The Miiford Murders Set amid the legendary Miiford household, Bright Young Dead is the second in the thrilling, Golden Age-style Miiford Murders series by Jessica Fellowes, author of the *New York Times* bestselling *Downton Abbey* books. Meet the Bright Young Things, the rabble-rousing hedonists of the 1920s whose treasure hunts were a media obsession. One such game takes place at the 18th birthday party of Pamela Miiford, but ends in tragedy as cruel, charismatic Adrian Curtis is pushed to his death from the church neighbouring the Miiford home. The police quickly identify the killer as a maid, Dulcie. But Louisa Cannon, chaperone to the Miiford girls and a former criminal herself, believes Dulcie to be innocent, and sets out to clear the girl's name . . . all while the real killer may as well be steps away.

*Following the upheavals of the Cultural Revolution, the People's Republic of China gradually permitted the renewal of religious activity. Tibetans, whose traditional religious and cultural institutions had been decimated during the preceding two decades, took advantage of the decisions of 1978 to begin a Buddhist renewal that is one of the most extensive and dramatic examples of religious revitalization in contemporary China. The nature of that revival is the focus of this book.*

*The Italian project 1 is the first level of a modern multimedia course of Italian language. Suitable to adolescent and adult students. It provides a balanced information, with pleasant and amusing conversation and useful grammatical examples. Introduces students to modern Italy and its culture.*

*A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenched longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).*

"Durastanti casts the universal drama of the family as the sieve through which the self-woman, artist, daughter—is filtered and known."—Ocean Vuong *A work of fiction about being a stranger in your own family and life. Every family has its own mythology, but in this family none of the myths match up. Claudia's mother says she met her husband when she stopped him from jumping off a bridge. Her father says it happened when he saved her from an attempted robbery. Both parents are deaf but couldn't be more different; they can't even agree on how they met, much less who needed saving.*

Into this unlikely yet somehow inevitable union, our narrator is born. She comes of age with her brother in this strange, and increasingly estranged, household split between a small village in southern Italy and New York City. Without even sign language in common – their parents have not bothered to teach them – family communications are chaotic and life with misinterpretations, by turns hilarious and devastating. An outsider in every way, she longs for a freedom she's not even sure exists. Only books and punk rock—and a tumultuous relationship—begin to show her the way to create her own mythology, to construct her own version of the story of her life. Kinetic, formally dazzling, and spectacularly original, this book is a funny and profound portrait of an unconventional family that makes us look anew at how language shapes our understanding of ourselves.
