Edmunds Used Cars and Trucks Summer 2001

Standard Equipment for the Informed Consumer

*The automobile industry is evolving rapidly on a worldwide basis. Manufacturers are merging, component design and manufacture are now frequently outsourced instead of being created in-house, brands are changing and the giant auto makers are expanding deeper into providing financial services to car buyers. The skyrocketing price of gas spurs developments in hybrid technology and clean diesel, as manufacturers look for ways to improve fuel efficiency. Meanwhile, all of the biggest, most successful firms have become totally global in nature. Plunkett's Automobile Industry Almanac will be your complete guide to this immense, fascinating industry. On the car dealership side, giant, nationwide holding companies have acquired the best dealers in major markets. Even the used car business is being taken over by national chains. E-commerce is having profound effects on the car industry. Consumers use the Internet to become better informed before making a purchase. Online sites like Autobytel steer millions of car buyers toward specific dealers while the same sites deliver compelling bids for cars, insurance and financing in a manner that lowers costs and improves satisfaction among consumers. Meanwhile, auto makers are using the latest in e-commerce methods to manage their supply chains and replenish their inventories. This exciting new book (which includes a database on CD-ROM) is a complete reference tool for everything you need to know about the car, truck and specialty vehicles business, including: Automotive industry trends and market research; Mergers, acquisitions, globalization; Automobile manufacturers; Truck makers; Makers of specialty vehicles such as RVs; Automobile loans, insurance and other financial services; Dealerships; Components manufacturers; Retail auto parts stores; E-commerce ; and much, much more. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package. This book also includes statistical tables, an automobile industry glossary, industry contacts and thorough indexes. The corporate profile section of the book includes our proprietary, in-depth profiles of the 400 leading companies in all facets of the automobile industry. Purchasers may also receive a free copy of the company profiles database on CD-ROM.*

*Designed to complement every introductory library reference course, this is the perfect text for students and librarians looking to expand their personal reference knowledge, teaching lifesate methods for identifying important materials by matching specific types of questions to the best available sources, regardless of format. Guided by a national advisory board of educators and practitioners, this thoroughly updated text expertly keeps up with new technologies and practices while remaining grounded in the basics of reference work. Chapters on fundamental concepts, major reference sources, and special topics provide a solid foundation; the text also offers fresh insight on core issues, including ethics, readers' advisory, information literacy, and other key aspects of reference librarianship;selecting and evaluating reference materials, with strategies for keeping up to date;assessing and improving reference services;guidance on conducting reference interviews with a range of different library users, including children and young adults;a new discussion of reference as programming;important special reference topics such as Google search, 24/7 reference, and virtual reference; anddelivering reference services across multiple platforms As librarians experience a changing climate for all information services professionals, in this book Cassell and Hiramath provide the tools needed to manage the ebb and flow of changing reference services in today's libraries.*

*This 2000 buyer's guide contains prices and ratings for American and import cars, vans, sport utilities, and pickups made from 1990 to 1999. Included is detailed information about automobile specifications, standard and optional equipment, fuel efficiency, reviews, ratings, safety data, and much more.*

*To help consumers navigate through the complex and growing marketplace, Edmund's has harnessed information technology to print precise and timely data in reader-friendly formats--automobile photos, revealing graphics, and supporting how-to guidelines and worksheets--enabling readers to make informed, cost-effective decisions.*

Used Car Price Guide

**A guide to used car prices features current retail and wholesale prices, original list prices, recall listings, and information on pickup trucks. Original.**

**Features accurate, up-to-date wholesale and retail prices on used cars and trucks from 1992 to 2001, covering both domestic and imported makes and models, as well as detailed information about automobile specifications, fuel efficiency, standard and optional equipment, ratings and reviews, and much more. Original.**

**Most Internet search engines now allow marketers to buy specific keyword positions in addition to, or instead of, programming their way to the top. This book reveals how to effectively buy a top position on the major search engines and directories.**

**Online auction site eBay has exploded since its inception, and now its motor vehicle sales arm is exploding as well. If you've bought or sold items on eBay before, you have some idea of the process, but buying or selling a vehicle over an online auction is more involved than selling your mother's teakettle. The buyer needs to know what to look for and what to watch out for above and beyond the ordinary considerations of buying a vehicle. And for the seller, descriptions, photos, and most other details are much more involved than when selling other ordinary items on eBay.**

**EBay Motors the Smart Way**

**Prices and Raings: Winter 2001: 1991-2000 American and Import Used Car and Truck Prices**

**An Introduction, Fourth Edition**

**Consumer Action Guide**

*Gives advice on every aspect of purchasing a car, including determining budget limits; buying new, used, or foreign cars; negotiating a deal; and making financing arrangements.*

*This book outlines buying scenarios, clearly explaining the consumer's course of action in simple terms. The complex and sometimes frightening process of car buying is demystified in a comprehensive guide that covers:
- How to choose the right car
- New/used car-buying strategies
- Getting a used car bargain
- Avoiding the pitfalls of leasing
- How to shop for insurance
In addition, Strategies for Smart Car Buyers includes several appendices and a variety of new material to complete the buyer's research process, including:
- The acclaimed investigative series, "Confessions of a Car Salesman," relating insider secrets in an entertaining account of two car dealerships
- Monthly payment charts and monthly leasing payments
- Expanded financing section detailing crucial contract dos and don'ts
- Additional commentary throughout text from undercover car salesman Chandler Phillips
- More in-depth information on trade-ins and lease-end strategies
- Edmunds' latest consumer tool: "Smart Car Buyer"
- Bonus section: "Verbal Self Defense" avoiding sales language pitches and traps
- New section: "Safely Navigating eBay Auctions"*

*The latest consumer guide for used car prices--from the "original consumer price authority". Features current retail and wholesale prices; original list prices; recall listings; information on pickup trucks, and more.*

*Create a solid pathway for financial success! Millennials often confront greater difficulties—including economic uncertainty and student debt—than those who came before them. Prices and Ratings: 1990-1999 American and Import

Expert financial columnist Robert K. Heady and financial writer Christy Heady take readers step-by-step through the process of getting their finances under control. With new, updated content for today's post-boom, cautious climate, this author team gives readers the knowledge they need to succeed. New content includes expanded and updated coverage on debt and expense management; updated and additional information on financial law; and up-to-date data based on forecasts, trends, and projected economic recovery. 3 million people have lost their jobs and Americans are in 'personal' debt to a record total of \$2 trillion. All-new and updated content on the latest developments in investing, the economy, and the markets.

In 2002, 300,000 vehicles with a total value of \$3 billion were sold - on one Web site. Is it any surprise the site is eBay? For buyers, sellers, dealers, and parts and accessories vendors, there's simply no other marketplace to match the huge selection, broad exposure, and ease of use that are eBay's hallmarks. eBay Motors the Smart Way offers sellers and dealers:
\* strategies forsetting and getting top price for any vehicle
\* techniques for creating attention-grabbing auction ads
\* new ways to add value with superior customer service
\* valuable tips for using auction management services and other time-saving resources
\* proven methods for maximizing reputation
Also a valuable tool for buyers, the book shows how to:
\* determine a vehicle's value
\* how find great deals and bargains
\* arrange an inspection and run a ""lemon check""
\* secure financing for an online vehicle purchase
eBay Motors the Smart Way offers valuable information for all readers on how to avoid fraud and scams, how to properly document your transactions, and how to conform to state vehicle laws - even when transacting business over state lines.From Mazeratito MoPed, Acura to Zamboni, if it runs on a motor, it'll take off on eBay!"

This text explores a variety of advances in IT by a group of researchers who are at the cutting-edge of this research. There are four general categories in the book: future markets, inter-organizational systems, focused applications, and future strategies.

Good Morning America correspondent and ABC News columnist reveals tips for achieving unbelievable savings in this battered economy, saving money matters more to consumers than ever before. But most people are tired of hearing about all the small stuff, like skipping their morning latte. They tried that, and it didn't work. Americans want fresh, bold ideas and Save Big: Cut Your Top 5 Costs and Save Thousands has them. In fresh, engaging prose, Elisabeth Leamy shows consumers how to save big on life's most important and costly items. Filled with actionable advice and the insider secrets readers are hungering for, Save Big Details how to save a lot of money on a few things rather than merely saving a little on a bunch of small items Reveals the keys to saving money and the challenges consumers face Educates consumers on how to save thousands on the five things most people spend the most money on: houses, cars, credit, groceries, and healthcare After the turbulent economic events of the recent past, more and more consumers are focusing on budgeting and creative ways to save money. Save Big can help.

According to CNW Marketing/Research, 53 million used cars were sold in 1994 in the United States alone. By the end of 1999, CNW forecasts the used car market will soar to 63.5 million units as the rising cost of new cars forces millions into second-hand cars. Millions of people need car-buying information every year in a market destined to increase. THE USED CAR BUYER'S MANUAL offers this much needed car-buying information. Divided into three parts, part one shows how to buy a car from a private party. Part two details how to buy a car through a dealer. In the third part, UCBM offers advice on how to sell your car along with tips designed to keep your car running problem free. The UCBM also offers a vehicle inspection checklist designed to be photocopied for the reader's convenience. But the most impressive information UCBM offers is its Directory of Reliable Used Cars Appendix. UCBM shows you which cars are reliable by listing over a hundred models & then taking the best in each class & offering them as the creme de la creme. Contact Marketing Director Dave Austin, P.O. Box 830, Newbury Park, CA 91319. 805-499-7828.
