So, then. You want a story and I will tell you one... Afghanistan, 1952. Abdullah and his sister Pari live in the small village of Shadbagh. To Abdullah, Pari, as beautiful and sweet-natured as the fairy for which she was named, is everything. More like a parent than a brother, Abdullah will do anything for her, even trading his only pair of shoes for a feather for her treasured collection. Each night they sleep together in their cot, their skulls touching, their limbs tangled. One day the siblings journey across the desert to Kabul with their father. Pari and Abdullah have no sense of the fate that awaits them there, for the event which unfolds will tear their lives apart; sometimes a finger must be cut to save the hand. Crossing generations and continents, moving from Kabul, to Paris, to San Francisco, to the Greek island of Tinos, Khaled Hosseini writes about the bonds that define us and shape our lives, and how the choices we make resonate through history.

For twenty years, God has been leading, guiding, and preparing author Mari D. Martin to walk alongside her husband, Chris, through a throat cancer diagnosis, the treatment of that cancer, the recovery from the side effects of the treatments, and then through rehabilitation to return to what will be his new normal. In Come Home Alive, Mari shares the oftentimes tender story of their six-part plan to come home alive. She narrates how the couple used their twenty-four years as Kolbe Certified consultants to practice what they taught, consulted, and coached others regarding self-awareness, strengths identification, communication needs, role alignment, and the environment each person needs to thrive. For Chris to thrive again, he needed to heal; and for him to heal, he needed to be in an environment that allowed him to thrive. Come Home Alive tells how Mari's role as caregiver was to stay true to herself, while also being the hands and feet to recognize, minimize, and complete the tasks and requirements Chris naturally resisted. Their plan, rooted in faith, and hope, started with daily time together in prayer and belief in

the healing power of God. It ended with a practice of thankfulness and expecting a miracle. What they did together in the middle is one you can do, too—through greater awareness of each other's strengths, how to work together, and be a team with the knowledge and wisdom to come home alive.

A new *Outlander* novel — the seventh — from #1 National Bestselling author Diana Gabaldon. Readers have been waiting with bated breath for the seventh volume in bestselling author Diana Gabaldon's epic *Outlander* saga — a masterpiece of historical fiction featuring Jamie and Claire, from one of the genre's most popular and beloved authors. Jamie Fraser, erstwhile Jacobite and reluctant rebel, knows three things about the American rebellion: the Americans will win, unlikely as that seems in 1778; being on the winning side is no guarantee of survival; and he'd rather die than face his illegitimate son — a young lieutenant in the British Army — across the barrel of a gun. Fraser's time-travelling wife, Claire, also knows a couple of things: that the Americans will win, but that the ultimate price of victory is a mystery. What she does believe is that the price won't include Jamie's life or happiness — not if she has anything to say. Claire's grown daughter Brianna, and her husband, Roger, watch the unfolding of Brianna's parents' history — a past that may be sneaking up behind their own family.

It's One Thing to Lose Your Life It's Another to Lose Your Soul When climber Nick Grevers is brought down from the mountains after a terrible accident he has lost his looks, his hopes and his climbing companion. His account of what happened on the forbidden peak of the Maudit is garbled, almost hallucinogenic. Soon it becomes apparent more than his shattered body has returned: those that treat his disfigured face begin experiencing extraordinary and disturbing psychic events that suggest that Nick has unleashed some ancient and primal menace on his ill-fated expedition. Nick's partner Sam Avery has a terrible choice to make. He fell in love with Nick's youth, vitality and beauty. Now these are gone and all that is left is a haunted mummy-worse, a glimpse beneath the bandages can literally send a person insane. Sam must decide: either to flee to America, or to take Nick on a journey back to the mountains, the very source of the curse, the little Alpine Village of Grimnetz, its soul-possessed Birds of Death and its legends of human sacrifice and, ultimately, its haunted mountain, the Maudit. Dutch writer Thomas Olde Heuvelt is a Hugo Award Winner and has been hailed as the future of speculative fiction in Europe. His work combines a unique blend of popular culture and fairy-tale myth that is utterly unique. Echo follows his sensational debut English language novel, *HEX*.

First published in 1939 and reissued by Midnight House in 2002, *Echo of a Curse* is considered to be R.R. Ryan's masterpiece of supernatural horror. In this novel a strong influence of H.P. Lovecraft can be seen to meld with the usual violence and depravity that are the hallmarks of Ryan's work. Brutal and uncompromising from the very start, *Echo of a Curse* is unlike anything you've ever read before. This is the third R.R. Ryan novel we've published, joining *The Subjugated Beast* and *Freak Museum*. Another by the mysterious Ryan, *Death of a Sadist*, is coming soon.

Debuting on the New York stage, Zara is unprepared -- for Eli, the girl who makes the world glow; for Leopold, the director who wants perfection; or for death in the theater. Zara Evans has come to the Aurelia Theater, home to the visionary director Leopold Henneman, to play her dream role in *Echo and Ariston*, the Greek tragedy that taught her everything she knows about love. When the director asks Zara to promise that she will have no outside commitments, no distractions, it's easy to say yes. But it's hard not to be distracted when there's a death at the theater -- and then another -- especially when Zara doesn't know if they're accidents, or murder, or a curse that always comes in threes. It's hard not to be distracted when assistant lighting director Eli Vasquez, a girl made of tattoos and abrupt laughs and every form of light, looks at Zara. It's hard not to fall in love. In heart-achingly beautiful prose, Amy Rose Capetta has spun a mystery and a love story into an impossible, inevitable whole -- and cast lantern light on two young women, finding each other on a stage set for tragedy.

This family saga from a National Book Award finalist is a "brilliantly orchestrated tale of several generations of Washington, D.C., insiders" (*Booklist*). In this epic and acutely observed novel, three generations of a family of Washington power brokers vie for influence over the fate of the nation. In the 1930s, Sen. Adolph Behl and his wife, Constance, buy historic mansion Echo House with the vision of transforming it into Washington's greatest salon—an auspicious base camp from which the senator can launch his "final ascent," and son Axel can prepare his first. Across decades of secrets, betrayals, victories, and humiliations, the Behl family will fight to remain near the center, and behind the scenes, of American political power—from the New Deal to Watergate and beyond. "A fascinating if ultimately painful fairy tale, complete with . . . a family curse . . . The decline of the Behls represents the decline of Washington from the bright dawn of the American century into the gathering shadows of an alien new millennium." —*The Washington Post* "Puts the standard run-of-the-mill Washington novel to shame . . . It is Mr. Just's intimate portrait of the city that makes his book so convincing." —*The New York Times* "Will be read in a century's time by anyone seeking to understand how we lived." —*Detroit Free Press* "[Ward's] stories put him in the category reserved for writers who work far beyond the fashions of the times. . . . Masterpieces of balance, focus, and hidden order." —*Chicago Tribune* "He has

In December 1958, Ken Martin, his wife Barbara, and their three young daughters left their home in Northeast Portland to search for Christmas greens in the Columbia River Gorge—and never returned. The Martins' disappearance spurred the largest missing persons search in Oregon history and the mystery has remained perplexingly unsolved to this day. For the past six years, JB Fisher (Portland on the Take) has pored over the case after finding in his garage a stack of old Oregon Journal newspaper articles about the story. Through a series of serendipitous encounters, Fisher obtained a wealth of first-hand and never-before publicized information about the case including police reports from several agencies, materials and photos belonging to the Martin family, and the personal notebooks and papers of Multnomah County Sheriff's Detective Walter E. Graven, who was always convinced the case was a homicide and worked tirelessly to prove it. Graven, however, faced real resistance from his superiors to bring his findings to light. Used as a trail left behind after his 1988 death to guide future researchers, Graven's personal documents provide fascinating insight into the question of what happened to the Martins—a path leading to abduction and murder, an intimate family secret, and civic corruption going all the way to the Kennedys in Washington, DC.
