From the mega-bestselling author of *Dragons Love Tacos* and the mega-bestselling illustrator of *The Legend of Rock Paper Scissors*, comes

Access Free Dragons Love Tacos

this hilarious new picture book about an irresistible chicken who unexpectedly finds herself on an epic journey during Ancient Times. Gladys the chicken must be magic. After all, for everyone who

Access Free Dragons Love Tacos

encounters her, a wish is granted. The Shepherd Boy wishes to be beautiful, the Brave Swordsman wishes to join the Royal Guard, the Purple Pooh-bah wishes for his only daughter to be happy, and

Access Free Dragons Love Tacos

the Learned Princess wishes to escape the palace. And one by one, each of these wishes comes true. But . . . is Gladys really magic? Or is everyone making their own fortune? Either way, it adds up to one

Access Free Dragons Love Tacos

heck of an adventure for a chicken named Gladys. Blending a classic storybook feel with a thoroughly modern sense of humor, this side-splitting read aloud is perfect for anyone who wishes to see

Access Free Dragons Love Tacos

magic in the world—even if they are only looking at a chicken.

From the bestselling author of *Dragons Love Tacos* comes a whimsical re-telling of the chupacabra folktale, written in

Access Free Dragons Love Tacos

a blend of English and Spanish
A long time ago, a girl named
Carla lived on a goat farm with
her father, Hector. One night, a
goat disappeared from the
farm and turned up flat as a
pancake. Only one creature

Access Free Dragons Love Tacos

could do that--El Chupacabras, the goatsucker! Legend has it that El Chupacabras is a fearsome beast, but you can't believe everything you hear...and sometimes the truth is even more interesting. Told

Access Free Dragons Love Tacos

in equal parts English and Spanish by bestselling author Adam Rubin, and cinematically illustrated by acclaimed Hollywood creature creator Crash McCreery, this lighthearted take on a modern

Access Free Dragons Love Tacos

legend is not told in the traditional bilingual style. Each sentence is half-Spanish/half-English followed by a repetition of the same line translated the other way around. This mirroring technique allows the

Access Free Dragons Love Tacos

languages to intermingle equally. A fun and unique way to introduce either Spanish or English to new readers. A note from author Adam Rubin: "I decided to tell this story in an unusual way to explore the

Access Free Dragons Love Tacos

beauty of harmony. It's easy to dismiss the unfamiliar, but compassion takes a little more effort. With so many people trumpeting divisiveness right now, it's more important than ever to teach kids that there is

Access Free Dragons Love Tacos

more than one way to
understand the world."
