Interactive English is a complete yet flexible package of resources for English departments to support the teaching of the revised Key Stage 3 curriculum to pupils of all abilities and by experienced and newly qualified teachers alike. Teachers will be guided through this comprehensive set of resources via a printed Teacher's Book and a Dynamic Learning Teacher's Resource. Each year every pupil will have a Pupil's Book tailored to the ability level (approximated to NC levels) they are working at which guides them through the essential language and skills work, plus a Pupil's 'lite' version of Dynamic Learning on CD-ROM for independent use on a PC at school or at home. The Year 9 package includes a full-colour Teacher's Book, a Dynamic Learning Teacher's Resource and a three Pupil's Books for pupils working from NC Level 3 to NC Level 6. Each Pupil's Book (Establishing, Developing and Extending) includes language skills and functions presentation and practice material and contains a Pupil's DL CD-ROM with digital presentation material and interactive practice activities for pupils to work on independently. The Year 9 Teacher's Book covers the key concepts and processes of the revised programme of study, offering a full range of lesson plans to cover the breadth of the curriculum while at the same time allowing for a great deal of flexibility in the way in which teachers can deliver the suggested lessons or recombine the various source materials and assessment tasks to suit their own teaching style and the levels of their pupils. This book includes a CD-ROM of editable worksheets. The Teacher's Book and the accompanying Dynamic Learning CD-ROM sit at the heart of this English package, offering teachers entirely flexible source material and activities that can easily be adapted and personalised for groups and individual pupils as necessary. The recommended lesson plans will link clearly to key objectives and encourage teachers to integrate the prescribed curriculum content with practice of all four main skills as well as the personal, learning and thinking skills and functional skills frameworks.

#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner—or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times *Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from the New York Times bestseller Fuzzy Mud.

Making a Difference at Key Stage 3

Essentials of Key Stage 3 English

Is it the role of English teachers to teach basic literacy skills? If not, what do English teachers think they should be doing? How should basic literacy be taught in schools? These are important questions which have recently attracted significant political, media and parental debate. In addressing

them, this book explores the question What is English Teaching? from a variety of perspectives, including teachers' beliefs about what they should be teaching, the views of the government, and the reality of young people's experiences in the 1990s. In particular, it explores the question of how - and even whether - the English subject area is capable of meeting its own, and the outside world's, expectations for teaching not only its specialist concerns, but also general literacy. The book explores ways in which the teaching of English might develop - for instance, by balancing its efforts evenly between literature study, media study and knowledge about language - and how it might contribute to wider literacy teaching, by sharing its distinctive teaching strategies with teachers of other subjects.
