Disney Frozen Crochet: 12 Projects Featuring Characters from Disney Frozen

Sixteen-year-old Iduna harbors a dark secret. On the surface, she is the Arendellian village girl, an aspiring inventor, and the best friend of Prince Agnarr, but she is also secretly Northuldra. Ever since the day the forest fell, Arendellians have despised and distrusted Northuldra with a vengeance. No matter that the Northuldra—along with some of Arendelle's own—have been trapped in the Enchanted Forest behind an impenetrable wall of mist since the day of the battle. Iduna doesn't know why the mist refuses to part, or why it descended to begin with. The only clear thing is that she must keep her identity from everyone, even Agnarr. Her life depends on it. Fortunately for her, Agnarr doesn't know that Iduna is the Northuldra girl he saw seemingly flying on a gust of wind all those years ago, the day of the celebration turned disaster. The day Agnarr lost his father, the king. The day Agnarr himself almost died. What Agnarr does know is that Iduna is a true ally in the face of his royal responsibilities and the expectations of an overbearing council and a well-meaning regent who will rule in Agnarr's place until he turns twenty-one and assumes the Arendellian throne. As Iduna and Agnarr grow ever closer, however, friendship is no longer enough. If only falling for each other didn't mean risking their futures: Iduna's as a hidden-in-plain-sight citizen of Arendelle, and Agnarr's as imminent king. But for a chance at true love, the risk might be worth taking

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

15 Fluffy Friends to Make and Dress for Every Occasion

Contains easy-to-follow instructions for making over 50 knitted toys in a selection of colours, ranging from tiny toys that take no time to knit to a large pair of dolls with sets of removable clothing. Only basic knitting skills are required.

Susan B. Anderson's fifth book--her most enchanting yet--turns the spotlight on "reversibles": knitted projects that are two toys in one. This collection of a dozen delightful toys features a dog in a doghouse, a chrysalis with a fluttery surprise inside, a tiny hidden fairy, a vintage toy with a fabled theme to boot, pigs in a blanket, and much more. The adorable photographic sequences and the playful and energetic line drawings show how each finished reversible can be turned inside out to reveal its companion toy. Projects are arranged in order from simplest (the great knitting teacher), explaining special techniques: how to apply any applique, how to do the stem stitch, how to embroider "eyes" on the Bunny and Lamb, and 14 more. It all adds up to the best knitting book of the season.

Have you ever wanted to cuddle Chewbacca or hug Yoda? The Star Wars Crochet book comes with step-by-step instructions, complete with photos. Possible projects could include: Wicket the Ewok, Chewbacca, Stormtrooper, Darth Vader, Luke Skywalker, Princess Leia, Han Solo Yoda, C-3PO, R2-D2, Jabba the Hut, Boba Fett.

Gorgeous cable knits with a contemporary twist! Cables and other traditional Aran patterns are perennially popular with knitters, as not only do they look great but they are interesting patterns to knit. Well-known Rowan Yarn designer Martin Storey adds a modern twist to these classic patterns in this beautifully photographed collection of desirable wearables and accessories. The designs have a pared-down contemporary simplicity and soft color palette that is sure to appeal to knitters of all ages and different levels of experience. Featuring a versatile range of natural yarns from Rowan that are cozy and inviting. The twenty-five patterns range from relatively simple to challenging--something for every knitter to enjoy!

Iconic fairy-tale characters from storybooks, movies, and television inspire this collection of magical knitting patterns perfect for modern knights, villains, and princesses. Once again, Genevieve Miller taps a wide range of contributors (from knitwear designers to students) to create a collection of 28 wearables, accessories, and toys that can be knit for adults or kids. Inspired by the recent resurgence of fairy-tale and fantasy characters, these projects draw from classic stories as well as pop-culture phenomena featuring romantic, feminine costumes. Projects range from kid- and teen-friendly animals hats to an Alice in Wonderland beret to a crystal-embellished vest fit for a Snow Queen, adding a little dress-up fun to knitters' everyday wardrobes.

The Cadbury Creme Egg Cookbook

The Story of Anna and Elsa

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, Invisible Child had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of Homeland Elegies ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In Invisible Child, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s Invisible Child reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

Offers patterns and instructions for making Christmas stockings, samplers, dolls, place mats, ornaments, and pillows, and discusses needles and cross stitich techniques

If you love crochet and dolls, this is your book. Here you can find 15 projects made with the Japanese technique of amigurumi. There are four collections: The Four Seasons, a Costume Party, Successful Professionals and Dolls that you can dress with different clothes. You do not need to be a virtuou in crochet. If you know how to do double crochet, increase and decrease, you can already make your first amigurumi’s project. Choose your favorite doll and let’s work. We will give you some colour suggestions. You have a full range of colours with DMC Natura and DMC Woolly to experiment your own combinations. It's time to get carried away by your creativity and imagination. Enjoy it!

Delight children and adults alike by creating a whole host of fun and fabulous knitted characters from this latest book by best-selling author, Sarah Keen. Inside you'll find 50 knitted dolls in costume and work attire, including graduates, a doctor, fire-fighter, painter and decorator, ballerina, bride and groom, spaceman, snowman, fitness enthusiast and hiker, to name just a few. All the projects are made from DK yarn, which is easy to wash, durable and child-friendly. They are perfect gifts for loved ones or as a treat to yourself.

If you're like most knitters, you have lonely skeins of yarn in your closet — casualties of projects discarded mid-row or leftovers from long-completed pieces. Offering 101 charming designs that use just a single skein of yarn, Judith Durant shows you how to turn these extra bits of fiber into stylish hats, mittens, scarves, and tea cozies. Covering a wide range of tastes and styles, this collection will inspire you to dig out your orphan yarn and get stitching.

The Crème de la Crème Egg of Cookbooks!

Fearless optimist Anna sets off on an epic journey--teaming up with rugged mountain man Kristoff and his loyal reindeer Sven--to find her sister Elsa, whose icy powers have trapped the kingdom of Arendelle in eternal winter. Encountering Everest-like conditions, mystical trolls, and a hilarious snowman named Olaf, Anna and Kristoff battle the elements in a race to save the kingdom. This storybook includes beautiful, full-color art in the style of the beloved film, Frozen.

Described by Virginia Woolf herself as 'easily the best of my books', and by her husband Leonard as a 'masterpiece', To the Lighthouse, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay's promise to take a trip to the lighthouse the next day - a promise which isn't to be fulfilled for a decade.

Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf's prose, with her delicate handling of the complexities of human relationships, To the Lighthouse has earned its reputation - frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.
