On their way home from a field trip, the class meets a famous writer who says he is looking for a kid to put in a book. Hailey volunteers, so the writer flattens her out, folds her up, and stuffs her in. But Hailey feels folded and scrunched and trapped and stuck, and asks the kids to get her out of the book. They try all kinds of things, but nothing works, until finally they have an idea — and turn the tables on the famous writer! One of Dr. Seuss's earliest works, The King's Stilts shows how important it is to both work hard and play hard. In the Kingdom of Binn, King Birtram works very hard, up at five every morning to ensure the kingdom is running smoothly. But at five o'clock in the afternoon, the workday ends and it's time to play . . . and in the case of King Birtram, that means racing around town on a pair of red stilts! But sour old Lord Droon doesn't think that this kind of fun is befitting Binn's king, and he steals the beloved stilts. Missing the stilts, King Birtram cannot have fun. In his sadness, the king doesn't notice that Binn is in danger: the Dike Trees that hold back the

sea are being destroyed by the evil Nizzards. Can young Eric the page boy outsmart the dreary Droon and save the day? This Read & Listen edition contains audio narration.

A Flip-Flap Book (Lift The Flap Books, Interactive Board Books, Board Books for Toddlers)
Goodnight Princess

As topical today as when it was first published in 1938, this book tells of Bartholomew Cubbins (from Caldecott Honor winner Bartholomew and the Oobleck) and his unjust treatment at the hands of King Derwin. Each time Bartholomew attempts to obey the king's order to take off his hat, he finds there is another hat on his head. Soon it is Bartholomew's head that is in danger . . . of being chopped off! While The 500 Hats is one of Dr. Seuss's earliest works, it is nevertheless totally Seussian, addressing subjects that we know the good doctor was passionate about: abuse of power (as in Yertle the Turtle), rivalry (as in The Sneetches), and of course, zany good humor!

Catch a case of the yawns with Dr. Seuss in this classic rhyming picture book. Bedtime has never been more fun! A yawn is quite catching, you see. Like a cough. It just takes one yawn to start other yawns off. Dr. Seuss spins a sleep-tastic tale about a very small bug and a very big yawn that spreads and spreads. Meanwhile, the Audio-Telly-o-Tally-o Count adds up every sleeping creature from the country of Keck to the Castle of Krupp. First one, then seven, all the way to the billions and zillions, the Who's-Asleep-Count just keeps growing and growing! This book is a perfect bedtime story that will have the most reluctant readers laughing, and the most reluctant sleepers snoring! Ninety-nine zillion, nine trillion and two Creatures are sleeping! So...How about you?

Young readers will find themselves delightfully transported by the engaging equines as they learn about the creative process and how to see art in new ways. His whimsical illustrations are combined throughout with "real-life" art.
