instruction. Topics include: nouns, pronouns, adjectives, verbs and tenses, subject/verb agreement, adverbs, prepositions, conjunctions, interjections, sentences, punctuation. Recommended for grades 3 to 6.

David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging

English Grammar in Steps

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades - no, for centuries - have been making a big deal

Download Ebook English Grammar In Steps David Bolton

out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar - and you certainly don't have to diagram sentences - in order to speak and write correct English. So rest assured - English Grammar For Dummies will probably never make your English teacher's top-ten list

Download Ebook English Grammar In Steps David Bolton

of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With *English Grammar For Dummies*, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!),

Download Ebook English Grammar In Steps David Bolton

because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements
Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks

In Making Sense, David Crystal confronts the foe of many: grammar. Once taught relentlessly to all students in the English-speaking world, grammar disappeared from most school curricula, so that terms such as "preposition" and "conjunction" now often confound children and adults alike. Explaining the nuts and bolts of grammar presents a special challenge, because - far more than is the case with spelling and punctuation - the

Download Ebook English Grammar In Steps David Bolton

subject is burdened with a centuries-old history of educational practice that many will recall as anything but glamorous. One of the world's foremost authorities on the English language, Crystal sets out to rid grammar of its undeserved reputation as a dry and intimidating subject, pointing out how essential grammar is to clear and effective speech and writing. He moves briskly through the stages by which children acquire grammar, along the way demystifying grammar's rules and irregularities and showing us how to navigate its snares and pitfalls. He offers the fascinating history of grammar, explaining how it has evolved from the first grammarians in ancient Greece to our 21st century digital environment of blogging, emailing, and texting. Many find grammar to be a daunting subject,

Download Ebook English Grammar In Steps David Bolton

but in this breezy, entertaining book, Crystal proves that grammar doesn't need to make us uneasy—we can all make sense of how we make sense.
