The full-colour exam preparation and practice book contains four guided practice tests, audio and video to build confidence ready for the revised exam from 2019. It takes an active learning approach with a test-teach-test methodology. This encourages students to think about how they are developing language skills, helping them progress. Full sample answers with examiner comments and grades are included to help students understand what is required in the writing and speaking exams. This is part of the Cambridge IGCSE ESL toolbox of resources - the widest choice of resources for this qualification.

English Grammar might seem difficult. It gets easier with carefully chosen examples and comparisons. You can master English grammar through conversational exercises. They will help you with everyday life in an English environment. Method tested for many years with very good results. This Grammar English Book offers grammar, fully explained and practiced through a variety of exercises; helps with developing and practicing vocabulary and phrasal verbs; is ideal for self-study or classroom use. There are regular consolidation units which help with the First Certificate and TOEFL examinations. From the Author This is an ideal resource, helping with adapting communications by presenting English grammar structures. If you want to become fluent in English, this will help you reach your goal of becoming fluent.

The tenses that cause more problems to students, like Present Perfect Tense, Past Tense and Past Continuous are explained with detailed examples for each structure and are practiced extensively in exercises, which help not only with mastering the tenses but also developing conversational skills. This book has been developed and tested along several years. I have used the content of this English Grammar Book with very good results.

Most often we are judged by our language and misjudged because of the common errors in our language. A person interacting with you for the first time does mind your language and your language does make a favourable or unfavourable impression on the person and it does account for your success or failure in any attempt you make to achieve something. In fact, no great people of the world would have been great if they had not had the language they had. Unlike other books on common errors, the errors in this book have not been categorized into different chapters based on grammar.
