(Book). Now updated to cover digital mixing and signal processing, this established beginners guide to live sound has been the first book for many students and self-taught sound technicians. Ira White presents information in a very accessible, casual, down-to-earth way. This handy manual for musicians, studio engineers and audio pros contains valuable information on using EQ, speaker specifics, mics, and techniques for recording, live recording, club and concert sound, church sound, theatrical sound and much more, without page-filling formulas or mind-boggling abstractions. Includes lots of helpful diagrams, an index, and audio so you can hear the techniques demonstrated in the book.

Step-by-step guide to origami with 4 levels of difficulty. Clear illustrations of folds and photos of every step guide you through each satisfying project.

Love rabbits? Love knitting? Then this book is for you! Packed with 20 brilliant, bouncing bunnies to knit and love, this book has a carrot-crunching character for everyone! From fluffy, cuddly rabbits and bean bag bunnies to egg cosies, finger puppets and even a bunny bride and groom, this fun book includes rabbits for knitters of all abilities. It contains practical advice, basic techniques and a handy list of abbreviations. Using a mix of yarns and weights, from fluffy and textured to cottons and naturals, she shows how to create different looks and how to maximise bunny personality. The patterns are suitable for beginners and more advanced knitters, with techniques ranging from easy basic stitches to more decorative

ideas. Including fun photography and clearly written patterns, these different bunny characters have wide appeal and are almost too cute to handle!

"Northrup explores [what she feels is] the essential truth that has guided her ever since medical school: our bodies, minds, and souls are profoundly intertwined. Making life flow with ease, and truly feeling your best, is about far more than physical health; it's also about having a healthy emotional life and a robust spiritual life. When you view your physical well-being in isolation, life can become a constant battle to make your body 'behave'"--Dust jacket flap.

tatters. It seems that piecing back together the relationship they shared is proving harder for him than relearning the intricacies of the bodyguard business. Working with Sean again was never going to be easy for Charlie, but a celebrity fundraising event in aid of still-ravaged areas of New Orleans should have been the ideal opportunity for them both to take things nice and slow. Until, that is, they find themselves thrust into the middle of a war zone. When an ambitious robbery explodes into a deadly hostage situation, the motive may be far more complex than simple greed. Somebody has a major score to settle, and Sean is part of the reason. Only trouble is, he doesn't remember why. And when Charlie finds herself facing a nightmare from her own past, she realizes she can't rely on Sean to watch her back. This time, she's got to fight it out on her own.
