

Esl Teaching Guide For Public Speaking Cengage

Are you thinking about earning a living teaching English but you don't know how? Buy The Ultimate ESL Teaching Manual and discover a skill that will serve you for the rest of your life. What people are saying about The Ultimate ESL Teaching Manual on Amazon 'What a great book! Andromeda's knowledge and experience shines through. She gets straight to the point, gives very clear grammar explanations and loads of practical help, ' Sheila Longden. 'This is a one-stop shop for preparing powerful classes that throws out the need for costly and confusing text books. Priceless!' Amazon Customer. 'Great book, saved me hours of prep! Each grammar point comes with its own speaking activity so you won't run out of ideas about what to teach your students.' TeacherA24. The Ultimate Teaching ESL Manual is a complete English teaching system designed so that any native speaker (with TEFL experience or not) can pick up the book and start teaching. With this book you will have the power to: Start teaching English online or in the classroom now with a step-by-step guide to teaching every grammar point in the English language. Never run out of words with over 60 vocabulary sets to teach covering beginner, intermediate, advanced to super-advanced levels. Keep your students engaged with follow-on activities for every class including role plays, games and problem solving activities. Cut down on preparation time with all lessons planned out for you. Add interest to your classes with an appendix full of illustrated worksheets which Manual owners can download in high resolution from the book's website. Travel light and save money on expensive textbooks with everything you need to teach English in one book. Provide students with fantastic lessons they want with a methodology focused on language learning through speaking practice.

Put all English learners on the path to success—right from the start! As more beginning ELs enroll in schools every year, educators need a realistic framework for addressing the varied needs of this growing population. In this practical resource, the authors provide templates, tools, and vignettes illustrating real-world challenges to help teachers and administrators: Learn strategies for teaching beginning level ELs across the curriculum Create a welcoming environment for students and families Reach out to students from both literacy and non-literacy-oriented homes Design programs that meet the needs of beginning ELs and students with limited or interrupted formal education (SLIFE)

A much-needed resource for teaching English to all learners The number of English language learners in U.S. schools is projected to grow to twenty-five percent by 2025. Most teachers have English learners in their classrooms, from kindergarten through college. The ESL/ELL Teacher?s Survival Guide offers educators practical strategies for setting up an ESL-friendly classroom, motivating and interacting with students, communicating with parents of English learners, and navigating the challenges inherent in teaching ESL students. Provides research-based instructional techniques which have proven effective with English learners at all proficiency levels Offers thematic units complete with reproducible forms and worksheets, sample lesson plans, and sample student assignments The book?s ESL lessons connect to core standards and technology applications This hands-on resource will give all teachers at all levels the information they need to be effective ESL instructors.

Embrace the future by ensuring English Learners have a voice in school. English Learners (ELs) are the fastest-growing segment of the K–12 population. Therefore, educators must provide a voice for their needs. This book demystifies the techniques of advocacy for ELs, including: A shared sense of responsibility for EL success—Providing tools that every educator can use to ensure that ELs are effectively served An overview for administrators—Influencing policy and fostering a culture that meets EL needs Advocacy for ELs' success beyond Grade 12—Equipping ELs for life after graduation, from higher education to career decisions Teaching English Language Learners K–12

Understanding ESL Writers

Young Dual Language Learners

At the River and Other Stories for Adult Emergent Readers

Note: Purchase this file once, and then make legal copies for your students. At the River presents a combination of interactive reading instructional techniques and sound ESL methodology to give low literate students a bridge to mainstream ESL textbooks. Each unit provides structured, scaffolded practice in writing and reading letters, letter combinations, words, sentences, and paragraphs. Clear illustrations reinforce both phonics and vocabulary for everyday situations. This effective, class-tested phonics and reading system enables even ESL teachers with no reading development training to teach nonliterate and semiliterate students how to read in English. A detailed teacher ' s guide is available free of charge.

Discover how Web 2.0 tools can advance English language learning! Today ' s interactive Web tools offer teachers of English language learners a wealth of opportunities to inspire and motivate their students. Aligned with national TESOL standards, this user-friendly, research-based guide shows how Web 2.0 tools can improve English language proficiency and build 21st-century skills. Readers will find: Relevant descriptions of a wide range of Web tools, from blogs and podcasts to social networking and more Classroom-ready projects and tips for elementary, middle, and high school students Guidelines to support safe and appropriate Internet use

This teaching guide is perfect for your "not-so-beginning" beginner ESL/EFL student! This lessons guide builds on students' prior knowledge of such basic foundational skills as greetings, the to be verb, the present simple verb tense, and school/home vocabulary, while it guides students to their next level of English skill with an emphasis on such topics as irregular verbs, the present continuous verb tense, rules for plurals, transportation/daily activities vocabulary, and more! It is a simple, easy-to-follow, chronological set of lessons with everything you need to instruct your students in the best practice methods of ESL/EFL instruction. Maximize your time with students because now there's no more need for hours and hours of planning and researching your lessons- it's all here! Just review this curriculum guide before your lesson each day, prep the materials it provides, and TEACH! With this publication, you will receive: a recommendations guide with the latest, best practice tips for teaching ESL/EFL, twenty ESL/EFL lesson plans with both new and repeating activities organized into four weeklong units, a parent notification letter, templates for vocabulary activities and grammar structures, stem conversations for students to present, games, field trips, songs (many with chords for guitar accompaniment), and read aloud activities with comprehension questions. In addition, this guide comes with a diagnostic test that will take care of your assessment needs. It is an individually administered test that places the student into one of three levels based on their responses- it also comes with a scoring key and guide.IMPORTANT NOTICE- This book contains some repetition in its activities from day to day. The reason for this is that language learning requires repetition and consistency in order to master vocabulary and grammar concepts. Thus, you'll find both new and repeating activities in each lesson plan of this guide.

"Provides clear and concise expert responses to questions that early childhood and elementary education administrators and preschool directors ask about educating young children who are learning through two languages"--

Teacher's Guide for Teaching English to Babies

The Knowledge Gap

Advocating for English Learners

Peek-a-Moo! Teacher's Guide is one of the components of Languages4kidz, Inc. English 4 Babies Program. The Peek-A-Moo! Unit engages children in fun activities about animals; animals that live in a house (pets), in a farm or in a zoo. Lessons in this unit may be young children's first opportunity to see or hear a cow or a horse or even a monkey. Children are introduced to the world of animals through Lessons that include motion and multi-sensory activities, as well as audio-visual stimuli. Children enjoy playing different games with pets, farm and zoo animals, making animal sounds and singing animal songs as they develop their sound system and vocabulary. The theme about animals is interesting and meaningful to little ones. Children love animals and they enjoy everything about them. They love repeating the sounds they make, pretending to move around as they move, sing animal songs, and play games that have animals as the main theme. Peek -a-Moo! Teacher's Guide includes a variety of these fun activities that allow children to experience the English language through movement and play. Lessons 1-4 introduce children to the world of pets. Lessons 5-8 include vocabulary related to farm animals and lessons 9-11 continue with vocabulary related to zoo animals. All lessons include vocabulary and songs that are fun for parents to use throughout the day with their children. Lesson 12 is the last Lesson on the Peek-a-Moo! Unit. It is a "celebration" for children's accomplishments. The Lesson plan presents a review of children's and their parents' favorite activities, songs and rhymes. It lets them have fun showing what they have learned and then motivates them to continue enjoying and practicing the English language. Each lesson plan includes at the beginning important information regarding the materials necessary to carry out the activities and the vocabulary and structures that need to be introduced and/or practiced. Throughout this Teacher's Guide you will find additional information to help you focus on important teaching components. There are Information Boxes that provide statements that elaborate or give additional information about certain activities, Language Learning Boxes that focus your attention on important issues regarding language development and Specific Icons that facilitate the identification and location of activities in the lesson plans. Each lesson in this Teacher's Guide includes activities for the following: - Welcome! - All Together - Playful Time - Relaxing Time - Story Time - Wrap-up! With this Teacher's Guide you can start teaching using whole language in context right away with minimal investment of time researching and creating your own lesson plans. Together with the Picture Books, Enrichments activities Booklets, CDs with songs, finger plays and rhymes. Languages4kidz Teacher's Guides provide you with the tools necessary to implement the program, and make it easy for children to gradually acquire and build up their vocabulary and communicative competence, catch up or improve their English language skills. Peek-A-Moo! Unit Package has the following components: Peek-A-Moo! Teacher's Guide with Enrichment Activities Booklet Pets, pet, pets Picture Book Ms. Wishy-Washy and her animal's parade Picture book A birthday party! Picture Book book, and Peek-A-Moo! CD with songs, finger plays, rhymes and read alouds. Each item is sold separately on Amazon.

It is estimated that over 1 billion people are currently learning English world wide. According to the British Council, as of the year 2,000 there were 750 million English as a Foreign language speakers. In addition, there were 375 million English as a Second Language speakers. The difference between the two groups amounts to English as a Foreign Language speakers using English occasionally for business or pleasure, while English as a Second Language speakers use English on a daily basis.These impressive numbers are driven by adult speakers around the world who use English to communicate in the workplace. It is a commonly held misconception that these speakers need English to communicate with native speakers. While ESL is required for those living and working in English speaking cultures such as the UK and USA, it is equally true that English is used as the lingua franca between nations where English is not the primary language. In a globalized world, the number of English learners around the world is only expected to further grow as the global trend to begin teaching English to young learners at increasingly younger and younger ages continues.Teaching English Language Learners Worldwide contains relevant ELT pedagogy, educational theory, and is a Practical Guide for both the new and experienced teacher. The practical guidebook offers educators practical strategies for teaching in all settings: EAL / EIL / ELL / ESL / EFL worldwide. It is written by a teacher of English who has over a decade experience in a variety of settings, including language institutes, schools, and university, with all ages and levels, from beginner to advanced.The book is written in a friendly, engaging, authentic, practical voice. It makes for easy reading and reference while motivating and interacting with the reader. The author is the Past-President of TESOL Chile, and thus is no stranger to the controversial topics in English Language Teaching, which he takes head on in this book. The writer says: "This is the book I wish I had when I first started teaching English language learners. It would have made me a better teacher." It provides research-based instructional techniques which have proven effective with English learners at all proficiency levels. The author requests you write a review for this book if you find this book to be helpful to you in your practical teaching, where it is most valuable. Thank you in advance for your support.

Today English language learners aren't just popping up in California, Arizona, New Mexico, or Texas. The fastest growing populations are in states and districts that have historically taught few students who don't speak English. If you teach where English language learners are a new phenomenon, you may feel underprepared to meet their needs and wonder if you can even teach them at all. You can, and English-Only Teachers in Mixed-Language Classrooms: A Survival Guide will lead you to success every step of the way. English-Only Teachers in Mixed-Language Classrooms: A Survival Guide is just that: a brief, practical primer for your first ELL experience - and a warm, comforting companion on the journey into confident teaching. Written for teachers in grades K - 6 with little or no expertise in second language teaching, it shows the essentials of helping nonnative speakers succeed - even when you don't speak your students' home language. Joanne Yatvin explains what types of strategies build students' confidence, competence, and fluency in English while helping them understand and retain vital content. She covers ESL teaching for the most crucial aspects of instruction: organization and planning teaching beginning English reading and writing instruction content-area learning fostering classroom community. Best of all, Yatvin zeroes in on smart ways to use classroom partnerships to invite English speakers and ELLs to support one another's learning through child-to-child mentorships and peer tutoring. Sharing insight into helping ELL students adjust to their new classroom emotionally and academically while paying special attention to the importance of developing strong connections to their families, Joanne Yatvin gives you a map for navigating the uncertain terrain of your first encounter with English learners. Read English-Only Teachers in Mixed-Language Classrooms: A Survival Guide and discover that teaching second language learners is not only less scary than you might have thought, but that there's nothing quite like the satisfaction of helping children take their first steps into a new language.

This practical guide equips school leaders to shape a culture conducive to high academic achievement for English language learners. Includes case studies and quick reference charts.

As American universities become increasingly diverse, instructors must know how to teach all their students effectively. ESL Students in the Public Speaking Classroom contains practical advice and specific techniques from experts Robbin Crabtree and David Sapp, help instructors to both understand linguistic diversity in the classroom, and to leverage it as a teaching asset. This guide contains helpful classroom activities at the end of each chapter, along with two new chapters (on technology and community-engaged public speaking) and an extensive annotated bibliography for further reading.

The author examines the immense demands faced by ELL educators and offers specific strategies to address these special challenges.

Use this six-part strategy for measurable, cross-curricular EL achievement! Expert research, instructive tables and templates, essays, and real-life stories illuminate best practices for cross-curricular, standards-based instruction that gets results. Using the authors' six-part ENGAGE Model, you'll learn to: Establish a shared vision for serving ELs Name the expertise to utilize within collaborative teams Gather and analyze EL-specific data Align standards-based assessments and grading to ELs' linguistic and content development Ground standards-based instruction in both content and language development Examine results to inform next steps Use this groundbreaking guide for measurable EL progress!

This handbook is designed to assist classroom teachers of English as a Second Language (ESL) in meeting the needs of their adult students. The handbook is intended for use in a variety of settings and with a variety of teaching styles. The first chapter discusses adult learners' characteristics and the factors affecting their learning. The second chapter looks at program components and considerations, including counseling and guidance, life skills, vocational ESL, academic curricula, comprehensive curricula, and textbook evaluation and selection. Chapter 3 describes several ESL teaching methods and discusses content area instruction, learning styles, and lesson planning. Chapter 4 describes the characteristics and background of effective ESL instructors, assessment of instructional strength, and means of professional growth. The fifth chapter examines aspects of adult programming to help instructors understand local programs and assist in designing orientation procedures, focusing on curriculum and materials, teachers' non-instructional responsibilities, placement and attendance, accounting, and personnel and finances. Appended materials include a sample ESL needs assessment, a sample textbook evaluation form, lesson plans for three proficiency levels, an outline of teaching methodologies, and a list of characteristics of effective lessons. Due to globalization, the ability to converse in English has become an incredibly important skill to possess. Business people, students, and the general public alike have become increasingly aware of the advantages provided by English literacy, and are therefore willing to go to great lengths to become proficient in the language. ESL stands for "English as a Second Language." ESL teachers teach the English language to non-native English speakers all over the world. Thus, English becomes the student's second language. While teaching ESL can be challenging, it can also be a very rewarding experience. This book is designed to help you, the ESL teacher, become better equipped to create enjoyable and effective ESL lessons for your students. Here, you'll learn everything that you need to know to plan great lessons for your classes so that you and your students can make learning English easy, stress-free, and fun.

The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education. The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension "skills" at the expense of actual knowledge. In the tradition of Dale Russakoff's The Prize and Dana Goldstein's The Teacher Wars, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But The Knowledge Gap isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of shedding their

deeply ingrained habits, and describes the rewards that have come along: students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix our education system and unlock the potential of our neediest children, we have no choice but to pay attention.

Position your school to successfully teach English learners Could your school be more effective at instructing its English learners? Whether you are just beginning to work with an emergent population or need to improve your program, this book provides a comprehensive framework for improving ELs' academic performance and school engagement through visionary planning of EL education programming. The author addresses such critical topics as: Selecting the appropriate program model for your school Creating effective student course schedules for language development and content Making data-driven decisions using effective measures of student performance learning Effectively using Response to Intervention (RTI) This teaching guide is a simple, easy-to-follow, chronological set of lessons and activities with everything you need to instruct your students in the best practice methods of ESL/EFL instruction. You'll be able to maximize your time with your students instead of spending hours and hours planning and researching your lessons. Just review this guide before your lesson each day, prepare using the materials it provides, and TEACH! With this publication you will receive: a recommendations guide for ESL/EFL best practices, 20 ESL/EFL lesson plans with both new and repeating activities organized into four weeklong units, templates for vocabulary activities and grammar structures, dialogues that students can present, games, songs/chants, and short stories with comprehension questions. In addition, this guide comes with a diagnostic test that will take care of your assessment needs. It is an individually administered test that places the student into one of three ESL/EFL levels based on his or her responses; it also comes with a scoring key and guide. Appropriate for ages 8-adult. IMPORTANT NOTICE- This book contains some repetition in its activities from day to day. The reason for this is that language learning requires repetition and consistency in order to master vocabulary and grammar concepts. Thus, you'll find both new and repeating activities in each lesson plan of this guide.

Take a ride in a long submarine or fly away in a hot air balloon. Whatever you do, just be sure to bring your favorite book! Rafael López's colorful illustrations perfectly complement Pat Mora's liting text in this delightful celebration of El día de los niños/El día de los libros; Children's Day/Book Day. Toon! Toon! Includes a letter from the author and suggestions for celebrating El día de los niños/El día de los libros; Children's Day/Book Day. Pasea por el mar en un largo submarino o viaja lejos en un globo aerostático. No importa lo que hagas, ¡no olvides traer tu libro preferido! Las coloridas ilustraciones de Rafael López complementan perfectamente el texto rítmico de Pat Mora en esta encantadora celebración de El día de los niños/El día de los libros. ¡Tun! ¡Tun! Incluye una carta de la autora y sugerencias para celebrar El día de los niños/El día de los libros. The author will donate a portion of the proceeds from this book to literacy initiatives related to Children's Day/Book Day. La autora donará una porción de las ganancias de este libro a programas para fomentar la alfabetización relacionados con El día de los niños/El día de los libros. English language learners (ELLs) often face the difficult challenge of learning both a new language and new subject matter at the same time. In Teaching English Language Learners Across the Content Areas, Judie Haynes and Debbie Zacarian offer strategies, tools, and tips that teachers can use to help ELLs at all levels flourish in mainstream classrooms. This book will show teachers how to * Determine their ELLs' stages of English language acquisition. * Modify assignments and assessments in different content areas for ELLs at different stages of language development. * Ensure that all ELLs participate fully in lesson activities alongside their English-fluent peers. * Communicate effectively with parents and guardians of students from diverse cultures. Real-life examples of lessons from elementary, middle, and high school that have been modified for ELLs in language arts, math, science, and social studies classes show how to effectively put the authors' recommendations into practice. A glossary of important ELL and ESL terms is included as well, for those who are new to teaching ELLs. Whether novice or veteran, all teachers of ELLs will benefit from this wonderfully practical guide to ensuring that ELLs learn English by learning content--and learn content while learning English.

The must-have Common Core guide for every ESL/ELL instructor Navigating the Common Core with English Language Learners is the much-needed practical guide for ESL/ELL instructors. Written by experienced teachers of English Language Learners, this book provides a sequel to the highly-regarded ESL/ELL Teacher's Survival Guide and is designed to help teachers implement the Common Core in the ELL classroom. You'll find a digest of the latest research and developments in ELL education, along with comprehensive guidance in reading and writing, social studies, math, science, Social Emotional Learning and more. The Common Core is discussed in the context of ESL, including the opportunities and challenges specific to ELL students. Ready-to-use lesson plans and reproducible handouts help you bring these ideas into the classroom, and expert guidance helps you instill the higher-order thinking skills the Common Core requires. The Common Core standards have been adopted in 43 states, yet minimal guidance has been provided for teachers of English Language Learners. This book fills the literature gap with the most up-to-date theory and a host of practical implementation tools. Get up to date on the latest stats and trends in ELL education Examine the challenges and opportunities posed by Common Core Find solutions to common issues that arise in teaching ELL students Streamline Common Core implementation in the ELL classroom The ELL population is growing at a rapid pace, and the ELL classroom is not exempt from the requirements posed by the Common Core State Standards. ESL/ELL teachers know better than anyone else how critical language is to learning, and ELL students need a specialized Common Core approach to avoid falling behind. Navigating the Common Core with English Language Learners provides specific guidance and helpful tools that teachers can bring to the classroom today.

Because teacher collaboration isn't an option, it's a MUST! EL authorities Maria Dove and Andrea Honigsfeld take ESL teachers and their general education colleagues step-by-step through building a successful collaboration—or improving an existing one. And since no teaching team is exactly alike, you'll find seven collaborative models to choose from. Features include: • In-depth profiles of the seven models • Advantages and challenges of each model • Clear explanations of each teacher's role • Tried-and-true strategies for the entire instructional cycle: co-planning, co-instruction, co-assessment, and reflection • Real-life accounts from co-teaching veterans • Accompanying videos and dedicated web content Help ELLs achieve success with an integrated, collaborative program! Teacher collaboration and co-teaching are proven strategies for helping students with diverse needs achieve academically. Now this practical resource provides a step-by-step guide to making collaboration and co-teaching work for general education teachers and English as a second language (ESL) specialists to better serve the needs of English language learners (ELLs). The authors address the fundamental questions of collaboration and co-teaching, examine how a collaborative program helps ELLs learn content while meeting English language development goals, and offer information on school leaders' roles in facilitating collaboration schoolwide. Featuring six in-depth case studies, this guide helps educators: Understand the benefits and challenges of collaborative service delivery Choose from a range of strategies and configurations, from informal planning and collaboration to a fully developed co-teaching partnership Use templates, planning guides, and other practical tools to put collaboration into practice Evaluate the strategies' success using the guidelines, self-assessments, and questionnaires included Collaboration and Co-Teaching helps ESL, ELL, and general education teachers combine their expertise to provide better support for their ELLs!

This guide is a simple, easy-to-follow, chronological set of lessons that has everything you need to instruct your students in best practice language education. This mega teaching manual has 60 lesson plans with both new and repeating activities, games, songs, dialogues, field trips, and more! These lesson plans will cover all concepts that your students need to master the beginning level of English. The guide kicks off with lessons to introduce students to both the English language and to language learning. With best practice teaching techniques such as spiraling, TPR, and cooperative learning, you can ease your students into English language learning. The guide starts with basic lessons on beginning English concepts such as present simple verb tenses, greetings, school/home vocabulary, and pronouns. The lessons then expand to build on students' mastery of these initial concepts while guiding them to their next level of English skill with topics such as past tense verbs, rules for plurals, articles, community/family vocabulary, and numbers to 100. With this publication, you will receive: an ESL/EFL recommendations guide, 60 ESL/EFL lesson plans with both new and repeating activities, an ESL/EFL diagnostic test with scoring key/guide, dialogues, vocabulary activities, grammar structures, games, field trip ideas, songs, literature activities, and more!IMPORTANT NOTICE- This book contains some repetition in its activities from day to day. The reason for this is that language learning requires repetition and consistency in order to master vocabulary and grammar concepts. Thus, you'll find both new and repeating activities in each lesson plan of this guide.

Start implementing it today and watch the outcomes improve.

Are you an ESL teacher (or would-be ESL teacher) who doesn't know (or know enough) English grammar? Do you tell your students that grammar isn't important or that grammar can be learned from games and conversation in order to hide the fact that you don't know much about grammar? Of course grammar is important, and if you want to get ahead in the ESL profession, you need to know grammar-what it is and how to teach it. Revised and updated, Secrets of Teaching ESL Grammar is a fun, easy-to-understand, intensive, manual on ESL grammar-from basic to advanced-for teachers like you who don't have a lot of time and need to quickly and easily get up to speed with the English grammar that every ESL teacher should know. Secrets of Teaching ESL Grammar explains each grammar point in depth-in plain, simple language-so that you will really understand it and be able to teach it to your students so they really understand it has advice about what grammar topics to teach and how to teach them, examples to put on the board, problems your students will have and how to address them, questions they will ask and how to answer them, sample exercises to do and use as a template for creating more has a wealth of tips, techniques, advice, exercises, tales from the trenches and top secret info has tons of classroom management advice for making your classroom a lively and productive learning environment that will make your students (and your boss) happy teaches you enough jargon and buzzwords to totally impress your colleagues and even better-you'll actually know what it all means and know how to put the concepts behind it to work in your classroom, and that will make you a better teacher! Learn the grammar you need to be an effective, popular and respected pro!

Teaching English Language Learners: Content and Language in Middle and Secondary Mainstream Classrooms is a user-friendly guide for planning, implementing, and assessing high-level, content-area instruction for English Language Learners. Starting with an overview of second language acquisition and the cultural variables that impact teaching and learning, this text goes on to detail planning strategies, units and lessons in the subject areas where it is most difficult to shelter content and scaffold language skills: middle and secondary Math, English Language Arts, History, and Science. Teaching English Language Learners will leave preservice teachers with a foundational understanding of how to purposefully structure, build, and present effective lessons for English Language Learners in these mainstream, content-area courses.

Serious and frequent criticisms by students in the ESL (English as a Second Language) Program attempting to master the English language are the chaotic spelling of English words and the lexical and grammatical irregularities in English. In many cases, these exceptions originated during the Old English Period (450-1100). Thereby, they may seem illogical, senseless, and unreasonable at a simple glimpse to any ESL student. However, if they are analyzed within an historical context, each case becomes a rich, historical trait that makes English even more a particular and interesting language to acquire, understand, and master. The present study gauges how significant it is for ESL teachers to have knowledge not only of English but also of the peculiarities of the English language. This manuscript introduces the value and relevance for ESL teachers to have the knowledge of the historical background of the grammatical rules of the English language in order to explain to their ELL students how some exceptions have retained their original traits and how others have become simplified through analogy or leveling during the following centuries until Modern English.This study is significant to ESL teachers as it presents the results of a study carried out in Charlotte-Mecklenburg Schools to find out which irregularities cause the most struggles to ELL students and which struggles are particular to the nationality of ESL students. The outcome of the survey is a useful tool for ESL teachers to foster the academic weaknesses of the different ethnic groups and to teach the exceptions of the English language in a relevant and meaningful way.

Want to learn the seven English pronouns effectively? The Pronoun Book is a perfect book to enjoy learning pronouns. The Pronoun Book is a comprehensive guide to learn the seven English pronouns effectively. Packed with visuals and different worksheets for each pronoun, students can easily understand and recall its usage. It uses simple and practical learning strategies and ideas to aid in the learning process. The book provides teachers with templates to guide in the students' learning. Indeed, The Pronoun Book makes learning easier and fun!

Understanding ESL Writers: A Guide for Teachers responds to the overwhelming concern non-ESL faculty have expressed with the influx of ESL students into their classes.

Equips students with a firm grounding in the how's and why's of public speaking by providing an ideal balance of theory and skills while placing an important emphasis on critiquing, ethics, and critical thinking. Written in a casual, lively style and clearly organized, this edition of Mastering Public Speaking builds on its previous success. The Fifth Edition retains its popular and distinctive emphasis on the ethical contract between speaker and listener and on the value of critiquing speeches to improve one's own skills. Students also learn how to think critically as they choose speech topics, conduct research, organize content, select language, manage nervousness, and deliver speeches. The Fifth Edition features a heightened emphasis on the role of new technology in the public speaking process and shows students how to effectively use the latest in technology to research and deliver speeches. Full of student examples from both two- and four-year schools, Mastering Public Speaking adds interest and relevance to all aspects of the speech-making process.
