I am still alive. Barely. My name is Ivy Westfall. I am sixteen years old and a traitor. Three months ago, I was forced to marry the President's son, Bishop Lattimer - as all daughters of the losing side of the war are sold off in marriage to the sons of the winners. But I was different. I had a mission - to kill Bishop. Instead, I fell in love with him. Now I am an outcast, left to survive the brutal savagery of the lands outside of civilization. Yet even out here, there is hope. There is life beyond the fence. But I can't outrun my past. For my actions have set off a treasonous chain of events in Westfall that will change of all our fates - especially Bishop's... And this time, it is not enough to just survive... The Revolution of Ivy is the shattering conclusion to the young adult dystopian Ivy duology, by the author of The Roanoke Girls.

My name is Ivy Westfall, and my mission is simple: to kill the president's son—my soon-to-be husband—and return the Westfall family to power. But Bishop Lattimer is either a very skilled actor or he's not the cruel, heartless boy my family warned me to expect. He might even be the one person in this world who truly understands me. But there is no escape from my fate. I am the only one who can restore the Westfall legacy. Because Bishop must die. And I must be the one to kill him... Gia I'm the daughter of a foot soldier. The sister of a snitch. Monsters have been part of my life for as long as I can remember, but the morning I woke in that cold, abandoned cabin with Dominic Benedetti looming over me, I knew I'd met the darkest of them all. He took me to break me. But I'm not so easy to break. And when he saw the mark on me, everything changed. But I've never believed in fairy tale endings and happily-ever-after doesn't belong to people like us. Some love thrives in the light. Dominic and I, we belong in the dark. Dominic I'm the last-born son of the Mafia King. The one with nothing to lose. I walked away from my family. Turned my back on everything that should have been mine and became what I was meant to be. A monster. Until the day I stood over Gia cowering in the corner of that decrepit cabin in the woods. Until I saw the mark they'd put on her. It was then I understood something my father used to say. Keep your friends close, your enemies closer. My enemies had overplayed their hand. It was past time I returned to the family. Past time I collected the debts owed me. And long past time I punished those who betrayed me.

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will

release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.

I'm the first-born son of the mafia king. The favorite. Destined to rule, I'm a dangerous man, a ruthless one. But in my world, you have to be. Then Natalie stumbles into my life. Wrong place. Wrong time. Twice, fate put her in my path. Twice, fate placed the innocent lamb at the mercy of the monster. I gave her a chance to walk away. Told her it would be better for her if she did. But she didn't listen. And now it's too late. Because I'm not good. I never wanted to be. And I won't let her go anymore. See, I'm not the hero. When I touch her, it's with dirty hands. I know my reckoning is coming though. I know I'll burn for the things I've done, the sins I've committed. And I don't deny hell is where I belong, but I want my time first. I want my time with her. She's mine. Forever. No matter what. Author's Note: Sergio is an emotional romance set in the Benedetti Mafia world. It is not a traditional romance.
