In this engaging book Matthew Johnson looks 'behind the castle gate' to discover the truth about castles in England at the end of the Middle Ages. Traditional studies have seen castles as compromises between the needs of comfort and of defence, and as statements of wealth or power or both. By encouraging the reader to view castles in relation to their

inhabitants, Matthew Johnson uncovers a whole new vantage point. He shows how castles functioned as stage-settings against which people played out roles of lord and servant, husband and wife, father and son. Building, rebuilding and living in a castle was as complex an experience as a piece of medieval art. Behind the Castle Gate brings castles and their inhabitants alive. Combining ground-breaking scholarship with fascinating narratives it will be

Djibouti, a tiny country on the Horn of Africa at the entrance to the Gulf of Aden, has become a refuge for people fleeing from neighbouring war zones. It ' s here that former soldier and extreme adventurer Jordan Wylie visited various refugee camps and orphanages and saw first-hand the grim lives of many of the children, deprived of so many of the basic things which most children in the UK simply take for granted. Determined to raise funds and awareness to build a new school for some of these children, Jordan embarked on a series of extraordinary adventures, becoming the first person to row solo and unsupported across the pirate-infested Bab-el-Mandeb Strait between Yemen and the Horn of Africa; running a

series of extreme marathons in ice-cold climates around the world; and stand-up paddleboarding for longer and further than anyone ever had before at sea, in an attempt to circumnavigate mainland Great Britain, where he faced angry fisherman, busy shipping lanes, military firing ranges, crazy teenagers on jet-skis, psychotic jellyfish and, finally, Covid-19. This is the inspirational true story of the lengths to which one man went to fulfil a dream and keep his promise of making a positive contribution to the lives of the people, especially children, in the war-torn countries he 'd come to know so well through his travels.

The Glass Castle **Fourth Report**

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for

her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
