Awe and exhilaration--along with heartbreak and mordant wit--abound in Lolita, Nabokov's most famous and controversial novel, which tells the story of the aging Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. Lolita is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love--love as outrage and hallucination, madness and transformation.

Almost three centuries have passed since the oldest manuscript of "The Thousand and One Nights" arrived in Europe. Since then, the "Nights" have occupied the minds of scholars world-wide, in particular the questions of origin, composition, language and literary form. In this book, Muhsin Mahdi, whose critical edition of the text brought so much praise, explores the complex literary history of the "Nights," bringing to fruition the search for the archetype that constituted the core of the surviving editions, and treating the fascinating story of the growth of the collection of stories that we now know as "The Thousand and One Nights,"

The Mexican Drug Lords And Their Godfathers

The novel " First Love " was Turgéniéff ' s favourite work, as he more than once confessed. What the author prized in this purely intimate but beautifully finished story was its fidelity to actuality; that is to say, he prized the personal recollections of early youth. In that respect this story has a prominent interest for readers, since it narrates—according to the testimony of the author—an actual fact in his life, and that without the slightest artificial colouring.[1] To what degree Turgéniéff ' s testimony is credible, remarks one critic, is a question which can be rightly decided only by biographical documents. Famous writers are particularly inclined by nature to romantic coquetry with their own personalities—a characteristic which was, apparently, to some extent, inherent in Turgéniéff, despite his renowned modesty. Famous writers are fond of leading their contemporaries—and still more posterity—astray with regard to the reflection of intimate details of (v)their lives in their artistic works.... At any rate, Russian artistic productions, in which the authors have endeavoured to set forth biographical details, must be scrutinised with extreme cautiousness. The author, while imagining that he is thoroughly sincere, may involuntarily indulge in inventions concerning himself. But in its literary aspect this story indubitably is one of Turgéniéff ' s masterpieces, and in it the original character of its chief heroine, Princess Zinaïda Zasyékin, is depicted with remarkable clearness and charm.... The artist threw off this light and elegant little intimate study by way of relaxation after " On the Eve, " a romance dealing with a broad social problem, and by way of preparation for a new work, still more serious in intention, " Fathers and Children. "

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

In Many Lives, Many Masters, Brian Weiss opened an unexpected door into the astonishing realm of past-life regression. Now he reveals the miraculous potential of love. You'll hear the intimate and startling testimonies of real people who express a profound but simple truth-one that comes from the eternal souls around us. You'll discover what happens to us after we die, strategies for fighting anxiety and healing relationships, and the role of God and self-determination. You'll explore exercises and meditations to tap into the power of love and utterly transform your life. The Messages from the Masters are here. Are you ready for them?

The timeless and practical advice in The Magic of Thinking Big clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you ' ll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make " action " a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big, " says Schwartz. " The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

The Billionaire's Obsession:

Atonement

This sheikh must marry the mother of his child! Twenty-four hours before he's to formally announce his engagement to the bride his father has chosen, Sheikh Kadin Gabriel ben Kadir gives in to a rare moment of temptation. But when one night with Sarah Duval leads to pregnancy, he vows he'll be part of mother and child's life. His plan: replace one political marriage for another. He'll wed the captivating history teacher who arouses such powerful desire and keep his heart out of the bargain. But Sarah wants a soul mate. How can she promise forever to a man who has sworn never to be ruled by love?

THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS" (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bola ñ o's life, 2666 was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban sprawl of SantaTeresa—a fictional Ju á rez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.

Will the billionaire unraveling this single mother's secrets destroy their last chance at love? Billionaire businessman Alex Rush had no clue the woman he'd once loved was now a mother. And, after doing the math, he discovered Yelena must have already been pregnant—with another man's child—when she was declaring her love for Alex. Although he'd tracked her down for an entirely different reason, uncovering the truth became Alex's top priority. Would seduction bring him closer to Yelena's secrets, or create even more confusion? Suddenly, determining the paternity of one baby girl could destroy a relationship just about to ignite....

NEW YORK TIMES BESTSELLER • From the author of The House of the Spirits, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. "One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career."—The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Esquire • Good Housekeeping • Parade In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: "the long petal of sea and wine and snow." As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, A Long Petal of the Sea shows Isabel Allende at the height of her powers. Praise for A Long Petal of the Sea "Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now."—J. Courtney Sullivan, author of Saints for All Occasions "This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time."—Colum McCann, National Book Award – winning author of Let the Great World Spin

Secrets of the Millionaire Mind

Submissive Kidnapped and Sold to the Millionaire Master

The Richest Man In Babylon

Think and Grow Rich

THE GREAT GATSBY

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

An odorless baby found orphaned in a Paris gutter in 1738 grows to become a monster obsessed with his perfect sense of smell and a desire to capture, by any means, the ultimate scent that will make him human. Reader's Guide available. Reprint. 20,000 first printing.
