

*planning and intervention. Chapters 7-10 deal with specific clinical situations based on presenting problems and the nature of client families. We examine major issues and approaches for working with children and adolescents, older adults, couples, and families that are struggling with serious mental illness. Chapter 11 highlights some common obstacles all therapists encounter, and provides concrete ideas on how to get unstuck when treatment is not progressing. Chapter 12 focuses on an often overlooked part of therapy--termination. In Chapter 13, we conclude the book by looking at emerging issues within family therapy"--*
