Originally published October 2011 Now includes bonus novella DAIMON The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi-pure-bloods-have godlike powers. Children of Hematoi and mortals-well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daimons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem-staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden. And that would kind of suck.

Targeted by a fanatical order that wants to prevent her Awakening on her eighteenth birthday, Alexandra hides the truth to protect Aiden and finds her illicit encounters with Seth causing her to develop additional marks of the Apollyon. A riveting and powerful story of a runaway girl lured into prostitution in New York City, perfect for fans of Ellen Hopkins and Patricia McCormick. What do you do if you're in trouble? When Michelle runs away from her drug-addicted mother, she has just enough money to make it to New York City, where she hopes to move in with a friend. But once she arrives at the bustling Port Authority, she is confronted with

the terrifying truth: She is alone and out of options. Then she meets Devon, a good-looking, well-dressed guy who emerges from the crowd armed with a kind smile, a place for her to stay, and eyes that seem to understand exactly how she feels. But Devon is not who he seems to be, and soon Michelle finds herself engulfed in the world of child prostitution, where he becomes her "Daddy" and she is his "Little Peach." It is a world of impossible choices, where the line between love and abuse, captor and savior, is blurred beyond recognition. This hauntingly vivid story illustrates the human spirit's indomitable search for home and one girl's struggle to survive.

COVENANT 3.5 Dalla voce di Aiden St. Delphi, un breve ma emozionante capitolo della Covenant series... Da quando Alex è diventata Apollyon, il suo legame con Seth si è rafforzato tanto da diventare un pericolo per la sua stessa vita. Nonostante i nuovi poteri e la forza inimmaginabile che ha acquisito, ora è

pi ù vulnerabile che mai, e Aiden deve trovare il modo di proteggerla. Da Seth, ma anche dagli stessi dei, pronti a scatenare una guerra pur di eliminare chiunque minacci di distruggerli. Amber Sand's matchmaking business is threatened by a YouTube star with a flair for showbiz, but when she meets Jane, the fairy behind the new fad, Amber finds a kindred spirit. Jane was born without wings and, like Amber, feels like an outsider in her family. Meanwhile, the gang is enjoying the summer after senior year and gearing up for college. They team up with Jane to track down the rare and difficult to obtain fairy dust and try to restore Ivy's siren powers. Perhaps most risky of all, Jane offers to tell Amber who her match truly is.

The unforgettable second novel in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Includes a special bonus scene from Seth's point of view. Enter the world of Covenant... For Alexandria, being destined to become some kind of supernatural electrical outlet isn't exactly awesome - especially when her 'other half' is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom - so not cool. Their connection does have some benefits, like staving off her memories of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. When daimons infiltrate the Covenants and attack students, the gods send furies - creatures determined to eradicate any threat to the Covenants and to the gods... and that includes Alex. If that and hordes of aether-sucking monsters weren't bad enough, a mysterious threat

seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her.
