A winning streak in chess, says Cyrus Lakdawala, is a lot more than just the sum of its games. In this book he examines what it means when everything clicks, when champions become unstoppable and demolish opponents. What does it mean to be 'in the zone'? What causes these sweeps, what sparks them and what keeps them going? And why did they come to an end? Lakdawala takes you on a trip through chess history looking at peak performances of some of the greatest players who ever lived: Morphy, Steinitz, Pillsbury, Lasker, Capablanca, Alekhine, Botvinnik, Fischer, Tal, Kasparov, Karpov, Caruana and Carlsen. They all had very different playing styles, yet at a certain point in their rich careers they all entered the zone and simply wiped out the best players in the world. In the Zone explains the games of the greatest players during their greatest triumphs. As you study and enjoy these immortal performances you will improve your ability to overpower your opponents. You will understand how great moves originate and you will be inspired to become more productive and creative. In the Zone may bring you closer to that special place yourself: the zone.

Internationally bestselling author and relationship expert Arielle Ford offers the keys to re-discovering love, passion, respect, and renewed commitment, years after the simple act of falling in love and getting married. It's one thing to fall in love and get married. It is quite another thing to have a marriage you love. This is the true purpose of Turn Your Mate Into Your Soulmate. Author of the international bestseller *The Soulmate Secret*, Arielle Ford unlocks the wisdom learned in her own marriage along with expertise gleaned from friends and experts such as Harville Hendrix, John Gray, Dr. Helen Fisher, Neale Donald Walsch, and Marianne Williamson, to help readers find a happy middle ground between the rare, precious, and unattainable romantic notion of love, and the reality that happens when restlessness, anger, or disappointment set in and act as a stubborn barrier to happiness and fulfillment. *Turn Your Mate into Your Soulmate* explores and reveals: What love really is and is not, and how to infuse your life with richer, fulfilling love. Why we yearn to be connected to another person; Our soul and our sacred contracts around love. Why giving up perfectionism is the key to happiness. The purpose and benefits of marriage. Components of a healthy relationship. Moving beyond ourselves to infuse our relationships with God/Spirit/devotion. Breathing new life into old love by kick-starting the fun; Why changing partners may not be the answer and why re-envisioning the partner you have can be the path to happiness. Arielle lays the groundwork for the purpose and work needed for a healthy relationship, proving that marriage is not as simple as Happily Ever After—but that real love can be even better.

In their bestselling book, The Ten Commandments of Dating, Ben Young and Samuel Adams showed singles how to date effectively. Now "The One" shows Christians who to date and how to negotiate the difficulties of choosing a soul mate. The biggest question on the minds of the 78 million singles in America is simply this: "How can I find the right one?" This book answers that question, giving entertaining yet practical advice for that seemingly endless quest to find "The One." This book emphasizes free will, personal responsibility, proactivity, and preparation, helping singles avoid the pitfalls of dangerous beliefs and hyper-spirituality. Single Christians will learn what approaches to avoid in mate selection, recognize the myths about finding true love, and learn practical strategies for finding the right person to marry.
