Somewhere amid the tangle of video game controllers and muddy sneakers, there's a nice boy. And somewhere within that nice boy is a gentleman just waiting to emerge. For at least eighteen years, you'll have the pleasure of coaxing him out, little by little. You'll make sure he knows how to act at a formal dinner, and you'll explain to him that answering a telephone should never involve the words "yeah" or "hang on." And eventually, you'll be confident that he can react maturely when his team loses in overtime or when he meets a girl he likes. He'll know which fork to use, how to dress on an airplane, and when it's appropriate to speak up for himself and others. Let Kay West guide you through his transformation from boy to gentleman, and watch his young life flourish.

With the snitch gone and FEDs off his back, Langston is finally able to focus on becoming a family man and giving Yaniyah and Imani the life they deserve. There's just one last thing he has to do before he can completely wash his hands of the drug game: turn the connect over to one of his boys. That one key move is the beginning of Langston closing the chapter on his past, but focusing on his future is a lot easier said than done, especially when Brooke reappears and drops a hint that his boys might be headed for certain disaster. Although Langston's relationship with his mother, Pam, is slowly growing, he knows that he has to put his pride to the side and rebuild his extended family, especially with him and Yaniyah bringing a new baby into the mix. Langston is all for bonding with his siblings, but he is still on the fence about repairing things with his

absentee father, Quinton Sr. Trust and forgiveness are Langston's main focus, but when it comes to matters of the heart, it will take more than his boys to make him forgive Toot for a very personal betrayal, and Pam might have just the thing to give Langston a new perspective on moving forward. Yaniyah is getting ready to deliver her and Langston's first baby, but with Montrez giving her hell about Imani every chance he gets, it's a daily struggle to keep the stress from sending her into an early labor. When Niy proposes a reasonable compromise to keep the peace with Montrez, Langston's temper pushes Yaniyah head-first into a war over Imani with Montrez. While things seem to be headed for sure destruction in one aspect of her life, things are looking up for the renewed relationship she's building with her father, Don. Her father and Langston have even managed to iron out their differences and are on the same page, but just as Yaniyah is slipping back into her daddy's girl groove, Don hits her with the last thing she expected, leaving her unborn's fate delicately hanging in the balance. While their lives finally seem to be coming together for the better, Langston and Yaniyah's friends are a different story. Yaniyah tries to remain neutral and keep her distance from Shanie to stay out of things, but one small lie quickly snowballs into a full-blown fight for Ro's affection, which lands Langston and Yaniyah in the middle of the same drama they were trying to avoid. When it all hits the fan, friendships and loyalties are called into question, shattering the very peace that Langston and Yaniyah have fought so hard to keep. Join the crew for one last ride as just about everyone finds themselves questioning who they can trust in this mellow finale.

"Anne Marie Hamming headed into motherhood with a fairly simple plan. Motherhood would be part of her life, but certainly not all of it. A divorce and a baby boy who didn't thrive weren't part of the plan. Follow her through a gut-wrenching and risky decision to leave a career for full-time motherhood with a child who just kept getting sicker. After three years of mysterious symptoms, he was diagnosed with a rare autoimmune condition that only a bone marrow transplant could reverse. In *Saving Lee, Finding Grace*, Anne relives her family's tender journey through grave illness and recovery to find hope waiting for them on the other side. In the process, she comes to terms with the mothering role she never sought or envisioned. This memoir of redemption will touch all who have faced major, unexpected changes and rewritten their lives with freshness and honesty."--Back cover.

**Provides a guide to the first twelve months of life with a new baby, including information on feeding, diaper changing, immunizations, intelligence, development, nutrition, and medical care.**

**"Nikki Turner has truly brought the female hustlers to**

light. Fellas betta watch out, because the Girls in the Game are taking over!” –LaJill Hunt, author of Drama Queen and No More Drama A collection of explosive stories handpicked by the undisputed “queen of hip-hop fiction,” Girls in the Game presents an all-women crew of urban-lit divas. The game here is survival, and every ghetto-hardened gangsta in these tales does what she’s gotta do to make it on–or off–the mean streets. Call them what you will, but until you’ve faced their reality you’ll never know what you would do if you were in their pumps. Just remember: It’s a dirty game, and women are usually the best players. “The game ain’t to be told but sold. If that’s so, the women in Girls in the Game should be millionaires!”

–KaShamba Williams, author of Mind Games “She’s baaaaaaaack! Nikki Turner has returned, bringing with her the new divas of urban fiction. These ladies raise the bar as they chronicle the streets like never before. Get ready for a literary treat.” –Tracy Brown, author of White Lines

Babies are not simply born—they are made through cultural and social practices. Based on rich empirical work, this book examines the everyday experiences that mark pregnancy in the US today, such as reading pregnancy advice books, showing ultrasound “baby pictures” to friends and co-workers, and decorating the nursery in anticipation of the new arrival. These ordinary practices of pregnancy, the

author argues, are significant and revealing creative activities that produce babies. They are the activities through which babies are made important and meaningful in the lives of the women and men awaiting the child's birth. This book brings into focus a topic that has been overlooked in the scholarship on reproduction and will be of interest to professionals and expectant parents alike.

Baby car seats are absolutely essential for safely transporting your infant in a vehicle. In fact, it is a legal matter in many places. However, there are literally tons of car seats to choose from, and it can be a daunting task for new parents. Choosing a baby car seat that was made by an unreliable brand can have disastrous results. In the same token, choosing a car seat that was produced by a reputable brand can definitely save your baby's life in the unfortunate event of a car crash. With all of that being said, you should definitely educate yourself before buying a car seat. This ebook is the

perfect tool for educating yourself in that matter, whether you are a first time parent or have just had your seventh child.

Parenting is definitely one of the hardest but most rewarding things to do in life. It involves a ton of work, but in the end, every bit of effort is well worth it. Each of these ebooks provides information on a different aspect of parenting. They cover everything from some of the best baby products to tips of raising children! This bundle includes the following ebooks:

- Changing Tables for Babies: A Convenient Place to Change Diapers
- Sleep Baby, Sleep: Cribs and Crib Bedding That Will Keep Your Baby Safe and Comfy
- Baby Strollers: The Essential Product for Every Infant
- Baby Car Seats: Safety, Style, and Comfort for Your Child
- Raising Your Children Safely and Effectively: A Guide for New Parents

Why would you pay the full price for each of these parenting ebooks when you can buy them bundled together for this great price?

**DIVERSITY IN ORGANIZATIONS** is the first comprehensive, research-based text

designed to meet the needs of the diversity course. It provides a solid perspective on the various aspects of organizational diversity, including why diversity is important for organizations, recruiting, retaining, and effectively and fairly utilizing a diverse workforce, and legislation related to diversity. The book conducts in-depth explorations of key racial/ethnic groups, sex and gender, religion, work and family, weight and appearance, physical and mental ability, and sexual orientation. It includes prescriptions on how to become a diversity-friendly employer, include workers often devalued, and how both dominant and non-dominant group members can work to effect change. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **Twin Set**

On the same night that twenty four-year-old Jordyn Sims has a miscarriage, her sister-in-law Tori Sims conceives a child. Nine months later, Tori, a long term heroin addict, abandons her two-hour-old drug addicted newborn Jeremiah, in a hospital stairwell. Jordyn receives the news and pursues foster adoption. However, Oscar, Tori's drug dealer pimp, is not about to give Jeremiah up so easily. While in confrontation with Tori and Oscar, Jordyn seeks help from the Administration of Children Services (ACS), only to discover she is faced with a maze of departments, regulations, legalities and overworked social workers. Jordyn remains strong and continues to push through the uphill battle, even after she discovers she's pregnant. With all odds against her adoption of Jeremiah, and her pregnancy at high risk from increasing stress, will Jordyn win this tough battle, or will her world crumble before her?

Revised to keep your students on top of our ever-changing world of emerging technology, this is your solution for staying current and keeping your students engaged in an information age. Features: Each lesson is presented on two facing pages, with the main points discussed on the left hand page and large illustrated on the right. Students learn all they need about a topic without turning the page! The modular structure of the book allows you to cover the unit and lessons in any order. Computers in Context lessons highlight how computer technology is used in various fields, such as sports, education and law enforcement. Students can use the new companion Web site activities t

reinforce the concepts that they have learned in the book. New material and photos added to this Fifth edition will keep you current including coverage of Tablet computers, wireless networks, a new lesson on Solid State Storage Technology, an updated and revamped lesson on Defining database software, and a new lesson on introducing DHTML and XML. An Interactive CD accompanies the book and contains videos and screentours, InfoWebs, Interactive Exercises, Practice Tests and Labs. Icons placed throughout the book direct students to the CD putting the concepts on context. ... From publisher description.

So you've made the decision to adopt. What's next? For starters, how do you know whether domestic or international adoption is right for you? (And what are the real differences between the two?) Adoption insider Elizabeth Swire Falker answers these questions and many more. As an attorney who practices in the area of adoption and has worked with hundreds of families, and as an adoptive parent herself, she offers expert advice on each stage of the process. This comprehensive, accessible guide leads you with confidence through every decision you'll have to make-including the ones that you'd never know to expect. Complete with checklists, tips, sidebars, and plenty of counterintuitive advice, it shows you how to: Identify which adoption experts you do and don't need Find the right birth mother or choose the right country for your family-and how to spot red flags in potential situations Select an attorney or agency and prepare for your home visit Finance an adoption on a budget, manage the red tape, and get around the roadblocks Navigate all of the

complex emotions that surface along the way. . . With Elizabeth Swire Falker's warm yet been-there-done-that voice, *THE ULTIMATE INSIDER'S GUIDE TO ADOPTION* is sure to become a tried-and-true resource for adoptive parents everywhere.
