Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level Here are the essential ideas of psychoanalytic theory, including Freud's explanations of such concepts as the Id, Ego and Super-Ego, the Death Instinct and Pleasure Principle, along with classic case studies like that of the Wolf Man. Adam Phillips's marvellous selection provides an ideal overview of Freud's thought in all its extraordinary ambition and variety. Psychoanalysis may be known as the 'talking cure', yet it is also and profoundly, a way of reading. Here we can see Freud's writings as readings and listenings, deciphering the secrets of the mind, finding words for desires that have never found expression. Much more than this, however, The Penguin Freud Reader presents a compelling reading of life as we experience it today, and a way in to the work of one of the most haunting writers of the modern age.

When Lola Michaels wakes up to a strange man in her apartment, his hands touching her throat, she's petrified. And, although one scream sends her nighttime visitor running, she can't shake the feeling that next time she might not be so lucky. LAPD Lieutenant Jacob Simone isn't entirely sure what to make of the situation either. Lola is a gorgeous, single woman, living in an eight-hundred-square foot artist's studio. Why would a man break in while she was home? Why would he leave without taking a single item? It's only when the bodies of similar female victims start surfacing in the same neighborhood, that he realizes there may be something more to Lola's midnight encounter. And, as Jacob and Lola are thrown into a situation that neither of them could have expected,--or wanted--Jacob can't help but wonder if he's making a mistake, if he'd be more effective at tracking a killer without Lola always nearby, clouding his brain. Little does he realize that, maybe, he can't catch a break because someone else, someone with real power, is holding all the cards...

When it comes to death, is there ever a best case scenario? In this disarmingly witty book, Julian Barnes confronts our unending obsession with the end. He reflects on what it means to miss God, whether death can be good for our careers and why we eventually turn into our parents. Barnes is the perfect guide to the weirdness of the only thing that binds us all.

"Don't underestimate this new novelist. She's jump-starting the year with a smart romantic comedy that lures us in with laughter and keeps us hooked with a fantastically engaging story." —The Washington Post A blazing talent debuts with the tale of a status-driven wedding planner grappling with her social ambitions, absent mother, and Puerto Rican roots—all in the wake of Hurricane Maria It's 2017, and Olga and her brother, Pedro "Prieto" Acevedo, are boldfaced names in their hometown of New York. Prieto is a popular congressman representing their gentrifying Latinx neighborhood in Brooklyn, while Olga is the tony wedding planner for Manhattan's power brokers. Despite their alluring public lives, behind closed doors things are far less rosy. Sure, Olga can orchestrate the love stories of the 1 percent but she can't seem to find her own. . . until she meets Matteo, who forces her to confront the effects of long-held family secrets. Olga and Prieto's mother, Blanca, a Young Lord turned radical, abandoned her children to advance a militant political cause, leaving them to be raised by their grandmother. Now, with the winds of hurricane season, Blanca has come barreling back into their lives. Set against the backdrop of New York City in the months surrounding the most devastating hurricane in Puerto Rico's history, Xochitl Gonzalez's Olga Dies Dreaming is a story that examines political corruption, familial strife, and the very notion of the American dream—all while asking what it really means to weather a storm.

A new coin, a handsome silver denarius, is struck during the reign of the Emperor Caesar Augustus. The year is A.D. 8. Fated for an amazing journey, the coin changes multiple hands as it travels from Imperial Rome to ancient Jerusalem where it plays a key part in a life changing event. Following the rule of the mad Emperor Nero, the denarius travels with a Roman soldier to the outposts of northern Britain where it is eventually lost during battle. For over 2000 years the coin remains buried in the rural English countryside until it again sees the light of day when it is dug up by a terminally ill treasure hunter from Milwaukee, WI. Strangely, the coin appears undamaged by the ravages of time. Thus continues a puzzling series of events as the mysterious coin touches and changes the lives of not only the dying treasure hunter, but an alcoholic Catholic priest, a Mayo Clinic researcher and an abandoned Chippewa Indian girl.

Irvine Welsh, 'poet laureate of the chemical generation', exposes the seamy underbelly of rave's utopian dream. Lloyd, our permanently pilled-up protagonist, pushes his weekends to breaking point and beyond in this frazzled trip through Scottish clubland. In eighteen stories unlike any in our contemporary literature, Sam Shepard explores the vast and rugged American West with the same parched intensity that has made him "the great playwright of his generation" (The New York Times). A boy watches a "remedy man" tame a wild stallion, a contest that mirrors his own struggle with his father. A woman driving her mother's ashes across the country has a strangely transcendent run-in with an injured hawk. Two aging widowers, in Stetsons and bolo ties, together make a daily pilgrimage to the local Denny's, only to be divided by the attentions of their favorite waitress. Peering unblinkingly into the chasms that separate fathers and sons, husbands and wives, friends and strangers, these powerful tales bear the unmistakable signature of an American master.

VINTAGE MINIS: GREAT MINDS. BIG IDEAS. LITTLE BOOKS. Have you ever dreamt you were naked on stage, or woken having failed an exam? In these fascinating, pioneering essays, Sigmund Freud plunges into the recesses of our minds, and awakens the hidden meanings behind our most typical and surprising night-time fantasies. From dreams of violence and death, to the more prosaic moments in our dream-life, Freud shines a light on the darkness we are often happy left consigned to night. Selected from the books The Essentials of Psycho-Analysis and The Standard Edition of the Complete Psychological Works of the Sigmund Freud, Volume IV: The Interpretation of Dreams (First Part) by Sigmund Freud

In 1967, John Eastwood was a junior engineer at Boving and Company, Ltd., a well-established London-based supplier of water turbines for hydroelectric dams. Boving had no interest in pursuing work in the "litigious" U.S. until Eastwood parlayed a simple idea into a massive opportunity. It took curiosity, chutzpah, and overoptimism as to Boving's abilities for Eastwood to partner with a U.S. manufacturer, find a legal advisor, and make other business arrangements, often before checking in with Boving. Along the way, he developed unexpected skills and created an exciting new life.

Scott and Danielle soon find themselves in both professional and personal trouble as sparks fly.

In this extraordinary book, Kevin Starr—widely acknowledged as the premier historian of California, the scope of whose scholarship the Atlantic Monthly has called “breathtaking”—probes the possible collapse of the California dream in the years 1990–2003. In a series of compelling chapters, Coast of Dreams moves through a variety of topics that show the California of the last decade, when the state was sometimes stumbling, sometimes humbled, but, more often, flourishing with its usual panache. From gang violence in Los Angeles to the spectacular rise—and equally spectacular fall—of Silicon Valley, from the Northridge earthquake to the recall of Governor Gray Davis, Starr ranges over myriad facts, anecdotes, news stories, personal impressions, and analyses to explore a time of unprecedented upheaval in California. Coast of Dreams describes an exceptional diversity of people, cultures, and values; an economy that mirrors the economic state of the nation; a battlefield where industry and the necessities of infrastructure collide with the inherent demands of a unique and stunning natural environment. It explores California politics (including Arnold Schwarzenegger’s election in the 2003 recall), the multifaceted business landscape, and controversial icons such as O. J. Simpson. “Historians of the future,” Starr writes, “will be able to see with more certainty whether or not the period 1990–2003 was not only the end of one California but the beginning of another”; in the meantime, he gives a picture of the place and time in a book at once sweeping and riveting in its details, deeply informed, engagingly personal, and altogether fascinating.

Claire Voyante's first semester at Henry Hudson High School was eventful, to say the least. As she heads into her second semester, things are calming down a bit. But Claire has a few secrets that are getting harder to keep. Her biggest secret of all? The onyx and ivory cameo necklace her grandmother gave her for her 15th birthday. Ever since she started wearing it, her dreams have been coming to her in black and white and turning out to be oddly prophetic. Becca's been hanging out with her old prep school friends and never seems to have time for Claire anymore. And soon, Claire discovers why—there's a secret group of society girls with a mysterious identity. And, turns out, a mysterious enemy who's out to get them. The second she sniffs out trouble, Claire jumps on the case. But is it someone close to Claire who's in danger again—or could it be Claire herself whose life is at stake?

For more than three years, Aline Coquelle, the well-known globetrotting photographer, and Gelasio Gaetani d'Aragona Lovatelli, a member of one of the oldest aristocratic Italian families, have followed the map of Italy's best wines. Thanks to Gelasio, readers are introduced to a tribe of artistic and wine-loving amici, who share their passion for their country's bounty. The Italian Dream Book is an escape into the effortlessly elegant Italian lifestyle, discovering hidden corners, savoring food and wine, and sharing joyful times with convivial friends from the foothills of the Alps to the hill towns of Tuscany to the relaxed southern seashores.

The hawk was everything I wanted to be- solitary, self-possessed, free from grief, and numb to the hurts of human life. How do we carry on when someone close to us dies? Is it simply a case of putting one foot in front of the other in a bleak new world or do we need something more? Reeling with grief after the sudden death of her father, Helen Macdonald found herself turning to the wild for comfort. Thirty young environmental activists share their dreams with voice of a generation Mya-Rose Craig Indigenous people and people of color are disproportionately affected by climate change. And yet they are underrepresented within the environmental movement. But not anymore. Written by the extraordinary environmental and campaigner for equal rights Mya-Rose Craig—aka Birdgirl—this book profiles 30 young environmental activists who are Indigenous people or people of color, from communities on the frontline of global climate change. Each speaks to the diverse set of issues they are fighting for, from water conservation, to deforestation, to indigenous rights, and shares their dream . . . A dream for climate justice. A dream for a healthy planet. A dream for a fairer world, for all. This is the first book from Craig, who shared a stage with Greta Thunberg in 2019's climate strikes. US-based activists profiled include Marshallese ocean activist Litokne Kabua; @ThisIsZeroHour founder Zanagee Artis; indigenous rights activists Thomas Tonatiuh Lopez Jr., and Caitlyn Baikie; climate justice activist Rebeca Sabnam, and clean water activist Autumn Peltier.

Everyone loves Jack Holland, but Emmaline Neal needs him. Her ex-fiancé is getting married in Malibu and, obviously, she can't go to the wedding alone. In Manningsport, New York, tall, blond and gorgeous Jack Holland is practically a cottage industry when it comes to rescuing desperate women. He knows the drill, Em figures, so he won't get the wrong idea. What Jack needs is an excuse to leave town. Ever since rescuing four teenagers from a car wreck, he's been hailed as a hero and the attention is making him itchy, especially since his too-pretty ex-wife is back, angling for a reunion. He's always liked Emmaline. She needs a weekend date? No problem. So when they wind up in bed together, Em chalks it up to red wine and chocolate cake, just one impulsive night not to be repeated. But Jack's pushing for more, and if she lets down her guard, either she'll get her heart crushed again, or discover that Jack's worth more than just dreaming about.

Generations of Southern women deal with hard times and heartless men in this "joyous" novel by the New York Times–bestselling author of *Ellen Foster* (The Washington Post Book World). In "a witty and explosive story about men and women, bad girls and good girls, love and laundry," Kaye Gibbons paints a portrait of shrewd, resourceful women prevailing through hardships and finding unexpected pleasures along the way: gossip, gambling, and the quiet satisfaction of knowing more than they're supposed to (The Houston Post). In *A Cure for Dreams*, the acclaimed author "once again demonstrates her extraordinary talent . . . Utterly engaging and convincing" (The Boston Globe). "This episodic novel, Gibbons's third, is set during the Depression in back-country Virginia and Kentucky. In 19 vignettes, Betty Davies Randolph reveals her childhood and her mother's life along Milk Farm Road. Gibbons, winner of several literary awards for her first novel *Ellen Foster*, has captured magnificently the dailiness and sense of community of rural life—from midwives and WPA ballads to suicides and men gone wild. Southern, and full of the folk wisdom of generations, Gibbons's voice reveals life's truths." —Library Journal "Years from now, [these] women's clear, strong words will still be resonating in my mind." —Anne Tyler, Chicago Tribune "What a good ear Kaye Gibbons has, and what a good heart. *A Cure for Dreams* takes the reader down the back roads, and then points out what incredible lives are lived in those ordinary places." —The Washington Post Book World
