NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of *The Kite Runner*! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—*San Francisco Chronicle* In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for Funny in Farsi "Heartfelt and hilarious—in any language."—*Glamour* "A joyful success."—*Newsday* "What's charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It's the brilliance of true sophistication at work."—*Los Angeles Times Book Review* "Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two cultures."—*The Providence Journal* "A humorous and introspective chronicle of a life filled with love—of family, country, and heritage."—*Jimmy Carter* "Delightfully refreshing."—*Milwaukee Journal Sentinel* "[Funny in Farsi] brings us closer to discovering what it means to be an American."—*San Jose Mercury News*

A great story can lead a reader on a journey of discovery—especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: Urashima Taro (*Tale of a Fisherman*) and Yuki Onna (*The Snow Woman*). These are followed by three short stories by notable 20th century authors: Kumo no Ito (*The Spider's Thread*) by Akutagawa Ryunosuke (1892-1927) Oborekaketa Kyodai (*The Siblings Who Almost Drowned*) by Arishima Takeo (1878-1923) Serohiki no Goshu (*Gauche the Cellist*) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script—and hearing native-speakers read them aloud in the accompanying free audio recording—helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Look at the Birdie is a collection of fourteen previously unpublished short stories from one of the most original writers in all of American fiction. In this series of perfectly rendered vignettes, written just as he was starting to find his comic voice, Kurt Vonnegut paints a warm, wise, and often funny portrait of life in post-World War II America—a world where squabbling couples, high school geniuses, misfit office workers, and small-town lotharios struggle to adapt to changing technology, moral ambiguity, and unprecedented affluence. In “Confido,” a laboratory assistant’s magical invention promises to put his family on easy street at last. But is a machine that gives voice to our innermost thoughts and unspoken grievances really the key to happiness—or a direct line to despair? “Confido” and the thirteen other never-before-published pieces that comprise Look at the Birdie serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut’s unique voice had been stilled forever—and provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.

This volume will enable foreign students of English to feel more comfortable with the language at a more advanced level. The book is a collection of stories told by people in everyday conversational manner. The stories are accounts of incidents or ideas which the people interviewed consider interesting or entertaining. They are not intended as great works of literature, rather as examples of people using their language naturally. The stories are the sort of tales that you might hear in a pub or at a party, reflections on anything from weather and inquisitive neighbours to a passion for music and how it can help handicapped children.
