

## Employee Performance Review Guide Oklahoma Baptist University

**Radical Candor is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism, delivered to produce better results and help employees develop their skills and boundaries of success. Great bosses have a strong relationship with their employees, and Kim Scott Malone has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience, and distilled clearly to give actionable lessons to the reader, Radical Candor shows how to be successful while retaining your integrity and humanity. Radical Candor is the perfect handbook for those who are looking to find meaning in their job and create an environment where people both love their work, their colleagues and are motivated to strive to ever greater success.**

The performance review. It is one of the most insidious, most damaging, and yet most ubiquitous of corporate activities. We all hate it. And yet nobody does anything about it. Until now... Straight-talking Sam Culbert, management guru and UCLA professor, minces no words as he puts managers on notice that -- with the performance review as their weapon of choice -- they have built a corporate culture based on intimidation and fear. Teaming up with Wall Street Journal Senior Editor Lawrence Rout, he shows us why performance reviews are bogus and how they undermine both creativity and productivity. And he puts a good deal of the blame squarely on human resources professionals, who perpetuate the very practice that they should be trying to eliminate. But Culbert does more than merely tear down. He also offers a substitute -- the performance preview -- that will actually accomplish the tasks that performance reviews were supposed to, but never will: holding people accountable for their actions and their results, and giving managers and their employees the kind of feedback they need for improving their skills and to give the company more of what it needs. With passion, humor, and a rare insight into what motivates all of us to do our best, Culbert offers all of us a chance to be better managers, better employees and, indeed, better people. Culbert has long said his goal is to make the world of work fit for human consumption. "Get Rid of the Performance Review!" shows us how to do just that.

PMBOK® Guide is the go-to resource for project management practitioners. The project management profession has significantly evolved due to emerging technology, new approaches and rapid market changes. Reflecting this evolution, The Standard for Project Management enumerates 12 principles of project management and the PMBOK® Guide & – Seventh Edition is structured around eight project performance domains. This edition is designed to address practitioners' current and future needs and to help them be more proactive, innovative and nimble in enabling desired project outcomes. This edition of the PMBOK® Guide: • Reflects the full range of development approaches (predictive, adaptive, hybrid, etc.); • Provides an entire section devoted to tailoring the development approach and processes; • Includes an expanded list of models, methods, and artifacts; • Focuses on not just delivering project outputs but also enabling outcomes; and • Integrates with PMStandards+™ for information and standards application content based on project type, development approach, and industry sector.

**Psychology is of interest to academics from many fields, as well as to the thousands of academic and clinical psychologists and general public who can't help but be interested in learning more about why humans think and behave as they do. This award-winning twelve-volume reference covers every aspect of the ever-fascinating discipline of psychology and represents the most current knowledge in the field. This ten-year revision now covers discoveries based in neuroscience, clinical psychology's new interest in evidence-based practice and mindfulness, and new findings in social, developmental, and forensic psychology.**

**Bruce Tulgan shows bosses how to get things done by solving corporate America's huge problem with simple, effective management. In this call-to-arms, consultant and speaker Bruce Tulgan puts his finger on biggest problem in corporate America: no one wants to be the boss. No one wants to take responsibility and tell their employees what to do and how to do it. More importantly, no one wants to follow up and make sure that assignments were done and done right. Making a clear distinction between managers who interfere with the work at hand and managers who are simply afraid to take charge by setting clear goals and evaluating work, Tulgan opens eyes to the undisciplined workplace that is frustrating workers at every level. Giving a clear 8-step path to becoming a strong manager, Tulgan will empower anyone to be the best bosses they can be.**

The Step-by-Step Guide to Becoming the Manager Your Employees Need

199 Pre-written Employee Performance Appraisals

Ask a Manager

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being over-the-top • you're a boss • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work e of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager” is a must-read for anyone in the workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

What really sets the best managers above the rest? It's their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life, often unwittingly. As Teresa A. Amabile and Steven D. Kramer show in this eye-opening, groundbreaking book, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstration. From the companies studied, The Progress Principle equips aspiring and seasoned leaders alike with the insights they need to maximize their people's performance.

Using Small Wins to Ignite Joy, Engagement, and Creativity at Work

Ulrich's International Periodicals Directory

No matter what type of business or even nonprofit organization you are managing, a written performance appraisal is good management. Employee reviews can serve as a platform for employees to bring forth questions and concerns. This can help increase employee dedication, creativity, and job satisfaction. Reviews allow you to evaluate employees for increased responsibilities and future promotions. You will have written records of your employees performance, get more productivity, and clearly set compensation. Employee appraisals are critical to your organization, but are time-consuming to write. This new book and companion CD-ROM is your solution. You will produce professional-quality performance reviews in minutes. The book provides over 199 pre-written employee phrases you can insert into a blank employee appraisal form. The evaluations are professional, constructive, and direct. See the accompanying CD-ROM for 25 different categories to evaluate your employee in. Each category includes at least 8 different phrases you can choose from to describe your employees performance in that category. Pick and choose which categories you would like to include in your employees performance appraisal and how you want to describe your employees performance in that category and then just insert them all into the prepared appraisal form. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

The key difference between a highly successful organization raising bars at every turn and one that limps along just happy to reach its quarterly goals--most of the time--might very well be how they address performance reviews. Are they just a perfunctory, annual “check-off,” with no other goal than to justify salary increases, or does the organization truly know how to manage and measure its employees' performances in order to best impact a company's bottom line?In The Performance Appraisal Tool Kit, readers will discover a customizable appraisal template covering the essential areas of performance and conduct and learn how they can adapt it to fit varying business strategies. After all, every organization is a unique entity, therefore, the performance appraisal plan must also be unique to its company. In order to find the process that best increases efficiency and effectiveness in your workplace, learn how to:• Profile ideal employee performance and behavior • Design competencies that power performance, both at the individual and enterprise level • Drive future change by setting your organization's strategic direction • Retool the appraisal as needed to ratchet up expectations over time• And moreThere's nothing more valuable to a company in the long-term than a motivated and dedicated workforce. This forward-thinking, one-of-a-kind guide gives you the resources you need to construct a performance appraisal program that will accommodate market changes, revised priorities, and increasing productivity targets--and in the end, will lift your organization to a higher level.

A Guide to Progressive Discipline and Termination

An Introduction

Get Rid of the Performance Review!

Checklist of State Publications

Oklahoma, a History of Five Centuries

*Do you supervise people? If so, this book is for you. One of a manager's toughest—and most important—responsibilities is to evaluate an employee's performance, providing honest feedback and clarifying what they've done well and where they need to improve. In How to Be Good at Performance Appraisals, Dick Grote provides a concise, hands-on guide to succeeding at every step of the performance appraisal process—no matter what performance management system your organization uses. Through step-by-step instructions, examples, do-and-don't bullet lists, sample dialogues, and suggested scripts, he shows you how to handle every appraisal activity from setting goals and defining job responsibilities to evaluating performance quality and discussing the performance evaluation face-to-face. Based on decades of experience guiding managers through their biggest challenges, Grote helps answer the questions he hears most often: • How do I set goals effectively? How many goals should someone set? • How do I evaluate a person's behaviors? Which counts more, behaviors or results? • How do I determine the right performance appraisal rating? How do I explain my rating to a skeptical employee? • How do I tell someone she's not meeting my expectations? How do I deliver bad news? Grote also explains how to tackle other thorny performance management tasks, including determining compensation and terminating poor performers. In accessible and useful language, How to Be Good at Performance Appraisals will help you handle performance appraisals confidently and successfully, no matter the size or culture of your organization.*
