Mi gran cuaderno para practicar inglés

**Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. Activity Book 3 provides additional practice activities to consolidate language skills and content material introduced in Learner's Book 3. Nine units correspond with the topics, texts and language input of Learner's Book 3 with each lesson of the Learner's Book supported by two pages in the Activity Book. Learning is reinforced through activities clearly framed within the 'I can' objectives of the course, opportunities for personalisation and creative work and a higher level of challenge to support differentiation. Each unit in the Activity Book ends with a quiz or review, offering further assessment for learners. CEFR Level: towards A1.**
