**Todos hemos sentido dolor y decepción, y en esos momentos nos preguntamos por qué Dios permite el mal? Aún así, Nos invade la amargura o nos refugiamos en Él? La autora nos lleva a través de las vidas de Noemí, Rut, José, Lea y David para descubrir cómo se enfrentaron a circunstancias que escapaban a su control y comprensión.**

**"It was in a church in Munich that I saw him.... "One moment I saw the overcoat and the brow hat; the next, a blue uniform and a visored cap with its skull and crossbones. It came back with a rush: The place was Ravensbruck and the man who was making his way forward has been a guard—one of the most cruel guards. "Now he was in front of me, hand thrust out. I was face to face with one of my captors and my blood seemed to freeze. "Fraulein, will you forgive me?" Communicating her experience of God's guidance, forgiveness and power, Corrie was still challenged to live fully the truths she had learned. In her imprisonment and later her world travels, her life continued to declare that "there is no pit so deep that Jesus' love is not deeper still."**

A Prisoner and Yet... reveals a belief in Christ that carried an innocent woman through some of the worst agonies man can devise. Here is one of the most tragic, yet most inspiring and faith-giving true stories of Corrie ten Boom during her time spent in a Nazi concentration camp.

Desde su publicación, hace más de cuarenta años, la historia de Corrie ten Boom, una relojera holandesa de la ciudad de Haarlem, ha servido de inspiración a millones de personas. Heroína de la resistencia a la ocupación nazi de su patria, ella, junto a toda su familia, arriesgaron la vida para ayudar a los judíos perseguidos y a los jóvenes buscados por los alemanes para deportarlos como fuerza de trabajo. Después de convertir su casa en un refugio clandestino donde podía acudir todo el que tenía necesidad, y de salvar a cientos de personas, aquella actividad les llevó a probar ellos mismos el sabor de los campos de la muerte. Solo pudo sobrevivir Corrie, y gracias a ello pudo contar por todo el mundo esta historia de cómo la fe acaba triunfando sobre el mal, pues no hay pozo tan profundo donde no llegue la gracia y el amor de Dios.

A ten-year-old orphan comes to live in a lonely house on the Yorkshire moors and discovers an invalid

cousin and the mysteries of a locked garden.

Selected to Live

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

A kingdom in danger, a great betrayal, a boy seeking to redeem his father's honor. Will he succeed in exonerating him and saving the realm from an enemy in the shadows before it is too late for the whole North? By the age of fifteen, Lasgol has endured a hard childhood and lives, cornered and hated, in a small village in the North. He is the son of the traitor, the man who betrayed the kingdom and tried to kill the King. His only companions are the mountains and the snow, ever-present in the region. Yet he refuses to believe that his father is guilty, in spite of all the evidence that points to the fact, even though the King himself was a witness to the betrayal. Lasgol is determined to clear his father's name, and to do this he has only a single option: the School of Rangers, a secret place where the respected and feared defenders of the lands of the kingdom are trained for four years. Going there is insane, hate and death await him there. But as the son of a Ranger, he is entitled to attend. At the Camp he will find himself involved in political intrigues, disloyalties and murder. He will encounter hatred and fearsome enemies, but also a handful of friends, novices as much out of place as he is himself, determined to do whatever is necessary to pass the first year ... without dying in the attempt. Will Lasgol survive the first year of instruction at the Rangers' Camp? Will he find out what happened to his father? Will he be able to clear his name? Find out while you follow fascinating adventures with a group of characters you will fall in love with. The adventure begins right now!

The eighth book of the Corrie ten Boom Library, this is the first to focus on the years leading up to World War II and the events of "The Hiding Place." More than a collection of memories from her colorful life, this book explores the human side of one of the most authentic Christian witnesses and the faith that kept ten Boom strong.

"A novel based on a true story [in which] a mother and daughter risk their lives to provide shelter to two families and a German soldier--all unbeknownst to each other--in a tiny two-room house in Sokal, Poland, during the Nazi invasion"--Amazon.com.

Discover for yourself: It really IS more blessed to give than to receive! The Power of Blessing is more than an encouragement to bless. It shows you many ways you can be a blessing to those around you. Blessings are not just about materialism, blessings are more about a lifestyle that changes environments and conditions among families, churches, communities, and even small businesses and large corporations. Do not repay evil with evil or insult with insult, but with blessing, because to this you were called so that you may inherit a blessing (1 Peter 3:9 NIV). The Power of Blessing: • Presents practical applications about how to bless others and receiving blessings. • Teaches the difference between truth and fact. • Shares humorous and inspirational testimonies. • Reveals the importance of speaking God's intentions as to how things should be. • Breaks generational curses by learning how to bless. Your heavenly Father is the redemptive God who delights in bringing things back into His divine order. Through learning how to bless, you can participate in this redemptive process. By actively living a lifestyle of blessing, you will see changes in the hearts of those you bless—as well as in yourself! Relates events in the life of the Dutch woman who survived imprisonment in Nazi concentration camps to become a Christian missionary.

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

In the Closet of the Vatican

***Christians ought to realize that the victory has already been won and the enemy of our souls has been defeated in God's timeless eternity. Out of the depth of her own spiritual experiences, Corrie ten Boom shares with her readers how God works to use us as soldiers of the cross. The New York Times Bestseller '[An] earth-shaking exposé of clerical corruption' - National Catholic Reporter In the Closet of the Vatican exposes the rot at the heart of the Vatican and the Roman Catholic Church today. This brilliant piece of investigative writing is based on four years' authoritative research, including extensive interviews with those in power. The celibacy of priests, the condemnation of the use of contraceptives, the cover up of countless cases of sexual abuse, the resignation of Benedict XVI, misogyny among the clergy, the dramatic fall in Europe of the number of vocations to the priesthood, the plotting against Pope Francis – all these issues are clouded in mystery and secrecy. In the Closet of the Vatican is a book that reveals these secrets and penetrates this enigma. It derives from a system founded on a clerical culture of secrecy which starts in junior seminaries and continues right up to the Vatican itself. It is based on the double lives of priests and on extreme homophobia. The resulting schizophrenia in the Church is hard to fathom. But the more a prelate is homophobic, the more likely it is that he is himself gay. 'Behind rigidity there is always something hidden, in many cases a double life'. These are the words of Pope Francis himself and with them the Pope has unlocked the Closet. No one can claim to really understand the Catholic Church today until they have read this book. It reveals a truth that is extraordinary and disturbing.***

***In this classic volume, Charles Swindoll uniquely shows the important aspects of authentic servanthood, such as: What it takes to serve unselfishly Why a servant has such a powerful influence What challenges and rewards a servant can expect He offers clear guidelines on developing a servant's heart and challenges you to realize the rich rewards promised in a life of authentic Christian servanthood.***

***One of Mexico's most celebrated new novelists, F. G. Hagenbeck offers a beautifully written reimagining of Frida Kahlo's fascinating life and loves. When several notebooks were recently discovered among Frida Kahlo's belongings at her home in Coyoacán, Mexico City, acclaimed Mexican novelist F. G. Hagenbeck was inspired to write this beautifully wrought fictional account of her life. Hagenbeck imagines that, after Frida nearly died when a streetcar's iron handrail pierced her abdomen during a traffic accident, she received one of the notebooks as a gift from her lover Tina Modotti. Frida called the notebook "The Hierba Santa Book" (The Sacred Herbs Book) and filled it with memories, ideas, and recipes. Hagenbeck takes readers on a magical ride through Frida's passionate life: her long and tumultuous relationship with Diego Rivera, the development of her art, her complex personality, her hunger for experience, and her ardent feminism. This stunning narrative also details her remarkable relationships with Georgia O'Keeffe, Leon Trotsky, Nelson Rockefeller, Ernest Hemingway, John Dos Passos, Henry Miller, and Salvador Dalí. Combining rich, luscious prose with recipes from "The Hierba Santa Book," Hagenbeck tells the extraordinary story of a woman whose life was as stunning a creation as her art.***

Hiding from the Nazis in the "Secret Annex" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

Presents, using colorful images and rhyming text, the life and accomplishments of Corrie Ten Boom and her family, who harbored persecuted Jews in the Netherlands and were imprisoned for it during the second World War.

Dealing with difficulties at her own home, Cintia goes to her grandmother's to find comfort and hear her wonderful tales about her family and the transformation of the special blue house in her small town in rural Argentina.

The international bestselling author of Where the Light Enters presents a remarkable epic about two female doctors in nineteenth-century New York. The year is 1883, and in New York City, Anna Savard and her cousin Sophie—both graduates of the Woman's Medical School—treat the city's most vulnerable, even if doing so puts everything they've strived for in jeopardy... Anna's work has placed her in the path of four children who have lost everything, just as she herself once had. Faced with their helplessness, Anna must make an unexpected choice between holding on to the pain of her past and letting love into her life. For Sophie, an obstetrician and the orphaned daughter of free people of color, helping a desperate young mother forces her to grapple with the oath she took as a doctor—and thrusts her and Anna into the orbit of anti-vice crusader Anthony Comstock, a dangerous man who considers himself the enemy of everything indecent and of anyone who dares to defy him. With its vivid depictions of old New York and its enormously appealing characters, The Gilded Hour is a captivating novel by an author at the height of her powers.

The #1 testimony book that every Christian needs to read. Despite the danger and threat of discovery, the ten Boom family courageously offered shelter to persecuted Jews during the Nazi

occupation of Holland. Then a trap brought about the family's arrest. Could God's love shine through, even in Ravensbruck?
