supercharge their capacity for strength, vitality, and happiness. Wim has become known as “ The Iceman ” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim ’ s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body ’ s untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim ’ s Story**—Follow Wim ’ s inspiring personal journey of discovery, tragedy, and triumph
- **Spiritual Awakening**—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “ This is how we will change the world, one soul at a time, ” Wim says. “ We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction. ” If you ’ re ready to explore and exceed the limits of your own potential, The Wim Hof Method is waiting for you.

An introductory textbook that assumes no prior knowledge of linguistics or second language acquisition, this book presents a comprehensive overview of the theoretical foundations, methods and practices of Teaching English as a Foreign Language (TEFL) for pre-service teachers. Lennon covers the theoretical bases for TEFL and addresses second language-acquisition research, past and present EFL teaching methodology, as well as psychological and social approaches to individual language-learner variation. Further chapters provide extensive yet accessible coverage on essential foundational topics, including chapters on pronunciation, grammar, vocabulary, literature and testing. Offering a sociocultural approach in which the teacher is seen as a facilitator and supporter of students' self-directed learning, this text provides the prospective teacher with the knowledge and skills to be an effective educator in the EFL classroom. The targeted EFL focus makes this book ideal for pre-service teachers and for teacher training programmes around the world. Each chapter includes a Food for Thought section with questions for reflection and a Further Reading list.
