and it is a timed test.

There is not enough time given for learners to look up the questions. They have to know them well before taking the exam or they will not pass.

The certification exam costs \$100, but the exam prep course is free with the purchase of this textbook (see above). In the exam

doesn't know how to say something, (s)he can point to it and ask ¿Cómo se dice? (How do you say that.) These and many other techniques that are taught to help a nurse work through new situations. Use of Technology The use of technology can be very helpful to get through tricky situations.

However, if a nurse only uses technology, this provides a poor patient experience and demonstrates poor bedside manner. Also, if only technology is used, body language and gestures are missed and the meaning can be misinterpreted. It is recommended that the nurse continue
