## Planner

Practice papers to help your students prepare for GCSE assessment

Used alongside the textbook Engineering GCSE, this pack offers a complete course for the new GCSE syllabuses from Edexcel and OCR, providing all the resources needed by a busy teacher or lecturer as well as a student-centred learning programme that will enable students to gain the skills, knowledge and understanding they require. The photocopiable materials in this pack include: \* Background to running a GCSE Engineering course \* Worksheets to support and develop work in the textbook \* Assignments, practicals and design briefs \* Reference material and revision sheets for use as handouts This pack builds on the success of Mike Tooley's GNVQ materials, which have helped thousands of students to gain their first engineering qualification. Mike Tooley is Vice Principal at Brooklands College, Surrey, and author of many engineering and electronics books.

The most popular series for GCSE has been updated to offer comprehensive coverage of the revised GCSE specifications. Physics for You, has been updated in-line with the revised National Curriculum requirements.

## Controlled Assessment.

The Pearson Edexcel GCSE (9-1) Computer Science Student Book will support you through your GCSE in computer science with a scenario-based approach to problem solving and computational thinking. The content is designed to inspire and motivate by helping you to relate and apply your skills to real-world contexts and make learning relevant.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.
