This is not to be, however: they find themselves urgently summoned back to Shard while shadowy agencies pursue them on Earth. Soon the Zedmore's are plunged into the centre of a civil war between dragon factions and their allies. While making new friends with elves, satyrs, pixies, and one mischievous wizard named Trevistar, the Zedmore's learn that magic runs in their blood. They race to master their unique magical abilities as the conflict on Shard worsens and threatens to spill over onto Earth. Will they master their new skills in time to be useful? And will it be enough to save their lives and stop the bloodshed? An adventure that combines magic and intrigue, *Dragon Song* is the second book in the Legend of Shard series.

Kalendaros is a land conquered by the Dragons. In a treaty agreed upon between the races, it was decreed that every youth between the ages of fifteen and seventeen would receive the branding as a mark of loyalty to their conquerors. Justias, a brash seventeen-year-old, encounters Marek, a former Dragon Cleric fleeing from his own army. Justias hides Marek to save him, setting in motion a chain of events that leaves his village destroyed, and both of them running for their lives. The two become embroiled in a rebellion instigated by the Noble Houses of the southlands, who wish to overthrow the Dragon Clerics. Traveling to Southdeep, the last bastion of Human

freedom, Justias embarks on a seemingly hopeless quest against their true enemy: the Dragons. Gildaryss, Tyrant Wyrms, molds the events to further her own plot: the annihilation of all Humanity. In a vain bid for peace with the Dragon Clerics, Southdeep's young lord Uriel is captured by the enemy. Presumed dead, the tension between the Clerics and the Nobility reaches the breaking point, with war inevitable. On the heels of such dire news, Justias finds himself hailed as the Dragon Slayer King: the warrior for whom the southlands have been waiting for more than 200 years.

Dragons love attention, but wealth and fame can draw the wrong kind of notice. I don't like parties, and I definitely don't like crowds, but I promised the dragon Delaxsicoria I would go to one of her concerts, and I've run out of excuses. But I did save Delaxsicoria's life and she's a friend, so it won't be so bad. Except some of her family's enemies have decided this is a perfect time to take revenge. And unless I stop them, a lot of innocent people might die in the crossfire...

Eleven-year-old Bao Dang remembers watching in horror four years earlier as Communist soldiers dragged his parents from their home. Now an orphan, he begins a journey to escape the oppressive government of South Vietnam. The owner of a small boat, paid in gold, smuggles Bao and his cousin, Binh Pham, down the Saigon River at night to the South China Sea, where he and over one hundred other "boat people" pack into a trawler designed to hold fewer than thirty. For six days, they face danger from the police, weather, and pirates, not to mention the constant threat of capsizing as they take on water while living only on dry, rationed rice. Bao, Binh and the others hope a refugee camp in Indonesia accepts them, but there's no guarantee. Word has it they may be turned away and even towed back out to sea to starve. Eventually finding a safe haven, Bao harnesses the power of music to heal and help endure months of harsh and dangerous living while he and Binh await word from relatives in the United States, hoping they'll obtain the ultimate gift: freedom.

Once a millenium, the four Imperial Dragons choose a dragon to be Keeper of the Mountain. Little Chiang-An, the youngest dragon, searches for a gift to win the honor of the title.

What if Pangaea was not the original landmass on Earth, but was a place where Earth came from?

A bardic epic fantasy in rhyming Old English, an allegorical masque of good and evil in an Authurian tradition. Rebekah, daughter of Merlin and noblewoman of Albion has been driven to madness by the murder of her lover Vidar. In her torment she bargains with the Prince of Demons to turn her into a dragon. Once transformed, she seeks to take revenge upon her father, Merlin, whom she is fooled into believing is responsible for Vidar ' s death. Behind the subterfuge stands Oberon, Captain-King of Elves, who cannot foresee the devastation his jealousy and unrequited love for Rebekah will unleash upon the world of Gaia. Its salvation depends upon Merlin travelling back in time to find a pure hearted warrior, Lady Attie, who, together with Michael, seer of Albion, must take the Sleep Stone from the gates of Hell to persuade the dragon to sleep. But if they are unable to return the Stone to the mouth of Hell in time, the demon army will awaken and ransack Gaia in a war that will destroy its existence. Time is the solution to Gaia ' s destiny – but only if the gods of Asgard can find a way to stop it. Dragonsong is a unique epic fantasy that explores fundamental themes of good and evil, jealousy and revenge. Woven

together with a gripping and powerful plot, the pattern of the language, the musicality of the form and the profound emotions invoked carry the reader to extremes of human experience and capability at both its best and worst.

"She was different now, far different than the girl who had left the battlements of Domar with nothing more than a dream and emptiness where a dragon should be." Selah of Domar always felt a special connection to dragons. Since a young age, the great beasts provided her the security and solace that her family could not. Selah wrestles for something more, but she doesn't know which direction to take. When a recruiting dragonrider offers her a place of training at Dragonhold, the fortress of the dragonriders, she eagerly accepts. As the lone female apprentice at Dragonhold, Selah faces resistance from her peers. It is during the Choosing, a ceremony where newborn dragons select their caretakers, that Selah learns her true heritage. A terrible accident interrupts the

ritual, leaving Selah at the mercy of the dragon god, Stormhunter. The secret he reveals forces Selah to come to terms with what she truly is, but the truth will change her forever-and attract the attention of those who wish the end of the dragonriders.

A MIDWIFE carries a newborn to a forest cave. It's 527AD. NIMUEH, the sorceress, waits there to cast a spell, encasing the child in a crystal tomb, as she did to his father, Merlin. Nimueh kills the midwife to hide her secret. In 1921, EDWARD and CAROLYN WHITE take refuge in the same cave to get out of the rain. They discover the child, inadvertently releasing him, still alive. They decide to raise him. Nimueh feels her spell break. Rushing to the cave, she discovers the child gone. She conjures a mirror to find him, but is confronted by MERLIN, trapped, but powerful enough to appear to her. He casts a spell, hiding the child from discovery and destroys the mirror. The child, TALIESIN, TAL for short, shows abilities inherited from his father early on. His parents teach him to control them. The Druids know of Tal's existence and powers, and have one of their sons nearby to protect him, ARTHUR. Arthur and Tal grow up as best friends, while Nimueh guides Hitler and the Nazis to power, to further her ambition, the conquest of England. At sixteen, Tal is told the truth of his birth. Upset, he flees to a pond near his house to be alone. Arthur finds him, revealing that he knows about his abilities. The next day, a book appears only Tal can open. Once opened, spells rush off the book's pages to become part of his memory. World War 2 breaks out. Arthur enlists. Tal wants to join up too. Arthur's friends and fellow pilots, LANCE, WAYNE, and COLLINS convince him that he should. Arthur, knowing that Tal's destiny is to protect England, tells his father, who takes care of the situation, so when Tal tries to enlist, he is turned down. Soon after, Tal's parents are killed in a German bombing raid. Devastated, he loses control over his powers and breaks the protection spell, leaving Tal open to sensing others with magical abilities, including Arthur's father HUGH. Tal also discovers that Arthur was asked to keep an eye on him. He becomes furious and storms out of Arthur's home. A crystal pendant, found with Tal, begins to have a life of its own. With it, Tal discovers where a trapped Merlin is being held, and that it is the key to Merlin's freedom. Nimueh finds him there and battles him for the pendant's possession. Tal manages to release Merlin. Nimueh disappears, to signal the start of the invasion. Convincing Arthur and his friends to help, Merlin and Tal release one more weapon, four Dragons, that Tal awakens with an unknown ability - Dragonsong. But will it be enough to stop the Nazi invasion of England?

The planet Pern has been colonized for centuries by humans. When humans first settled on this world, they did not take notice of its sister planet, which had an indigenous life form that attempted to land on Pern when it came within reach. These silver "threads" fell in a destructive wave on the temperate lands of Pern once every 200 years, destroying all life they encountered. To combat this menace, the inhabitants of Pern developed a species of dragon that could burn these threads out of the sky before they touched down. Now, centuries have passed between threadfalls, and the danger of thread is considered a myth. However, a dragon rider named F'lar knows that the riders are once again needed.
