I learned that I was responsible to help my mind renewed with the Word and bring my body under subjection with the help of the Holy Spirit. (Romans 12: 1-2) Because I did not first understand these things I struggled. And there are many believers who are struggling in the walk with the Lord today. Perhaps you are one of them. When I was taught what really happens at the new birth and how to grow spiritually things changed and I began to experience change in my walk. I was encouraged by another minister to write a book which would share with others concerning how to grow in Christ, renew their minds to God's will and ways, how to meditate in the Word and how to bring their bodies under subjection and get past ungodly fleshly lusts which war against the soul. This minister felt it was very important to share what I had learned after thirty years of walking with the Master. This book was my attempt to do just that. I don't claim to know everything about living for the Lord. We are all still learning and growing. But perhaps you will find the key to your victory here. "How to Live The Christian Life Successfully..." "Victoriously." A practical guide on living for Christ. Get your copy today and learn how to overcome as a believer. Available as a paperback and in kindle format.

"At the heart of the Christian message is God Himself waiting for His redeemed children to push in to conscious awareness of His Presence." - A.W. Tozer David was a man after God's own heart. He slew Goliath, ruled Israel and wrote such inspiring scriptures as Psalm 139. Yet David had an affair with Bathsheba, breaking multiple commandments including having Bathsheba's husband murdered. How can we guard our walk and prevent catastrophic mistakes like those that David made? How can we lead a life that bears the fruit of an effective faith? God's Word realistically portrays authentic people of faith. Their true stories are preserved for us as teachable moments. Are you listening? Before God's Face takes a practical approach drawing from Biblical stories and modern parallels to help us draw near to God as we learn the simple spiritual discipline of coram Deo - living in God's presence. Blessed are those who have learned to acclaim you, who walk in the light of your presence, Lord. (Psalm 89:15)

"The hidden mountain secret garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: It is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you to take a journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lillies has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP, Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lillies takes us through the spiritual journey of prayer, citing fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message revealed by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lillies is one of the ablest guides to lead us through to such a choice. We'll I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him! Do not be afraid to love, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life. Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from coming in us. Breaking Pride is a social-media style tour through such wide-ranging topics as health, puberty, anxiety, gender, sexuality, stress, grief and any difficult questions in between.

What is fake news? How can the news be wrong? How do we know if what we're reading is true or not? The concept of fake news and the media as a whole is discussed as part of the What's the Issue series. What's the Issue asks 'what's all the fuss about?' It reviews what is at stake when we think about fake news, with the aim of helping young people to understand this difficult subject and provide them with the tools to inform their own opinions on the issue.

Churches spend a great deal of time, money and energy on their physical structure, and in growing their membership, but by far not enough in developing healthy, mature Christians. Tony Green believes that Christians who don't grow in their spiritual lives, miss out immeasurably on God's blessings, and come short of experiencing that abundant life that Jesus desires for all Christians. In this book he identifies twelve reasons Christians don't grow and provides helpful insights to stimulate Christian growth. In a clever and unique alliterated style each chapter outlines the reasons Christians don't grow and provides helpful scripture to support the reasons. A must-read for any Christian serious about his or her walk with God! The new Christian and the "seasoned" believer will find in Twelve Reasons Christians Don't Grow, very practical and Scriptural insights to help propel them to new levels of spiritual growth. Dr. Tony Evans, Senior Pastor, Oakcliff Bible Fellowship. Tony Green has provided us with a very helpful concise yet simple manual to encourage maturity and joy. Dr. Ernest Forsten, M.D., Family Physician. This is not another how-to book. It concentrates on what God has done for us and how we can respond. Dr. David Cathoun, Professor, Covenant Theological Seminary, Tony A.D. Green, a graduate of Dallas Theological Seminary, and US trained psychologist, is recognized as a formidable multi-lingual speaker, conducting seminars in the Caribbean and in various parts of the world. As a sought after speaker, he travels extensively speaking on psychological, biblical and management themes. After 23 years as Director of Anub's successful Hospitality College, and many years as a minister and church leader, he now heads up his own Green Seminars and Consulting firm and continues to be actively involved in the life of his local church.

No Other Options. Desperate people stop Jesus in His tracks...think of the woman hemorrhaging for 12 long years, despondent that all remedies up to that point had proven worthless. The only option left for her was to grab the robe of the miracle man as He walked by. Jesus affirmed her courage, healed her, called her daughter, and blessed her in peace. Jesus admires your gut-honest desperation more than your religious self-sufficiency. It attracts Him like nothing else. What is your greatest place of desperation right now? Cruel circumstances, fractured relationships, bruised emotions and aching loneliness-God meets us in the desperate places of our lives, fights and delights to restore us, and sends us out into a world full of desperate people. "Honesty is what you will find as you advance through the treasures that await you in this unforgettable book. The words are not the hollow ramblings of an academic, but rather the wisdom of a man who writes from the depths of his quest to find meaning and hope in the darkest and loneliest circumstances you have ever endured. My life has been profoundly and deeply shaken by your friendship with Mike O'Quin. I invite you to read his meditations on human desperation. Prepare your heart. I dare say, you will never be the same."- Paul Rivera, Certain Risk, Living Your Faith at the Edge (Zondervan, 2010) "One of the biggest dangers for the Western Christian is to wrap our lives in so much bubble wrap, that we no longer remain vulnerable, raw, broken and, most of all, dependent upon Jesus. Mike carefully removes the bubble wrap we have put around our own souls as he reminds us that it's only in our desperation that we can fully meet the perfect love that saves us. Growing Desperate reminds us that, in the same way Jesus noticed the desperate hemorrhaging woman, He notices our own, everyday brokenness as well. If only we would be desperate enough to reach up. After reading this book, you will be."- Jessica Honneger, founder and CEO of Noonday Collection "Growing Desperate offers a most inspiring and compelling insight into Jesus' promise of the Kingdom for the poor in spirit. It's well-written and cocked full of fascinating stories of Mike's experiences from his life and the lives of people who Mike's served both in the U.S. and Indonesia. His winsome, transparent style of writing invites the reader to be more than OK with our own neediness. Most refreshing is Mike's call for us not just look inward but to also look outward to others who are needy. Mike lives what he's addressing in his book, that's carries much authority." - Ron Parrish, author of Our Duty to Delight: Finding Greater Joy in Daily Prayer "There are generally two types of writers who fill the pages of books in stores. The first are famous people who need some help to make their story readable. You'll buy the book 'cause you know who they are but struggle to finish reading their passable drivel. The second are people you've never heard of who have ridiculous writing talent. Imagery leaps off the page so vivid and real you forget you're reading. You're living the story. You can't wait to read more, wished it wouldn't end and ache to read it again. Mike O'Quin is that second type of writer. Ever better, he's lived desperation from Austin to Indonesia. You'll feel his stories tugging at your soul. More importantly, you'll hear the voice of God calling you to a life that's richer, riskier and bringing a new sense of purpose to your life."- Peter Evans, author of Exposing the Psalms and I'm Going to be a Zebo The heart of why I wrote this book: [www.faithactivators.com/why-i-wrote-this-book/](http://www.faithactivators.com/why-i-wrote-this-book/)

This book takes an in-depth look at the Holy Spirit. His works, His names, and His Emblems. The Holy Spirit is the third person in the Godhead, who operates coequally, coeternally, and coessentiality as one unit. The Holy Spirit's activities are (a) He reveals, (b) He teaches, (c) He witness, and (d) He intercedes for us. Additionally, He possesses a retainship with humanity and He can be grieved. The Holy Spirit is eternal, omnipresent, omnipotent, and omniscient. His symbols are (a) wind, (b) fire, (c) water, (d) a seal, (e) oil, and (f) dove.

Studying doctrine for the Christian often feels like watching a construction crew build a foundation. There seems to be a great amount of activity, but the results don't appear visible. Just like the foundation is essential for the stability of a building, studying theology is crucial to the long-term stability of the believer. The goal of this study is to provide you with the basics of biblical doctrine to make sure your foundation is sound. At times this will feel like the difficult work of laying an unseen foundation for a building. At other times, however, it will feel like we are soaring to great heights as we explore the breadth and length and height and depth of our faith. During the course of this study, we will consider the questions: Why study theology? Who is God? Who am I? What is the church? Where do I go when I die? Why do other people believe differently?

I found this book on Bookub, and am thrilled with what I've read. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmitive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ. "-M.J. Freeman .". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God. "- Alicia Canner "...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not just a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In Why Are We Losing the Kids? You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them!

Initially I was reluctant to write a book, I was just looking for answers. Answers to questions I had after my involvement as an infantry paratrooper with the 101st Airborne during the Vietnam War. And my life after death experience after I was stung by Giant Black Wasps went into anaphylactic shock and flat lined. I suffered a cardiac arrest and complete repertory failure. I was later able to relate procedures the medical staff used to resuscitate me while I was dead. I don't have to wonder about life after death, I know. Things To Come will give the reader a thorough understanding of what the Bible says and what Christianity means for a believer. The book is divided into six sections; The Covenants, covers God's Covenants, His chosen people and God's will for mankind. The Holy Spirit, whom the Father sent to us after Christ's ascension, details the twelve current ministries of the Holy Spirit in our lives. The Prince of Darkness explains Satan's role in everyday life. Satan is not omnipresent so he cannot possibly involve himself in the daily affairs of eight billion people. God's Providential involvement in everyday life is revealed in the 4th chapter. The Tribulation and the Rapture addresses the final eventual battle between good and evil; Christianity and Islam. The final chapter The Alpha and the Omega specifies the personal relationship a believer has with Christ. Things To Come is a very good book for anyone that desires a deep understanding of Scripture and either does not have the time for daily reading of Scripture or finds the Bible hard to understand. A word about PTS (PTSD), there is no D, PTS is not a disorder. PTS is natural reaction of stress experienced after a person is exposed to a traumatic event. Many people suffer from PTS, it can be the result of a rape, an assault, the loss of a spouse, a child, a sibling, witnessing a horrific event or an accident. What makes PTS different for soldiers is that they are subject to frequent traumatic events over a long period of time. People respond differently to traumatic events, some are more resilient than others. Frequency, duration, and the extreme nature of the event all play a role in recovery. A major component of PTS is the moral dissonance we experience. The event can completely destroy our belief system, the ideas we held that made sense of the world we live in. At any point in time we are a summation of what we know and the experiences we have gone through. Events and information change how we see the world and in effect change who we are. A traumatic event can be so life changing that we are in effect a different person and after a traumatic event, the new you. In order to recover from PTS, it is imperative we reconstruct a new belief system that encompasses our new reality and the new you. In Just War, I (Tom Newman) recount the events that destroyed my worldview and fundamentally changed the person I was. The Company I was with in Vietnam experienced a 97 percent casualties and fatalities. Within my first 30 days in country we had a friendly fire incident that killed eleven and severely wounded nineteen of my fellow troopers. I also witnessed the aftermath of the regular assassination of four year old children. Additionally, when we retook the city of Hue we found the shallow graves of 2,800; judges, doctors, clergy, policemen, and politicians, anyone that could organize a resistance against the communists. It was a very long process for me to make sense of my new realities and the new me. My other book; A Brief History of the Bible! Things To Come, is the information I needed to reconstruct a new worldview bases on my experiences and the new person I had become. If you want to get your life back after suffering from PTS, it is imperative you find a new worldview for the new you.

Finally, TV's favourite doctor, Dr Christian, comes to the rescue of parents, boys and girls to answer all their questions about adolescence, sexuality and puberty. Leave it on the coffee table or sit down and go through it together - this ebook is a godsend for every family household with children under the age of 15.

The primary basis of all judgement concerning the deeds done in our bodies is our motives. Our values determine our motives, and our motives are the real reason behind our thoughts, words, and deeds. Only God can see the true motives of every man's heart. Almost all human beings have something to hide. Nearly everyone twists words, and places themselves in the best possible light. Men often have ulterior motives and hidden agendas. This is sin and a form of hiding. Adam and Eve first hid from the presence of the Lord in the garden after they had fallen. But there will be no hiding from the presence of the Lord on that solemn Day of Judgement. Purity of Heart will prepare you for that day and spare you loss at the judgement seat of Christ, so that you may receive your full reward. What is done in pure love, by the leading of the Spirit, and for the glory and honor of God shall reap the fullest rewards.

In every trial or tribulation, there is an opportunity that can bring us closer to God and to our goals when we allow God to take control. God, Take Over; I Am Finished is a cry for mercy and divine intervention when suffering seems unfair and you realize that no one else can help you. A dry valley and wilderness experience story, based on the author's tribulations and triumphs as she struggled, willingly and sometimes unwillingly, to submit to God's will. It reveals how she passed through the storm and survived and what she gained out of the pains she had to endure. Its principal message lies in the realization and fact that where human senses, strength, power, abilities, knowledge, and intelligence end, God's supremacy begins. By applying her experiences and the Word of God, Catherine Agada shows you how to discover divine strength in weakness; peace in chaos, and His love in suffering. She inspires and teaches you to love better, live happier, forgive faster, pray efficiently, and increase faith. God, Take Over; I Am Finished can restore hope and improve your relationships with God and man.

Dr Christian's Guide to Growing Up (new Edition)

*Grown men don't wear nappies and babies don't drive cars. In life it is important that we act our age. Spiritually, it works the same way. If we don't grow continually as a Christian, we build expectations based on other people's experiences instead of our own current position. Are you struggling to connect with God, or are you frustrated that your prayers are not being answered? The question is, how mature are you, spiritually speaking? Truth is, a parent relates differently to a baby than to a teenager. So too your Heavenly Father relates differently to you as a little child, a young man or as a father in the faith as highlighted in 1 John 2. Each growth phase poses a different degree of intimacy as well as a different level of responsibility in God's Kingdom. In this book you will learn how to relate to God as: "A little child ... receive revelation of God as a Father and understand adoption into His family." A young man ... learn how to build strength and overcome the three enemies of your soul." A father in the faith ... live in deep intimacy with the Father while raising sons of the next generations.It's time we grow up into full spiritual maturity. Creation depends on it!*

*Is your faith stagnant? Do you spend most days disconnected from God and yearning for a closer relationship with him? Too often Christians live a lukewarm existence mired in a rut of being unfulfilled restlessness. Faith is a gift from God. Fuel Your Faith - a Practical Guide to Igniting a Healthy Spirituality is a guidebook to fan the flames of your faith. This book is not a deep theological discourse about spiritual disciplines, but a quick resource for ideas to stir the embers of belief! God gives each of us. In Fuel Your Faith, you will: Discover a potpourri of spiritual practices to move you from stuck to unstuck. Gather ideas and inspiration to respond to popular culture in a variety of ways. They can condemn, critique, consume or copy. Not only do individuals have this choice, each church has to choose its response to culture as well.
