Exam Board: Edexcel Level: GCSE Subject: Physical Education First teaching: September 2016 First exams: June 2018 Written by Tony Scott, MBE*, this Student Book is designed for students studying the Edexcel GCSE PE 2016 specification and covers all four components of the course. Inside you'll find: engaging, fully illustrated topic-by-topic coverage clear links drawn between related topics accessible explanations of the trickier content (such as movement analysis, anatomy and physiology) with an emphasis on their relevance to sporting contexts worked examples to develop confidence in mathematical skills and use of data new 'Apply It' and 'Practice' features to help students use or apply knowledge straightaway exam-style questions and tips, including additional guidance for extended writing questions support for the course with dedicated Preparing for the Exam sections. *Tony Scott was awarded an MBE for services to education in 2015. He is an inspirational athlete, representing Team GB at the Paralympic Transplant Games, where he has won numerous gold medals.

Fully addresses the "Analysis and Feedback of Performance" sections of the PE GCSE for all major exam boards. Designed to provide detailed support and comprehensive explanations of the skills needed for success in this compulsory part of the exam and to help students gain maximum marks as possible for their own analysis. The textbook takes a step-by-step approach, first describing, and then demonstrating, all the separate requirements that students have to meet in the analysis part of the exam. Examples are provided from a range of sporting activities so that students can practise the skills of analysing a model performance, before applying it to their own selected activity.
