

End The Affair

This is a 2-book combo, which has the following titles: Book 1: How do you prevent an affair? And if one happens anyway, then how do you heal from unfaithfulness? These are two questions that have been asked by many but answered by few. The goal of this guide is to help you understand the answers to these questions, although simplified, and expand on these issues as well. Is just flirting harmful? And if so, to what extent? What do you do if your partner is having an affair? Do most affairs end in divorce, or is a marriage still salvageable after such infidelity? Don't worry, in this brief book, we will go into all these things. Book 2: This guide will help you understand various factors of affairs that you may have never thought about before! When it comes to affairs, there are so many things involved. And one of the reasons why they don't get dealt with in the right way, is the misinformation, or perhaps the lack of information out there. Many people, for example, may wonder how you can take full responsibility for your actions. Others may be on the fence or might be in the dark when it comes to recognizing the signs. And some may even wonder what will happen to the man or woman the cheater has cheated with. Why do people have affairs? What is behind all this? How can it end, and what are the consequences? These questions and many of the abovementioned subtopics will be addressed, so don't wait and get started!

A woman recounts her summer internship at the White House during which she engaged in an affair with the president of the United States that, when exposed, destroyed her and the presidency and tries to make sense of her actions and the trauma it wrought for the world and for herself.

Everyone has their own concept of what "monogamy" means—and most people assume their partners and spouses are on the same page. Couples may assume that they are monogamous, but never discuss exactly what the monogamy agreement means to them. What happens when this implicit agreement is broken? After infidelity, relationships can become strained as both partners lose trust and faith in each other. The New Monogamy offers a way out of these difficulties for couples struggling to stay together after infidelity. Couples make these implicit assumptions and agreements explicit so that each partner knows exactly what is expected of them in the future and what they can expect from their partner. Author Tammy Nelson helps couples regain trust, romance, and intimacy after infidelity by redefining the monogamy contract. The new monogamy contract is an explicit relationship agreement created after the affair that allows each partner to openly, honestly, and safely share their desires, expectations, and limitations. This agreement does not create an open marriage, but rather, an open conversation wherein each partner can have a say in setting the ground rules for their relationship. The book first helps couples rebuild trust after the affair, then engages in a series of Imago dialogues based on questions about what each partner really wants in the relationship, not what you think you should want or what a partner wants you to want. The New Monogamy includes questionnaires, checklists, and candid

questions for partners to ask that help welcome complete honesty and trust back into the relationship. Then, the book helps couples make an erotic recovery from infidelity by addressing erotic problems that may surface and offers advice for helping couples return to desiring and trusting one another. After an affair, it's impossible to go back to the way the relationship was before, but this book offers the chance for a new beginning.

Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to:

- Identify the core master conflict that is causing your relationship problems
- Understand the origins of your conflict and how it drew you to your partner
- Diagnose how the conflict is now pushing you apart
- Come to new terms with the conflict to save your relationship

As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience. Redefining Your Relationship After Infidelity

Your Guide to Saving Your Marriage After Emotional Or Physical Infidelity

"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--

If a sophisticated beauty proposes a clandestine affair, could even the most proper gentleman resist? New York Times bestselling author Candace Camp concludes her scintillating Willowmere series with a seductive tale of an alluring lady who dares to break the rules. . . . When Oliver, Earl of Stewkesbury, asks the dashing Lady Vivian Carlyle to ensure that his American cousins meet the cream of London society, he doesn't anticipate the danger she will pose to his own self-control. Thrown into intimate contact with the lovely lady, Oliver finds he cannot stop thinking of Vivian—of her wit, of her smile . . . of her lips. And when Vivian, who has sworn never to subject herself to the bonds of matrimony, boldly suggests that she and Oliver become lovers instead, her scandalous proposal is temptation indeed! But with an alarming series of jewel thefts rocking London, the ever-outrageous Vivian insists on trying to discover the perpetrator despite Oliver's admonitions. And when a bold lady steps into danger, it is a gentleman's duty to protect her at all costs. What neither Oliver nor Vivian can anticipate, however, is that the ultimate cost may be both their hearts. . . .

In England during World War II, an American writer and the bored wife of a British civil servant fall in love, then she mysteriously ends the affair.

Infidelity is common, occurring in over half of all marriages. And it is one of life's most painful experiences for everyone involved--the betrayed spouse, the children, the extended family members, and even the lover and wayward spouse. With all that sadness, why do people have affairs? And once trust is broken, how can a couple reconcile? In *Surviving an Affair*, Drs. Harley and Chalmers describe the most common types of affairs, the reasons they begin and end, the best way to end them, and the best way to restore a marriage after an affair. But most importantly, they help readers survive the ordeal by providing them with step-by-step guidance that minimizes suffering and offers hope for rebuilding a loving and trusting marital relationship.

The Secret Confessions of Men Who Stray

What Happened to Sophie Wilder

"All happy families resemble one another, each unhappy family is unhappy in its own way." —Leo Tolstoy
As a writer, Celia Bayley's insights into the ways of the human heart made her famous. And why not? She had married a handsome war hero and produced three successful children. Yet, as her family gathers for her funeral, the diaries and notebooks and letters she left behind paint a very different picture, one that shocks those who loved her and will force them to confront the difficult conflicts in their own lives. A life torn by secrets is revealed. The husband she adored had deceived her early in their marriage and broken her heart, though they persevered as a family. Then, years later while on a trip with friends, she meets a man for whom she feels a passion she never believed possible. In one brief moment, her whole life is turned inside out. Utterly compelling and beautifully written, *The Affair* makes vividly real the agonizing choice one woman must make. Powerful and moving, the novel is about marriage, families, and the definition of happiness.

The End of the Affair Open Road Media

Collects inspirational, historical, and humorous letters from women written to men at the end of a relationship, including those of Agnes Von Kurowsky to Ernest Hemingway, Rebecca West to H. G. Wells, and Monica Lewinsky to Bill Clinton. Reprint.

Infidelity does not have to be the end of your marriage. Your marriage can recover and thrive after an affair. But only when you get to the roots of the problem, solve the issues, rebuild trust, and learn to move forward. Unfortunately, many marriages end needlessly after infidelity. Often, this is a result of not knowing there is another option. This is complicated by not having access to tools and understanding that can heal a marriage. In fact, those tools can help a marriage move toward greater health than was there before the affair. Dr. Lee Baucom provides a roadmap for dealing with physical or emotional infidelity. His book can provide guidance on how to confront an affair, how to understand the reasons behind the affair, and how to move forward through a healing process. His approach gives resources to both the person who had the affair and the spouse. Additionally, Dr. Baucom provides a special Question and Answer bonus to readers that covers common questions from other readers. Your marriage CAN survive an affair. In fact, it can be stronger than before the infidelity. You just need the tools and guidance to get there. Find those tools in this book.

Will He Really Leave Her For Me?

How We Found a Second Chance at Our Marriage--and You Can Too

One of the world's leading experts on infidelity provides a step-by-step guide through the process of infidelity—from suspicion and revelation to healing, and provides profound, practical guidance to prevent infidelity and, if it happens, recover and heal from it. You're right to be cautious when you hear these words: "I'm telling you, we're just friends." Good people in good marriages are having affairs. The workplace and the Internet have become fertile breeding grounds for "friendships" that can slowly and insidiously turn into love affairs. Yet you can protect your relationship from emotional or sexual betrayal by recognizing the red flags that mark the stages of slipping into an improper, dangerous intimacy that can threaten your marriage.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

During and after the Second World War, there was a concerted thinking about religion in Britain. Not only were leading international thinkers of the day theologians--Ronald Niebuhr, Paul Tillich, Jacques Maritain--but leading writers contributed to discussions about religion. Graham Greene, Muriel Spark, and Barbara Pym incorporated miracles, evil, and church-going into their novels, while Louis MacNeice, T. S. Eliot, and C. S. Lewis gave radio broadcasts about the role of Christianity in contemporary society. Certainly the war revived interest in aspects of Christian life. Salvation and redemption were on many people's minds. The Ministry of Information used images of bombed churches to stoke patriotic fervour, and King George VI led a series of Days of National Prayer that coincided with crucial events in the Allied campaign. After the war and throughout the 1950s, approximately 1.4 million Britons converted to Roman Catholicism as a way of expressing their spiritual ambitions and solidarity with humanity on a world-wide scale. Religion provided one way for writers to answer the question, 'what is man?' It also afforded ways to think about social obligation and ethical engagement. Moreover, the mid-century turn to religion offered ways to articulate statehood, not from the perspective of nationhood and politics, but from the perspective of moral action and social improvement. Instead of being a retreat into seclusion and solitude, the mid-century turn to religion is a call to responsibility.

"Little compares to the devastation people feel upon discovering their spouse has been unfaithful. Shocked, devastated and overwhelmed, couples often hit stalemates as they struggle to get past intense emotional pain, mistrust, resentment and never-ending arguments about the betrayal. Based on over three decades of experience helping couples recover from betrayal and save their marriages, Weiner-Davis offers a step-by-step program to help readers: - Deal with traumatic feelings after the discovery - Respond to questions about the affair - Talk about intense emotions without arguing - End the affair - Offer apologies that are sincere and healing - Overcome flashbacks and painful memories - Rebuild trust and accountability - Make their marriage stronger than before the affair - Find forgiveness - Reconnect sexually This book is filled with case vignettes of couples whose lives were shattered by betrayal but have eventually recovered and thrived."--Publisher's description.

Coping with Infidelity and a Difficult Marriage

How to Recognize Emotional Infidelity and What to Do About It

Discovering that a partner has been unfaithful hits you like an earthquake. Long after the first jolt, emotional aftershocks can make it difficult to be there for your family, manage your daily life, and think

clearly about your options. Whether you want to end the relationship or piece things back together, Getting Past the Affair guides you through the initial trauma so you can understand what happened and why before deciding how to move forward. Based on the only program that's been tested--and proven--to relieve destructive emotions in the wake of infidelity, this compassionate book offers support and expert advice from a team of award-winning couple therapists. If you stay with your spouse, you'll find realistic tips for rebuilding your marriage and restoring trust. But no matter which path you choose, you'll discover effective ways to recover personally, avoid lasting scars, and pursue healthier relationships in the future. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit

The conservative founding editor of The National Review describes his sailing trip from Lisbon to the Caribbean, following the route taken by Columbus 498 years earlier, reflecting on his musical ambitions, friends, marriage, and more. 50,000 first printing. \$50,000 ad/promo.

This is a true story that every husband and wife should read. Bob and Audrey Meisner had it all: a fruitful ministry, three beautiful children, a picture-perfect marriage. Their future seemed secure and their prospects bright-- until adultery threatened to bring it all crashing down. Faced with the greatest personal crisis of their lives, Bob and Audrey found hope and rescue through godly counsel and through learning the biblical principle of covering to protect their marriage and their family.

Reminiscent of Three Women and The State of Affairs—and based on years of research and in-depth interviews with more than sixty men—this eye-opening and explosive study explores why men cheat, how they do it, and the repercussions that infidelity has on every aspect of life. It is estimated that one in four married men cheat on their wives. Of those, roughly half claim that they are “very happy” in their marriages. So why risk ruining it all? Is it the sex? The affirmation? The danger? Yes, it's all of that. But it's also so much more. The author of this book has conducted a series of in-depth interviews with men and women of all ages and backgrounds who have cheated in the past or are currently cheating on their spouses. They talked openly and intimately about details of their affairs, and the emotions that they experience before, during, and after. The book breaks down the five major categories of cheaters, defines the typical cheater personality, and looks at how husbands can cheat while also loving their wives. It reveals the tips and tricks spouses use to get away with secret affairs and examines everything from the influence of cheating parents on their children to the possible outcomes once an affair is

discovered. This unfiltered window into the hearts and minds of men explores the psychological roots of cheating and proposes a new vision of masculinity that is more emotionally aware and could significantly change relationships for the better.

Recovering from the Affair

The End of the Affair

"Everything starts somewhere. . . .For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared."--Provided by publisher.

Winner of the 2011 Man Booker Prize By an acclaimed writer at the height of his powers, The Sense of an Ending extends a streak of extraordinary books that began with the best-selling Arthur & George and continued with Nothing to Be Frightened Of and, most recently, Pulse. This intense new novel follows a middle-aged man as he contends with a past he has never much thought about—until his closest childhood friends return with a vengeance, one of them from the grave, another maddeningly present. Tony Webster thought he'd left all this behind as he built a life for himself, and by now his marriage and family and career have fallen into an amicable divorce and retirement. But he is then presented with a mysterious legacy that

obliges him to reconsider a variety of things he thought he'd understood all along, and to revise his estimation of his own nature and place in the world. A novel so compelling that it begs to be read in a single sitting, with stunning psychological and emotional depth and sophistication, The Sense of an Ending is a brilliant new chapter in Julian Barnes's oeuvre. Whether the reader suspects his or her partner of cheating, or is the one who's been engaging in a secret affair, Meyers describes the process of discovery, confrontation, confession, and healing that can save a relationship and make it even better.

The Divorce Busting® Guide to Rebuilding Your Marriage After an Affair

Rethinking Infidelity

NOT "Just Friends"

Understanding Your Situation, Making Decisions for Your Happiness

An attractive young couple, Jeff and Cheryl Scruggs seemed to have it all: professional success, adorable twin daughters, and a good marriage. But their picture-perfect image concealed a widening chasm between two people unable to connect on an intimate, soul-deep level. Ten disappointing years of marriage. Seven painful years of divorce. One remarkable, true-life story of a love rescued by God. After years of frustration, Cheryl's longing for emotional fulfillment led to an affair and, finally, a divorce that left Jeff utterly devastated and seething with anger. Yet, incredibly, seven years later, Jeff and Cheryl once again stood at the altar, promising to "love, honor, and cherish" one another. A new and vibrant love had risen out of the ashes of this family's pain. I Do Again reveals the hidden secrets that slowly destroyed this marriage and the spiritual awakening that opened the way to healing. A riveting account of the power of prayer and redemption, this remarkable book offers renewed hope for even the most troubled marriages—and reveals why the rewards of restoration are well worth the wait.

She's an author. She's a mother. She's a wife. She's a fraud, a woman marked and bound by her own deceit. Experience the astounding tale of how Anonymous battled through a year of scandals and betrayals, how her world fell from its axis with a single choice, and how she lost herself between reality and fantasy.

The Custom of the Country by Edith Wharton Considered by many to be her masterpiece, Edith Wharton's second full-length work is a scathing yet personal examination of the exploits and follies of the modern upper class. As she unfolds the story of Undine Spragg, from New York to Europe, Wharton affords us a detailed glimpse of what might be called the interior d cor of

this America and its nouveau riche fringes. Through a heroine who is as vain, spoiled, and selfish as she is irresistibly fascinating, and through a most intricate and satisfying plot that follows Undine's marriages and affairs, she conveys a vision of social behavior that is both supremely informed and supremely disenchanted. - Anita Brookner We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Nothing compares to the heartbreak that people experience when they realize their partner has been unfaithful. Couples who are shocked, distraught, and overwhelmed frequently come to a standstill as they try to overcome deep emotional pain, mistrust, animosity, and never-ending fights about the betrayal. Overcome terrible memories and flashbacks restore trust and accountability in their relationship and make it stronger than it was before the affair. Look for forgiveness. Sexually reconnect. With the release of AFTER THE AFFAIR HEALING FROM INFIDELITY, here is practical guidance for those who are desperate to get over the pain of infidelity and repair their relationship. Discover the secrets of how to successfully rebuild your marriage after infidelity. How to avoid the pitfalls that destroy marriages after infidelity. Important recommendations after discovery, steps for recovery after the heartbreak and depression. How the cheating partner can help you heal from his unfaithfulness. How to prevent the infidelity from reoccurring or preventing it from happening in the first place. Skills to make your partner accountable to you to forestall reoccurrence. Ways to repair the damage caused by your partner's lies.

A Grain of Faith

Ending the Love Affair with the Automobile

An Affair Without End

Divorce Your Car!

A Jack Reacher Novel

A Novel

Not My Affair

The Emotional Affair is the only book on the market for couples seeking to cope with and recover from one partner's emotional affair. Although emotional affairs often do not include physical intimacy, they can take away

from the relationship by encouraging one partner to get his or her emotional needs met elsewhere, and by bringing secrecy and deception into the relationship, which damages trust just as surely as if the partner had slept with the other person. Emotional affairs share three characteristics: □Emotional intimacy. Transgressors share more of their inner self, frustrations and triumphs than with their spouses. They are on a slippery slope when they begin sharing the dissatisfaction with their marriage with a co-worker. □Secrecy and deception. They neglect to say, We meet every morning for coffee. Once the lying starts, the intimacy shifts farther away from the marriage. □Sexual chemistry. Even though the two may not act on the chemistry, there is at least an unacknowledged sexual attraction. Often, people whose partners have emotional affairs either don't feel like they have a right to put an end to it (after all, the other person is just a friend and not a lover), or they have to contend with the cheating person's evasions and justifications (we work together, we're not having an affair), and accusations that the jealousy or insecurity is not justified. It can be difficult to think of an emotional affair as a problem, even if it's causing the partner worry, jealousy, insecurity, and the loss of emotional connection to the cheating partner. This book helps the reader explore whether or not the partner is having an emotional affair and then offers steps to discovering the roots of the problem, making changes in the relationship, discussing the issue with the cheating partner, and recovering from the breach of trust and intimacy caused by the affair.

A world-renowned therapist, Mira Kirshenbaum has treated thousands of men and women caught in the powerful drama over what to do when an affair reaches into their emotional lives. Now, in *When Good People Have Affairs*, Kirshenbaum puts her unsurpassed experience into one clear, calming place. She gives readers everything they need to cut through the thickets of fear, hurt and confusion to find their ways to happier, more solid relationships with the person who's right for them. For example, Kirshenbaum identifies seventeen types of affairs, helping readers figure out which type they're in and what it means. Is it a: --"See-if" affair? --Ejector-seat affair? --Distraction affair? --Unmet-needs affair? --Panic affair? Kirshenbaum encourages honest answers to such questions as: --What am I missing in my marriage? --How do I decide between two people when it's like comparing an apple to an orange? --How do I decide to end my marriage, end my affair, or end them both? She leads readers through six easy-to-navigate steps that will take anyone from anxiety to clarity. *When Good People Have Affairs* will be a lifeline to any man or woman who feels caught between two lovers, and its insights are indispensable to anyone else touched by an affair.

Iconic couples' therapist and bestselling author of *Mating in Captivity* Esther Perel returns with a provocative look at relationships through the lens of infidelity. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden yet universally practiced? Why do people cheat—even

those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us up for betrayal? Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want, and what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining exploration of modern marriage in its many variations. Fiercely intelligent, *The State of Affairs* provides a daring framework for understanding the intricacies of love and desire. As Perel observes, “Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart.”

After the Affair teaches partners how to heal themselves and grow from the shattering crisis of an infidelity. Drawing on thirty-five years as a clinical psychologist, Dr. Spring offers a series of original and proven strategies that address such questions as: Why did it happen? Once love and trust are gone, can we ever get them back? Can I—should I—recommit when I feel so ambivalent? How do we become sexually intimate again? Is forgiveness possible? What constitutes an affair in cyberspace?

The Affair

After the Affair

The novelist Maurice Bendrix's love affair with his friend's wife, Sarah, had begun in London during the Blitz. But, out of the blue, she ended the relationship. Years later, he sends a private detective to follow Sarah and find out the truth. Graham Greene's masterful novel of love and betrayal in World War II London is “undeniably a major work of art” (*The New Yorker*). Maurice Bendrix, a writer in Clapham during the Blitz, develops an acquaintance with Sarah Miles, the b

beautiful wife of a dull civil servant named Henry. Maurice claims it's to divine a character for his novel-in-progress. the first deception. What he really wants is Sarah, and what Sarah needs is a man with passion. So begins a series of trysts doomed by Maurice's increasing romantic demands and Sarah's tortured sense of guilt. Then, after Maurice miraculously survives a bombing, Sarah ends the affair—quickly, absolutely, and without explanation. It's only when M crosses paths with Sarah's husband that he discovers the fallout of their duplicity—and it's more unexpected than M Henry, or Sarah herself could have imagined. Adapted for film in both 1956 and 1999, Greene's novel of all that inspires love—and all that poisons it—is "singularly moving and beautiful" (Evelyn Waugh).

"Ending the Affair is a critical account of the state of current affairs television in Australia today. It questions its future and draws lessons from the past and shows why television current affairs matters."--BOOK JACKET.

A New York Times Book Review Editors' Choice • A Good Morning America Recommended Book • A LitReactor Best Book of the Year • A BuzzFeed Most Anticipated Book of the Year • A Lit Hub Most Anticipated Book of the Year • A Rumpus Most Anticipated Book of the Year • A Bustle Most Anticipated Book of the Month "A pathbreaking feminist manifesto impossible to put down or dismiss. Gina Frangello tells the morally complex story of her adulterous relationship with her ex-husband and her shortcomings as a mother, and in doing so, highlights the forces that shaped, silenced, and shamed her: even misogyny, puritanical expectations regarding female sexuality and maternal sacrifice, and male oppression." —Adrienne Brodeur, author of *Wild Game* Gina Frangello spent her early adulthood trying to outrun a youth marked by poverty and violence. Now a long-married wife and devoted mother, the better life she carefully built is emotionally upended by the betrayal of her closest friend. Soon, awakened to fault lines in her troubled marriage, Frangello is caught up in a recklessly passionate affair, leading a double life while continuing to project the image of the perfect family. When her secrets are finally uncovered, both her home and her identity will implode, testing the limits of desire, responsibility, love, and forgiveness. *Your House Down* is a powerful testimony about the ways our culture seeks to cage women in traditional narratives of sacrifice and erasure. Frangello uses her personal story to examine the place of women in contemporary society: the ways they experience, the rage they suppress, the ways their bodies often reveal what they cannot say aloud, and finally, how they learn to transgress "being good" in order to reclaim your own life.

Thriving in a Culture of Quiet Desperation

A heartfelt exploration of faith and love and friendship, What Happened To Sophie Wilder is a beautiful, absorbing work about the redemptive power of storytelling: a literary love story. Charlie Blakeman has just published his first novel, to almost no acclaim. He's living on New York's Washington Square, struggling with his follow-up, and floundering within his pseudointellectual coterie when his college love, Sophie Wilder, returns to his life. Sophie is also struggling, though Charlie isn't sure why, since they've barely spoke, after falling out a decade before. Now Sophie begins to tell Charlie the story of her life since then, particularly the story of the days she spent taking care of a dying man with his own terrible past and of the difficult decision he forced her to make. When she disappears once again, Charlie sets out to discover what happened to Sophie Wilder. Christopher Beha's debut novel explores faith, love, friendship, and, ultimately, the redemptive power of storytelling.

No woman alive today has inspired so many with her simplicity of faith and compassion so all-encompassing. As she daily embraces the "least of the least" in her arms, Mother Theresa challenges the whole world to greater acts of service and understanding in the name of love. First published in 1971, this classic work introduced Mother Theresa to the Western World. As timely now as it was then, Something Beautiful for God interprets her life through the eyes of a modern-day skeptic who became literally transformed within her presence, describing her as "a light which could never be extinguished."

Just as Fay Ryan is about to break the news to her husband Jack that they are to become parents, he gives her a gift intended for the mistress Fay knew nothing about – a mistress who is also Jack's boss, Iona. Jack ends the affair, but odd things start to happen – complaints about Fay at work, a stolen item placed in her bag in a shop. It is only when Iona confronts Fay in person that they realize she has started a frightening campaign of harassment in her determination to win Jack back.

When it comes to adultery, never say, "It won't happen to me." Just when you think your marriage is safe from adultery is when you may be the most vulnerable. With eye-opening stories, clinical insights, and up-to-date data, Dave Carder reveals what adulterers learned the hard way—and what they want the rest of us to know to save us the pain. Dave Carder, counselor and author of the bestselling Torn Asunder (100,000 in print), is a sought-after expert on issues of adultery. Here he helps you make your marriage adultery-proof by showing you: How attractions can lead to affairs Ways you may be vulnerable to affairs The common ingredients of adultery How to restore intimacy to your marriage How to make wise, protective decisions Marriage is too sacred to be taken casually. Affairs are a very real threat, and they can destroy lives and families. For this reason, Anatomy of an Affair should be on every church leader's and marriage counselor's required reading list, and in the home of every married couple. Includes charts and assessments to understand and guard against affairs. This book is the revised edition of Close Calls (2008)
