Learn Italian with the Turtle Method: Dialogues, audio recordings and flashcards This phrasebook is based upon a tried and tested language learning method, jokingly known among my students and myself as the "Turtle Method." The name comes from the fact that this method is "slow" but "foolproof." It is based on Professor Stephen Krashen's theories (University of Southern California) and it primarily consists of listening to and repeating comprehensible language input in a stress-free environment. This method will help you to speak Italian spontaneously, without worrying about grammar nor the need to mentally translate, but concentrating specifically on listening and conversation, without neglecting reading and writing. A few weeks from now, you will have made surprising progress and you will have stored new sentences and vocabulary in your long-term memory. A couple of months from now, once you have finished the book, you will have learned 300 Italian words, including the best expressions to use in common situations, and the most important verb forms you might need while travelling. Above all, you will have practiced Italian pronunciation every day, which is essential for natural conversations. At the end of the book you can find a guide on how to download the audio recordings for the lessons, which are necessary to study the phrasebook using the "Turtle Method." Buono studio! Jacopo Gorini Table of Contents How to use this book The Turtle Method's 5 exercises Conoscersi - Getting to know each other (verbi parlare, essere, fare) Salutarsi - Greetings (verbi avere, andare, stare, prendere, pranzare, cenare) Al bar - At the bar (verbi bere; oggetti e cose da mangiare nel bar) Al ristorante - At the restaurant (verbi volere, potere, mangiare, pagare; oggetti del ristorante) Direzioni e biglietti - Directions and tickets (verbi girare, continuare, tornare, comprare; i giorni della settimana) Fare spese - Shopping (vestiti e accessori) In albergo - In hotel (verbi arrivare, prenotare; oggetti in albergo) In farmacia - In the pharmacy (oggetti della farmacia; mesi e stagioni) Parole utili - Useful words Dizionario - Dictionary Audio recordings and flashcards
