This critical ethnographic school-based case study offers insights on the interaction between ideology and the identity development of individual English language learners in Singapore. Illustrated by case studies of the language learning experiences of five Asian immigrant students in an English-medium school in Singapore, the author examines how the immigrant students negotiated a standard English ideology and their discursive positioning over the course of the school year. Specifically, the study traces how the prevailing standard English ideology interacted in highly complex ways with their being positioned as high academic achievers to ultimately influence their learning of English. This potent combination of language ideologies and circulating ideologies created a designer student immigration complex. By framing this situation as a complex, the study problematizes the power of ideologies in shaping the trajectories and identities of language learners.

BPP Learning Media is an ACCA Official Publisher. F7 is a demanding paper covering all the fundamentals of financial reporting. It has five main sections: 1. The conceptual framework of accounting 2. The regulatory framework 3. Preparation of financial statements which conform with IFRS 4. Preparation of consolidated financial statements 5. Analysis and interpretation of financial statements F7 builds on knowledge from F3, or old paper 1.1. New topics introduced at this level are consolidated financial statements, construction contracts, financial instruments and leases. International is now the ACCA main stream. We also provide materials for the F7 UK variant. The most important factor in passing F7 will be lots of targeted question practice. The questions in our kit cover all areas of the F7 syllabus. The questions are laid out in sections which match the text chapters. All sections have past exam questions and some also have preparation questions which ease you into the topic. This helps you to organise your revision. You can review the text chapter, and then do the kit questions on that chapter. Our solutions are detailed and also give you advice on how to approach the question and how to get the easy marks.
