Elementary School write and draw notebook for both boys and girls for grades K through 2nd grade. This notebook was created to enhance both writing and drawing skills. The layout was designed so there is ample space to write, as well as draw. This is the perfect complement to reinforce what is taught in the classroom and is a fun way to develop the necessary skills for their continued development. Not only will this help them with their motor skills and hand control, but more importantly drawing helps with emotional development and self-esteem. Writing is equally important in learning how to understand and use language to communicate with others. Write and Draw Notebook Features:
