fierce and defiant little girl, determined to fight for the life her mother couldn't have. As a young woman coming of age in the late 1960s, she rode the second wave of feminism. Among a tribe of like-minded female journalists, Allende for the first time felt comfortable in her own skin, as they wrote "with a knife between our teeth" about women's issues. She has seen what the movement has accomplished in the course of her lifetime. And over the course of three passionate marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one's sexuality.
