

## *Esther Anointing Becoming Courage Influence*

This book will motivate you to cry out until fruitfulness returns to your life, to fight against the disappointment that comes in times of waiting, and to surrender the things you've prayed for.

MANY ARE CALLED, BUT YOU ARE CHOSEN. This book will equip you with prophetic insight and divine strategies that will jump-start you on the path toward destiny, a distinction between the called and the chosen, the many and the few. Who are the chosen people? How did they get exclusive access to the favor of God? They are confident, prosperous, generous and joyful. They live in the realm of miracles and the supernatural as if the very breath of God is on every decision they make in life. One season after the next they are catapulted to new levels in life. All they do is win and trample over challenges, disappointments, and attacks from the enemy, while others still remain on the starting line, awaiting breakthrough. In her book Michelle McClain-Walters shows readers just what this distinction is and how they can live in the fullness of the favor of God as God's chosen ones. Built on the words of Christ in John 15:16--"You did not choose me, but I chose you and appointed you so that you might go and bear fruit--fruit that will last--and so that whatever you ask in my name the Father will give you"--and Matthew 22:14--"Many are called but few are chosen"--Chosen is a revelation of the spiritual force behind the life of the next-level believer. Choose now and declare, "I am chosen" and watch as the mysteries of heaven are opened to you. Find power in your prayer like never before with this inspiring guide from #1 New York Times bestselling author Bishop T.D. Jakes. In a time when women carry more influence than any other generation, the power of prayer has never been more important to remind us that we do not have to bear our crosses alone. We need prayer to stand guard over our hearts and minds and over the hearts and minds of our families. Women today are shattering glass ceilings and forging new paths in the world. What Happens When a Woman Prays is a clarion call for women to continue their progressive march of empowerment by dreaming like their daughters and praying like their grandmothers. Through exploring the lives of 10 prayer-filled women of the Bible, Bishop Jakes emphasizes the life-changing power that women have when they find their identity, their strength, their healing, and their voices in Christ.

First published in 1976, Paul Johnson ' s exceptional study of Christianity has been loved and widely hailed for its intensive research, writing, and magnitude— “ a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and perhaps the most radical ” (New York Review of Books). In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little-known ‘ Jesus Sect ’ , A History of Christianity explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained in such a captivating work.

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In Suffering and the Sovereignty of God, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

The story of Israel's triumphs, defeats, backslidings, captivity, and reformation abounds in great.

Just as a united front is more powerful in battle, so is the anointing when Christians come together in unity! In this classic book Pastor Varner shows how God longs to reveal the fullness of Christ in the fullness of His Body in power and glory!

Joy A. Schroeder offers the first in-depth exploration of the biblical story of Deborah, an authoritative judge, prophet, and war leader. For centuries, Deborah's story has challenged readers' traditional assumptions about the place of women in society. Schroeder shows how Deborah's story has fueled gender debates throughout history. An examination of the prophetess's journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women, for women, and by women who aspired to leadership roles in religious communities and society. Numerous women-and men who supported women's aspirations to leadership-used Deborah's narrative to justify female claims to political and religious authority. Opponents to women's public leadership endeavored to define Deborah's role as "private" or argued that she was a divinely authorized exception, not to be emulated by future generations of women. Deborah's Daughters provides crucial new insight into the history of women in Judaism and Christianity, and into women's past and present roles in the church, synagogue, and society.

FROM BEST-SELLING AUTHOR OF PRAYERS THAT ROUT DEMONS Influence and power are not just for men. The fight was never intended to be man vs. woman. Both men and women are strong and mighty in the Lord. Chayil is a Hebrew word that is connected to strength, wealth, power, influence, wisdom, and military might, and it happens to be the word translated "virtuous" in Proverbs 31. Since the beginning of time chayil, or "virtuous," women have been created to fight for and defend their homes, families, and other kingdom entities against evil influences. Chayil women have been empowered to organize and activate those under their authority so that everything to which they are assigned runs smoothly and with excellence. A chayil woman is strong, mighty, and efficient; valiant, virtuous, and victorious. We were created to war together, man and woman, side by side, tearing down demonic strongholds of wickedness and advancing the territory of the kingdom of God. If you want to be empowered to accomplish your kingdom destiny and purpose in Christ, this book is for you! Using numerous examples from Scripture, this book shows women how to tap into the essence of the chayil anointing so they will be endued with power to defend and take back what is theirs; strengthened and motivated to tap into their God-given abilities and power to build and influence the areas they occupy; activated with supernatural wisdom and power to get wealth and to overtake the thief that comes to steal, kill, and destroy; able to take authority and defend their families, possessions, destinies, property, and dignity; encouraged to have an edge against the forces that try to destroy their vision and success in business or ministry. The chayil anointing manifests in the woman who is anointed for ministry, business, and marketplace influence.

the qualities that make women great, the power of influence, and the key to finding God's favor for your assignment.

Boldly change your life and those you influence by developing an ear to not only hear, but to also listen to God's heart. God released grace upon Anna to fast and pray unto the revelation of Jesus to the earth the first time. God is releasing a similar grace upon a whole generation of women who will operate in a similar anointing as Anna's unto the revelation of Jesus to the earth in His second coming. This book will be the catalyst for a prayer movement spreading all over the earth to usher in the greatest revival the planet has ever seen.

Every woman is a legend in the making. Legendary women aren't just those in the history books or leading in business or politics. They are everyday women—the single mom, the prayer leader, the stay-at-home wife—who choose to say yes to God. That one simple act can create a legendary legacy that lives on from generation to generation and forever changes the course of humankind as we know it. In *Legendary Woman*, Bible teacher Michelle McClain-Walters gives flight to the legendary nature in each woman who dares to dream and risk everything to live out her divine purpose. Through the stories of women in Scripture and history, the book presents twelve characteristics of a legendary woman, and challenges you to identify your defining moments—when your destiny intersects with an epic need within your family, community, nation, or your world—and be willing to say yes to the legendary role God has uniquely fashioned for you. In addition, prayers and biblically based confessions, affirmations, and declarations throughout the book will fill you with the confidence you need to embrace who you are at every level. This is the finest hour in human history to be a woman. The Lord Most High is activating an army of women who will lead, preach, pray, prophesy, and prosper under the active guidance of the Holy Spirit. Every woman has a place in this army. Every woman is a legend in the making. Whether you had a dark past or are the unlikeliest of heroes, you will come to embrace your path as a real-life legend in the making, the very expression of God in feminine form. Using female world-changers of the Bible, this book will encourage you to forget your past, realize your potential, and say yes to the divine destiny God is revealing to you. FROM BEST-SELLING AUTHOR MICHELLE MCCLAIN-WALTERS When your faith fails, God prevails. This book will teach you how to live out your nature as an active participant in God's vision. Sarah was a loyal wife

who followed her husband, Abraham, when God spoke to him. Even when Abraham made mistakes, she still called him "lord." She is an example of a woman with a submitted spirit who responded biblically to her husband without losing her identity. Sarah was an active participant in God's vision--perhaps too active, as she ran ahead of God and tried to fulfill His covenant in her own timing. She also laughed at the possibility of a miracle. But when God changed Sarah's name, He changed her nature. The name change linked her to Abraham in co-rulership, including her in God's covenant promise, which was fulfilled by the couple's working together. Sarah's example shows us that God has included women in His purposes and plans throughout history and will include them in the next great awakening. Her life is a positive lesson in faith that breaks personal limitations. This eBook includes the full text of the book plus an additional chapter on Europe from Dr. Jeremiah's book *What in the World Is Going On?* not included in the print book! According to the headlines, the world is falling apart! Where's God in all of the change, conflict, and chaos? Pastor David Jeremiah offers culturally relevant and biblically accurate insights on terrorism, radicalized Islam, the new Russia, the debt crisis, and more to reveal how God's hand is at work in his unfolding plan for humanity. Never have headlines been this jarring, cultural changes this rapid, or moral decay this pronounced. What on earth is happening? After each new occurrence, the most oft-heard questions are, "Will the world ever be the same again?" and "Where is God in all of this?" Over the last few decades, Dr. David Jeremiah has become one of the world's most sought-after Christian leaders on topics that deal with biblical application and modern culture. And few would dispute that the pace at which things are currently changing is unprecedented. The time has come to accept this new normal, Jeremiah says, and understand how God's hand is still at work on His eternal plan for mankind. Split into two sections, the book covers timely topics surrounding two important questions: Is this the end of America? and Is this the end of the world? including detailed chapters on: Terrorism in the world today ISIS and radicalized Islam The New Russia and its global impact The bleeding of America's borders and the immigration crisis Polarization and divisiveness politically and in our communities The "anything goes" society The coming of Christ and the end of the world No one can afford to ignore these warnings, but all can better understand the greater story and the role we each play in this changing world. From prophetic clues in Scripture to an understanding of the power of Christ in all believers, this book directs us on a clear path forward.

Considered by many to be 'the last important product of the Apocalyptic movement', The Apocalypse of Abraham is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the Temple and thus was written after 70 AD. It is considered part of the Apocalyptic literature but not regarded as authoritative scripture.

Today's twisted pictures of gender roles create confusion over how a woman should define herself. Women and men are encouraged to move closer to center and away from the traits that distinguish male from female. How can women feel good about themselves when society is constantly dictating what they can and should be? In *FIGHT LIKE A GIRL*, Lisa Bevere exhorts us to embrace the differences between sexes. Her goal is to encourage women to celebrate the unique aspects of femininity. Instead of trying to adopt ill-fitting character traits, women should see themselves as designed and valued by God and savor their femininity as their strength, not a flaw.

God is releasing His voice upon the earth. He wants to speak to you and through you as a gift of His Spirit. Embracing this Christian birthright will usher you to experience the outpour of God's Spirit to prophesy as a son or daughter of God. This course is designed to teach you the practical steps to operate in prophecy and how to understand the levels of prophetic ministry. Tapping Into God's Infinite Supply Each of God's names reveals a wonderful aspect of His nature that can meet your deepest needs, comfort you in times of personal tragedy, and release you to heights of praise in times of joy. God is so vast that the heavens cannot contain Him. Likewise, His personality is so complex that one name cannot adequately describe Him. Throughout the Bible, God revealed Himself to His people through His various names. When the Israelites were fearful, God revealed Himself as Jehovah Shalom, meaning "the Lord my Peace." When they were uncertain of His will, He revealed Himself as Jehovah Rohi, meaning "the Lord my Shepherd." He is also Jehovah Jireh, "the Lord our Provider," and Jehovah Rophe, "the Lord our Healer." Marilyn Hickey's practical teaching on nineteen different names of God will whet your appetite to pursue fully God's love and purpose for your life.

Some of the most influential and prophetic voices of the Spirit-empowered movement have joined together to help you start hearing the sounds of heaven and discover how natural elements such as light, energy, vibration and even quantum physics are supernaturally bringing Heaven to Earth.
