

Emily Winfield Martins Dreamers Board Boxed Set

Part art book, part craft kit, 100% fun: this book contains thirty-two dolls, hundreds of clothing and accessory options, how-to for custom dolls and clothes and craft projects. A short time ago, the author discovered that there is a hidden demand for paper dolls when she listed a set of three in her shop (for \$16) and promptly sold hundreds. Some people played with them and some framed them. This book was created as a grander version of her successful experiment. Fans will snap up this book for the original art alone, while crafters will love the easy approach to making customised paper projects. Readers can copy pages as templates, but they can also cut pages straight from the book! With 32 pages of cardstock, readers just need scissors and glue to get started on a craft project. Once the doll(s) are created they can be used for scrap-booking, greetings cards (think customised wedding invitations made easy), frameable family portraits and more. From the instructions for using inks and paint for custom dolls and clothes to the craft projects themselves, this is a sophisticated take on a nostalgic craft.

Born on December 3rd? You're an ambitious, hardworking "idea person" and a dynamic leader. Born on December 14th? You're the "traveling salesperson" of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking, but which day of the month you're born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you're a skilled negotiator with a gift for making money. But if you were born just four days later, you're a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring.

In the spirit of such bedtime favorites as Emily Winfield Martin's Day Dreamers, here is a quintessential end-of-day by the beach lovingly captured and perfect for reading aloud. This simple, lyrical picture book is as warm, reassuring, and filled with joy as a vacation at the beach. Readers will join a little girl and her siblings as they wind down from a perfect day—hanging up towels, eating dinner, and getting ready for bed—each activity sparking a memory of their day—playing catch with the dog, chasing waves, and looking at sailboats along the shore. And when the lights of the family beach house go off—"In the dusky evening light, a sleepy house says goodnight"—young listeners will be lulled to sleep themselves.

A Journey of Imagination

"By turns heartwarming and laugh-out-loud funny," —Kristin Rockaway, author of How To Hack a Heartbreak "Sensitive, thoughtful, and touching," —Library Journal A young widow must face the grief she's always set aside when an unexpected delivery throws her life into disarray Twenty-nine-year-old Charlotte Rosen has a secret: she's a widow. Ever since the fateful day that leveled her world, Charlotte has worked hard to move forward. Great job at a hot social media analytics company? Check. Roommate with no knowledge of her past? Check. Adorable dog? Check. All the while, she's faithfully date-crunched her way through life, calculating the probability of risk—so she can avoid it. Yet Charlotte's algorithms could never have predicted that her late husband's ashes would land squarely on her doorstep five years later. Stunned but determined, Charlotte sets out to find meaning in this sudden twist of fate, even if that includes facing her perfectly coiffed, and perfectly difficult, ex-mother-in-law—and her husband's best friend, who seems to become a fixture at her side whether she likes it or not. But when her quest reveals a shocking secret, Charlotte is forced to answer questions she never knew to ask and to consider the possibility of forgiveness. And when a chance at a new life arises, she'll have to decide once and for all whether to follow the numbers or trust her heart.

Illustrations and simple, rhyming text reveal a parent's musings about what a child will become, knowing that the child's kindness, cleverness, and boldness will shine through no matter what, as will the love they share.

As we see a shift of old forms that were once the foundations of our daily lives, parents—who must prepare the next generation to meet the changing world—have more questions today than ever before. Although our cultural values and family structures may change, it is the atmosphere in the home that continues to form the foundation of a child's life. In Heaven on Earth, parent and educator Sharifa Oppenheimer reveals how parents can make the home environment warm, lively, loving, and consistent with their highest ideals. Heaven on Earth balances a theoretical understanding of child development with practical ideas, resources, and tips that can transform family life. Readers will learn how to create the regular life rhythms needed to establish a foundation for learning; how to design indoor play environments that allow children the broadest development of skills; and how to create outdoor play spaces that encourage vigorous movement and a wide sensory palette. Through art, storytelling, and the festival celebrations, this book is an invaluable guide to building a "family culture" based on the guiding principle of love—a culture that supports children and encourages the free development of each unique soul. Sharifa Oppenheimer offers a gift from the heart. Heaven on Earth is a practical, inspiring resource that brings the author's adorable animals, children, landscapes, and mythical beasts, this collection will fill a child's room with color and magic.

I have seen in any book for parents. Her book, is a ready guide that insures joyful, enthusiastic children who learn easily and contribute to their families and society for a lifetime. I have delighted in every page and feel this is absolutely A must read for parents, grandparents, teachers, and perhaps everyone who will ever touch the life of a child." —Carla Hannaford, Ph.D., biologist and international educational consultant to 32 countries and author of Smart Moves: Why Learning Is Not All in Your Head and Awakening the Child Heart, Handbook for Global Parenting "This delightful book will be a wonderful resource for parents. They will certainly appreciate its warm, friendly, personal, and reassuring tone. I would have loved such a book when I was a young mother! For those whose children already attend Waldorf programs, it provides a helpful resource for creating a bridge between home and kindergarten. For others, this lovely book offers wonderful glimpses into the wise and nurturing practices of Waldorf early childhood education. In a world where childhood is increasingly 'media'ed and 'adult'erated, this book offers much-needed support for the protection of childhood." —Susan Howard, chairperson, Waldorf Early Childhood Association of North America and coordinator, International Association for Steiner/Waldorf Early Childhood Education "Being a parent is a challenging assignment, but with the help of Sharifa Oppenheimer's book, Heaven on Earth, our work immediately becomes easier. This book is both heartfelt and practical. It offers sound parenting principles with down-to-earth examples of how to raise children with both insight and grace." —Jack Petrash, director, Nova Institute, and author, Navigating the Terrain of Childhood: A Guidebook for Meaningful Parenting and Heartfelt Discipline

Go on a journey of discovery, magic, science, and hope with this remarkable debut novel about a girl's powerful connection to a mysterious lake. Twelve-year-old Addie should stay away from Maple Lake. After all, her twin brother, Amos, drowned there only a few months ago. But its crisp, clear water runs in Addie's veins, and the notebook Amos left behind -- filled with clues about a mysterious creature that lives in the lake's inky-blue depths -- keeps calling her back. So despite her parents' fears, Addie accepts a Young Scientist position studying the lake for the summer, promising she'll stick to her job of measuring water pollution levels under adult supervision. Still, Addie can't resist the secrets of Maple Lake. She enlists the lead researcher's son, Tai, to help her investigate Amos's clues. As they collect evidence, they also learn that Maple Lake is in trouble -- and the source of the pollution might be close to home. Addie finds herself caught between the science she has always prized and the magic that brings her closer to her brother, and the choice she makes will change everything.

Dixie After the War An Exposition of Social Conditions Existing in the South, During the Twelve Years Succeeding the Fall of Richmond

Timed to every short acclaimed musician John Southworth will tweak your mind and peak your imagination. Meet the boy with grey hair, who spends his days on a cargo ship peeling potatoes, a strange man who keeps a Ferris wheel in his backyard, and a whale that lives in a manmade lake on the top of a faraway hill. Chock-full of details in their brevity, they beg to be mused over. Equally intriguing and unusual black and white illustrations by David Outmet bright the strange, bizarre characters to life. Like songs, these stories and the accompanying illustrations are evocative without limiting, and beg to be replayed.

'Trolls for Trump', virtual rape, fake news - social media discourse, including forms of virtual and real violence, has become a formidable, yet elusive, political force. What characterizes online virioli? How do we understand the narratives generated, and also address their real-world - even life-and-death - impact? How can hatred, bullying, and dehumanization on social media platforms be addressed and countered in a post-truth world? This book unpicks discourses, metaphors, media dynamics, and framing on social media, to begin to answer these questions. Written for and by cultural and media studies scholars, journalists, political philosophers, digital communication professionals, activists and advocates, this book makes the connections between theoretical approaches from cultural and media studies and practical challenges and experiences "from the field", providing insight into a rough media landscape.

Set against the tensions of Civil Rights era America, Dreamer is a remarkable fictional excursion into the last two years of Martin Luther King Jr.'s life, when the political and personal pressures on this country's most preeminent moral leader were the greatest. While in Chicago for his first northern campaign against poverty and inequality, King encounters Chaym Smith, whose startling physical resemblance to King wins him the job of official stand-in. Matthew Bishop, a civil rights worker and loyal follower of King, is given the task of training the smart and deeply cynical Smith for the job. In doing so, Bishop must face the issue of what makes one man great while another man can only stand in for greatness. Provocative, heartfelt, and masterfully rendered, Charles Johnson confirms yet again that he is one of the great treasures of modern American literature.

The New York Times bestseller that celebrates the dreams, acceptance, and love that parents have for their children . . . now and forever. This is the perfect heartfelt gift for any special occasion, from birthdays to graduations, and celebrating new babies and other new beginnings. From brave and bold to creative and clever, Emily Winfield Martin's rhythmic rhyme expresses all the loving things that parents think of when they look at their children. With beautiful, lush illustrations and a stunning gatefold that opens at the end, this is a book that families will love reading over and over. The Wonderful Things You Will Be has a loving and truthful message that will endure for lifetimes and makes a great gift to the ones you love for any occasion.

This beautiful picture book is about the many forms of friendships there are between creatures, and the many ways of expressing this friendship. Join two friends as they journey through the seasons together, through birthdays and dark patches, daily chores and spontaneous treats. Although they are both quite different, Emmet and Caleb are very close friends _ next door neighbours, in fact! Unsurprisingly, they spend most of the year together. Emmet wakes up bright and early, but Caleb likes to watch the stars and sleep all morning. This doesn't stop them doing plenty together. But when friends are so close, there can often be problems with communication.
