Enough To Make You Blush Exploring Erotic Humiliation

Enough to Make You Blush Exploring Erotic Humiliation

Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism In the same pulse-pounding style as Maya Banks and Kresley Cole, New York Times bestselling author Cherry Adair delivers a series of accidents, Amelia discovers that a stranger. Learn to cook. Learn to pole dance. Sex under the stars. Buy a truck. These are just a few of the things on Amelia discovers that a stranger. Learn to cook. Learn to drive. Learn to drive. Learn to drive. In the stars are just a few of the things on Amelia discovers that a stranger. Learn to drive. In the stars are just a few of the things on Amelia discovers that a stranger. Learn to cook. Learn to drive. In the stars are just a few of the things on Amelia discovers that a stranger. Learn to cook. Learn to cook and face of a multi-billion-dollar cosmetic empire, she's never quite found the time to do them. Until, after a series of accidents, Amelia discovers that a stranger. Learn to cook and face of a multi-billion-dollar cosmetic empire, she's never quite found the time to do them. Until, after a series of accidents, Amelia discovers that a stranger. Learn to cook a stranger and the stars are possible to the stars a someone wants her dead. But who? And why? She has no time for questions as she changes her name to Mia, buys a secluded fixer-upper near the Louisiana bayou where no one will recognize her, and starts to realize there's no tomorrow—which there might not be. Meanwhile, Cruz Barcelona is a hit man who's promised himself this will be his last job. Then he'll take the money and move to a warm, sunny place where he doesn't have to hide anymore. But who a secluded fixer-upper near the Louisiana bayou where no one will recognize her, and starts to realize there's far more to this poor-

little-rich-girl than he thought—and he starts to fall for her. Which is going to make his job a whole lot harder.. Kinksters often have to depend on erotica and porn to learn what kink looks and feels like, but unfortunately that can create a lot of myths, misunderstandings, and accidental mistakes. BDSM is focused on activities, but just going through the motions won't guarantee you'll have a happy, healthy experience. It can take years (and plenty of bad scenes) to help you learn exactly what you enjoy and why. But it doesn't have to if you spend time reflecting on your needs and limits ahead of time. In this workbook, Princess Kali will teach you how to have the most authentic and fulfilling kink are to if you spend time reflecting on your needs and limits ahead of time. In this workbook, Princess Kali will teach you how to have the most authentic and fulfilling kink are to if you spend time and fulfilling kink are to if you spend time are to if you spend to you spend time are to if you spend time are to if you spend to you spend experience possible. Over the last two decades in the kink scene, Kali has developed a straightforward method for discovering your most authentic kinky self. Journaling can be a great way to understand yourself. By putting your thoughts down on paper, it can be easier to self-reflect and examine insights more clearly. While We Were Dating <text>geaturing the acclaimed novella The Old Woman and darkly humorous short prose sequence Events (Sluchai), Today I Wrote Nothing also includes dozens of short prose pieces, plays, and martin McDonagh, and martin McDonagh, and I Wrote Nothing is a contemporary writers as eclectic as George Saunders, John Ashbery, and Martin McDonagh, and Today I Wrote Nothing is a contemporary writers as eclectic as George Saunders, John Ashbery, and Martin McDonagh, and martin McDonagh, and martin McDonagh, and martin McDonagh is a contemporary writers as eclectic as George Saunders, John Ashbery, and martin McDonagh, and martin McDonagh. an invaluable collection for readers of innovative writing everywhere. Daniil Kharms has long been heralded as one of the most iconoclastic writers of the Soviet era, but the full breadth of his achievement is only in recent years, following the opening of Kharms' archives, being recognized internationally. In this brilliant translation by Matvei Yankelevich, English-language readers now have a comprehensive collection of the prose and poetry that secured Kharms s literary reputation a reputation that grew in Russia even as the Soviet establishment worked to suppress it.

Erotic humiliation goes far beyond the "Lick my boots!" stereotype. Princess Kali, a famous former Dominatrix and world-renowned Humiliatrix, throws open the dungeon doors to explore the complex desires that fuel this kind of psychological play for both dominants and submissives. Using both personal experience and detailed ideas for a broad range of embarrassing, humiliatrix, throws open the dungeon doors to explore the complex desires that fuel this kind of psychological play for both dominants and degrading ways to enjoy consensual kinky fun. Also covered are important concepts such as communication, negotiation, consent, triggers, aftercare, and so much

An instant New York Times bestseller! One of TIME Magazine's 100 Must-Reads of 2021! Two people realize that it's no longer an act when they veer off-script in this sizzling romantic comedy by New York Times bestselling author Jasmine Guillory. Ben Stephens has never bothered with serious relationships. He has plenty of casual dates to keep him busy, family drama he's trying to ignore and his advertising job to focus on. When Ben lands a huge ad campaign featuring movie star, Anna Gardiner, however, it's hard to keep it purely professional. Anna is not just gorgeous and sexy, she's also down to earth and considerate, and he can't help flirting a little... Anna Gardiner is on a mission: to make herself a household name, and this ad campaign will be a great distraction while she waits to hear if she's booked her next movie. However, she didn't expect Ben Stephens to be her biggest distraction. She knows mixing business with pleasure never works out, but why not indulge in a harmless flirtation? But their light-hearted banter takes a turn for the serious when Ben helps Anna in a family emergency, and they reveal truths about themselves to each other, truths they've barely shared with those closest to them. When the opportunity comes to turn their real-life fling into something more for the Hollywood spotlight, will Ben be content to play the background role in Anna's life and leave when the cameras stop rolling? Or could he be the leading man she needs to craft their own Hollywood ending?

Are you ready to unlock the keys to your biggest BDSM fantasies? Then this kink journal is for you! Designed to be used at any time of the year, these 365 questions and kinks. Dive deep into topics like service submission, role-playing, BDSM titles, impact play, figuring out your kinky persona, aftercare and so much more. Maybe you have topping or bottoming fantasies, but haven't been sure how to live them out in the real world. Maybe you know what turns you on, but are looking for a little guidance. This insightful journal from Kink Academy, the web's leading resource for adult sexuality education, helpfully addresses every aspect of BDSM, from specific acts to incorporating your kinky identity into your daily life. This journal has something for everyone-newbie or long-time kinkster, dominant, submissive or switch. You can use your answers to help guide you toward your next scene or simply to get clear on what you want out of BDSM. You'll come away from these exercises with a deeper understanding of your erotic wants and needs. Your sex life will be all the hotter. Give yourself a roadmap to kinky pleasure every day of the year!

Eleanor Ashcroft is at the top of her game. Revered by stockholders, feared in boardrooms and by employees all over the Eastern Seaboard, her life changes when she decides to restore an inherited makeup gurus and the most successful channel, "The Blush Factor," becomes her guilty pleasure. She finds the much-younger woman in the videos mesmerizing and profoundly attractive in a way she had never felt about a woman before. Addison finds it hard to act strictly professional as she both fears her and dreams of winning her heart. Eleanor in turn realizes that her attraction to Addison is not a mere midlife crisis at all, but looks very much like love.

The confluence of the Yellowstone and Missouri Rivers is a region of the USA steeped in histories of the mountain man, fur traders and the northern upper plains nomadic tribes. I joined a veterinary school. Our clients included townspeople, river valley farmers, high prairie dry land wheat farmers and ranchers, and North Dakota Badlands ranchers, the later doing their best to wrest a living from government grazing leases and their too small homesteads. All were determined, independent-minded folks who expected their veterinarian to be physically tough, knowledgeable about all species of animals, and skilled in the profession. Our animal patients were the same as they are today prone to the same illnesses and injuries. They were for the most part stoic and never embarrassed by anything they did or that was done to them. The characters in this book are those people, those animals, and being Jewish in an area of the country with few Jews and a history of anti-Semitism. The story is complicated by the strained relationship between the veterinarian I work for and his wife and her family.

More information to be announced soon on this forthcoming title from Penguin USA.

A masterpiece ahead of its time, a prescient rendering of a dark future, and the inspiration for the blockbuster film Blade Runner By 2021, the World War has killed millions, driving creature, and tor people who can't afford one, companies built incredibly realistic simulacra: horses, birds, cats, sheep. They've even built humans. Immigrants to Mars receive androids so sophisticated they are indistinguishable from true men or women. Fearful of the havoc these artificial humans can wreak, the government bans them from Earth. Driven into hiding, unauthorized androids and "retire" them. But when cornered, androids fight back-with lethal force. Praise for Philip K. Dick "The most consistently brilliant science fiction writer in the world."-John Brunner "A kind of pulp-fiction Kafka, a prophet."-The New York Times "[Philip K. Dick] sees all the sparkling-and terrifying-possibilities . . . that other authors shy away from."-Rolling Stone

"It might be the most important book about being a parent that you will ever read." —Emily Rapp Black, New York Times bestselling author of The Still Point of the Turning World "Brooks's own personal experience provides the narrative thrust for the book its heft." —NPR One morning, Kim Brooks made a splitsecond decision to leave her four-year old son in the car while she ran into a store. What happened would consume the next several years of her life and spur her to investigate the broader role America's culture of fear plays in parenthood. In Small Animals, Brooks asks, Of all the emotions of what it means to be a good parent changed so radically? In what ways do these changes impact the lives of parents, children, and the structure of society at large? And what, in the end, does the rise of fearful parenting tell us about ourselves? Fueled by urgency and the emotional intensity of Brooks offers a provocative, compelling portrait of parenthood in America style—by turns funny, penetrating, and always illuminating—which has dazzled millions of fans and been called "striking" by New York Times Book Critics Circle, Brooks offers a provocative, compelling portrait of parenthood in America style—by turns funny, penetrating, and always illuminating—which has dazzled millions of fans and been called "striking" by New York Times Book Review and "beautiful" by the National Book Critics Circle, Brooks offers a provocative, compelling portrait of parenthood in America style—by turns funny, penetrating and the emotional intensity of Brooks's own story, Small Animals is a riveting examination of the ways our culture of competitive, anxious, and the emotional intensity of Brooks's own story, Small Animals is a riveting examination of the ways our culture of competitive, anxious, and the emotional intensity of Brooks's own story, Small Animals is a riveting examination of the ways our culture of competitive, anxious, and the emotional intensity of Brooks offers a provocative, compelling portrait of parenth of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive, anxious, and the emotion of the ways our culture of competitive anxious, and the emotion of the ways our culture of the emotion of the ways of the emotion of the ways of the emotion of the ways of the emotion of the emotion of the emotion of the emotion of the em

The Science and Culture of Pain on Purpose The Forked Tonque Revisited

The Power of Living Gamefully Why Humor Is a Secret Weapon in Business and Life (And how anyone can harness it. Even you.)

Get What You Want Out of Sex and Kink The New Bottoming Book

The Nice Guideline on Recognition, Assessment and Treatment of Social Anxiety Disorder Representations of consensual sadomasochism range from the dark, seedy undergrounds of crime thrillers to the fetishized pornographic images of sitcoms and erotica. In this pathbreaking book, ethnographer Staci Newmahr delves into the field out. Based on four years of in-depth and immersive participant observation, she juxtaposes her experiences in the field so that the field out. with the life stories of community members, providing a richly detailed portrait of SM as a social space in which experiences of "violence" intersect with experiences of "violence" intersect with experiences of the erotic. She shows that SM is a recreational and deeply gendered risk-taking endeavor, through which participants negotiate boundaries between chaos and order. Playing on the Edge challenges our assumptions about sadomasochism, sexuality, eroticism, and emotional experience, and emotional experience of "violence" intersect with experience of "violenc exploring what we mean by intimacy, and how, exactly, we achieve it.

An exploration of why people all over the world love to engage in pain on purpose-from dominatrices, religious ascetics, and ultramarathoners to ballerinas, icy ocean bathers, and sideshow performers Masochism is sexy, human, reviled, worshipped, and can be delightfully bizarre. Deliberate and consensual pain has been with us for millennia, encompassing everyone from Black Plague flagellants to ballerinas dancing on broken bones to competitive eaters choking down hot peppers while they cry. Masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and tattoo enthusiasts, an a few guestions: Why do people engage in masochism? What are the benefits and the costs? And what does masochism have to say about the human experience? By participating in many of these activities themselves, and through conversations with psychologists, fellow scientists, and people who seek pain for pleasure, Cowart unveils how our minds and bodies find meaning and relief in pain—a guirk in our programming that drives discipline and

innovation even as it threatens to swallow us whole. The #1 New York Times bestselling book from new adult phenomenon S.C. Stephens—even a rock star's life isn't always perfect. Can love survive when life gets Reckless? When the band hits it big, Kiera and Kellan must ask themselves: Can their love for each other withstand the constant pressures of superstardom? The friendships they've found, and the history they've found, and the history they've formed, the new family they've found, and the history they've formed, the new family they've found, and the history they've formed, the new family they've found, and the history they've formed, the new family they've found, and the history they've formed, the new family they've found, and the history they've formed, the new family they've found, and the history they've formed, the new family they've found, and the history they've found, and they have found they have found they are the history they've found they have found they are they are the history they've found they are the history they are the history are they ar turbulent waters of the band's exploding popularity. A greedy executive hell-bent on success, a declining pop star looking for an edge, and a media circus that twists lies into truths are just some of the obstacles the lovers will have to overcome if they are going to remain together. Fame comes with a price—but will it cost Kiera and Kellan everything?

Witty socialite Lily Bart has expensive tastes. Unfortunately, she does not have the social status to match. So far she has managed to get by on 'old money' and has become accustomed to a certain level of luxury. Her luck seems to be running out, however, as she approaches thirty and begins to scramble for an eligible bachelor who will secure her both an elevation of social status and stability. First published in 1905, the transparent way in which Edith Wharton explored and challenged the little social mobility that American Victorian society offered women sent shockwayes through the very communities that she wrote about. This thought-provoking text is perfect for fans of novels such as Henry Iames' 'The Portrait of a Lady'. Edith Wharton (1863-1937) was an American author. Best known for her sharp, scathing, and fierce stories about the upper-class society into which she was born and its treatment. of women, she wrote more than 40 books. Her major works on architecture, gardens, interior design, and travel. She was the first female author to win the Pulitzer Prize, and her work is unmissable for all fans of classic authors, from Joseph Conrad to Virginia Woolf.

A Money Management Workbook for Erotic Entrepreneurs

Whether meeting up for happy hour after a long day of work, catching up with a friend, unwinding after another day of parenting, sipping a glass while stealing time for a long, quiet soak in the tub, or commiserating over lost parenting, sipping a glass while stealing time for a long, quiet soak in the tub, or commiserating over lost parenting, sipping a glass while stealing time for a long, quiet soak in the tub, or commiserating over lost love, lost parenting, sipping a glass while stealing time for a long, quiet soak in the tub, or commiserating over lost love, lost parenting, sipping a glass while stealing time for a long, quiet soak in the tub, or commiserating over lost love, lost parenting over lost love, lost love, lost parenting over lost love, lov vocabulary. What could be better than shared wine with good friends? Sometimes nothing! But that isn't what this book is about alcoholism, and it is not a book about wine again. It is about women and wine. It is not a book about women and wine again. It is about alcoholism, and it is not a book about wine is trendy. Talking about drinking too much of it is not. In this honest, vulnerable and insightful book, Molly Davis suggests that wine, for her and perhaps for many women, has become a daily habit and coping mechanism, quietly wrapped in a lovely ritual. She wonders, when do we choose to drink wine to dull pain, avoid discomfort, cope with stress, and check out of reality? With courage, wisdom and wit, she generously shares her own answers to those questions, and invites us to join her in discovering our own. Rather than hide behind our wine, Molly Davis boldly encourages us to step fully into our own lives and bring to ourselves, and to a waiting world, all that we have to offer. Now that seems like a possibility worth toasting!

Indispensable collection of previously unavailable poetry by an American master. An innovative guide to living gamefully, based on the program that has already helped nearly half a million people achieve remarkable personal growth In 2009, internationally renowned game designer Jane McGonigal suffered a severe concussion. Unable to think clearly or work or even get out of bed, she became anxious and depressed, even suicidal. But rather than let herself sink further, she decided to get better by doing what she does best: she turned her recovery process into a resilience-building game. What started as a simple motivational exercise quickly became a set of rules for "post-traumatic growth" that she shared on her blog. These rules for "post-traumatic growth" that she shared on her blog. These rules led to a digital game and a major research study with the National Institutes of Health. Today nearly half a million people have played SuperBetter to get stronger, happier, and healthier. But the life-changing ideas behind SuperBetter are much bigger

than just one game. In this book, McGonigal reveals a decade's worth of scientific research into the ways all games-including videogames, sports, and puzzles-change how we can cultivate new powers of recovery and resilience in everyday life simply by adopting a more "gameful means bringing the same psychological strengths we naturally display when we play games-such courage, and determination—to real-world goals. Drawing on hundreds of studies, McGonigal shows that getting superbetter is as simple as tapping into the three core psychological strengths that games help you build: • Your ability to control your attention, and therefore your attention, and therefore your thoughts and feelings • Your power to turn anyone into a potential ally, and to strengthen your existing relationships • Your natural capacity to motivate yourself and super-charge your heroic qualities, like willpower, compassion, and determination SuperBetter contains nearly 100 playful challenges anyone can undertake in order to build these gameful strengths. It includes stories and other major setbacks, as well as to achieve goals like losing weight, running a marathon, and finding a new job. As inspiring as it is down to earth, and grounded in rigorous research, SuperBetter is a proven game plan for a better life. You'll never say that something is "just a game" again.

But when she ended up back in the same small town they'd grown up in, Daniel takes complete advantage of an enforced encounter to lure her go again, for any reason! Does a throbbing bum makes settling down a lot easier for a wanna-be city mouse? Emily's about to find out. "Cade" by Paige Tyler: The beautiful, but irritating Riley Barnett has been a thorn in the side of the U.S. Marshal Service ever since she entered the Witness Protection Program. And now that she once again believes her identity has been compromised, new U.S. Marshal Cade Cutler is the one sent to placate her. But the simple task of babysitting her is made more difficult when she refuses to obey his simplest instructions. Cade has never met a woman so infuriating, and soon realizes that the only way to get through to her is to put her over his knee for a good, sound spanking. Riley, though, will be damned if she's going to take orders from the gorgeous Marshal just because he spanks her, especially when he refuses to believe that she's actually in danger. She has been in the Witness Protection Program long enough to know when someone is after her, even if all of the other times had been false alarms. But when it turns out that she's right this time, Riley has to depend on Cade to protect her, even if that means putting up with his spankings every time she refuses to follow his silly rules! "Her Personal Trainer" by Starla Kaye: Elizabeth Wingate receives an invitation to a cruise that will be her high school and the company to the com reunion. She remembers all the rejection she'd felt from her classmates, how she'd been teased hurtfully too many times. Inwardly she still felt like that woman no one could seem to love. She needed to. She needed some help first, though. Someone to help her whip her slightly out-of-shape body into bikini shape. So when her business partner suggests a personal trainer, that seems the perfect answer -- except for all of that horrible exercise stuff. Chase Sawyer owes Elizabeth's mother a favor and agrees to escort her to a gala since he will be in Kansas City for a few weeks anyway. He's never gone on a blind date and detests the idea. Arriving in town early, he decides to go meet the young woman he's positive he won't be attracted to, only to discover how strongly he is drawn to her. When she mistakes him for a personal trainer, he latches on to that opportunity to get to know her better. And as he does, he realizes the little spitfire, who isn't always cooperative about exercising and who needs an occasional bottom warming to get her back on track, might finally be the woman to make him settle down.

A grassroots look at the future of US politics as the next generation of progressive organizers—sparked by the unstoppable rise of Alexandria Ocasio-Cortez—leads us toward a new direction The AOC Generation examines the resurgent young left—including groups like Justice Democrats, the Democrats, the Democratic Socialists of America and Brand New Congress—and documents how and why they got active and energized in political organizing, the success and limitations of their approaches—and through their stories, it tells the history and became a household name for her progressive, passionate politics. With firsthand accounts detailing the final days of her campaign, which he spent beside her as she fought for every last vote, Freedlander connects her ample political talents and furthered by a series of critical issues including catastrophic climate change, a rigid political system, and widening income inequality, these young people organized into new groups that became a conduit for their energy, ideas, and passions. And all of their activity isn't just political. They've created their own media eco-system, with podcasts, streaming networks, and even dating sites that cater to their interests. With this new generation gaining traction, with little signs of backing down and securing crucial political seats as Ocasio-Cortez did in 2018, The AOC Generation presents a thoughtful analysis of how they came of age in an America they are determined to reshape.

For many years, Kali Williams approached the money she made from her career in sex work with an "easy come, easy go" attitude. There was always enough, and there was always more on the way. But as her money goals grew beyond impulsive daily desires and monthly rent, she realized she needed to shift her approach if she wanted to be able to plan a future of financial stability. So she set to work transforming her financial life, fixing her attitude toward money and undoing past financial mistakes. But the most empowering part of the journey? Adapting a generic budget workbook to track her money in a way that worked for her colleagues in the sex industry had similar money hangups to hers, and like her, many of her colleagues responded well to analog tracking. Hearing this feedback from so many people over the years inspired her to create Making Bank: A Money Management Workbook for Erotic Entrepreneurs. This workbook is designed to help entrepreneurs in the sex industry step up their financial game by understanding what's really going on with their income and expenses, identifying money goals, and making plans to achieve them. Combining monthly budget tracking layouts, space to write and reflect about financial goals, and information to help readers become more savvy about saving and spending. Making Bank is a one-stop-spot for erotic entrepreneurs to upgrade their incomes and their money management skills.

Billie Livingston's fine second novel leads us to consider the nature of our hidden lives and desires — and to guestion whether the sky would really fall if we admitted our true needs and ceased to blush. As Cease to Blush opens, Vivian stands out like a pornographer's dream amongst the West Coast intellectuals mourning the death of

prominent feminist losie Callwood. But for all of her bravado. Vivian finds herself emotionally numb and spiraling downward. Vivian and her mother were in constant conflict, with losie disapproving of her brain, and her so-called acting career, which has amounted to little more than playing prostitutes and the odd dead body. For her part Vivian has been invested in antagonizing her mother's feminist ideology. As the story opens Vivian's career, as well as her relationship with boyfriend Frank, is taking an unsavoury turn as she wades into the guick cash scheme of Internet porn with herself cast in the lead. But Josie has left a big surprise for her troubled daughter: a trunk full of mementoes from her own past, all of which point to a secret life more exotic than anything Vivian has been able to pull off. Puzzling together bits and pieces, Vivian learns that truth is a burlesque performer named Celia Dare who rubbed shoulders with the flashiest celebrities of the sixties. Vivian becomes determined to uncover the true story of her mother's life. Chasing rumours, Vivian sets off down the Pacific coast and soon finds out that truth is a slippery snake. With only a few of her mother's letters, some guarded anecdotes from Josie's former confidant and a slew of books about the sixties, Vivian begins to re-create her mother's life, placing her at the heart of some of the era. From the political soirées of New York to mob meetings in glitzy Miami hotels, Celia Dare saw and did it all. Yet the glamour hid an ugly underbelly, and as Vivian peels away the layers of the bedroom Internet porn business, exploring just how far women have really come. In Vivian, Livingston has created the perfect character through which to explore what it means to be an independent woman today; with Celia/Josie, it's clear that things weren't so cut and dry in her day either. Though Celia's gift to Vivian: the ability of the past not only to illuminate the future, but to re-imagine it. A Blush With Death

By putting your thoughts down on paper, it's easier to self-reflect and examine insights more clearly. It can also be used as a communication tool if you share your answers with your partner(s). Erotic humiliation is a deeply personal experience; this workbook will help you have sexier, safer, more informed adventures Inside you'll find: + More than 100 Stimulation Worksheet Titles & Names Suggestions + Scene Planning + Kinky Wishlist + plus

Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's "Favorite Books of the Year" Oprah's Book Club Pick Named one of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of Water, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the consequences that spring from it lie at the heart of Deacon King Kong, James McBride's funny, moving novel and his first since his National Book Award-winning The Good Lord Bird. In Deacon King Kong, James McBride brings to vivid life the people affected by the shooting: the victim, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters-caught in the tumultuous swirl of 1960s New York-overlap in unexpected ways. When the truth does emerge, McBride shows us that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as The Good Lord Bird and as emotionally honest as The Color of Water. Told with insight and wit, Deacon King Kong demonstrates that love and faith live in all of us. A photographic look into the world of vinyl record collectors-including Questlove-in the most intimate of environments-their records. The reader gets an up close and personal look at a variety of well-known vinyl champions,
