"If there were a Guinness Book of World Records entry for 'amount of times having prayed the sinner's prayer,' I'm pretty sure I'd be a top contender," says pastor and author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. "Lack of assurance" is epidemic among evangelical Christians. In Stop Asking Jesus Into Your Heart, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are

Where To Download Enchantress The Evermen Saga Book 1

sometimes misleading. The idea of “asking Jesus into your heart” or “giving your life to Jesus” often gives false assurance to those who are not saved—and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can

Where To Download Enchantress The Evermen Saga Book 1

lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults. This is a unique book that argues that mothers

who are critical thinkers and who take a stance against social pressures to be perfect mothers experience a sense of empowerment. The book is based and expands on qualitative research that explored the experience of mothers who resist the current discourse on mothering. Through the Maze of Motherhood conveys what it is like to resist a strong societal discourse and how some mothers have managed to navigate the intricacies of the process of resistance. This book also dispels the belief that there is one right way to mother and, therefore, suggests that a process of questioning and resisting the current myths

may result in a more autonomous, agency driven, and empowered way to mother. This book will not only encourage resistance that can lead to freedom from the oppression of the discourse, but that it will also persuade women to refrain from judging one another and develop a strong community with a strong voice against the ideal of the perfect mother. Through the Maze of Motherhood gives voice to mothers who are in a process of resistance to the discourse on mothering and it unpacks the many benefits, intricacies, challenges, and struggles they experience. Moreover, the book provides evidence for the notion that critical
