Told with P. D. James's trademark suspense, insightful characterization, and riveting storytelling, The Children of Men is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.

Sarah Larker's world is crashing down all around her. She has a wonderful Immortal husband and a beautiful son on the way. But sadly, she is slowly dying. Victor desperately hunts for an answer to save her life. With everything on the line, they decide to trust an enemy who promises them a life-saving cure – an eternal bloom mentioned in myths and sacred books. Can the bloom really cure her? Will Sarah live long enough to deliver her precious son?

VENOM by Kristen Middleton A vampire novella derived from The Night Roamer's series. When Melody Williams goes missing at a concert, at Club Nightshade, her eighteen-year-old cousin, Chelsey Fairfax, sneaks into the club to find answers. Little does she know that some mysteries are better left hidden. Meanwhile, Venom is in town, a hot new band from Europe, and the owner of Club Nightshade wants them there permanently...
SEVENTH MARK – Part 1 by W.J. May An ancient journal, a Sioghra necklace and a special mark force life-altering decisions for a girl who grew up unprepared to fight for her life or others. All secrets have a cost and Rouge’s determination to find the truth may force her and Michael apart. It can only lead to trouble...or something even more sinister.

Warning: There are werewolves in this story... and they are not friendly.
THE SHADOW SOUL By Kaitlyn Davis When Jinji's home is destroyed, she is left with nowhere to run and no one to turn to--until she meets Rhen, a prince chasing rumors that foreign enemies have landed on his shores. Masquerading as a boy, Jinji joins Rhen with vengeance in her heart. But traveling together doesn't mean trusting one another, and both are keeping a deep secret--magic. Jinji can weave the elements to create master illusions and Rhen can pull burning flames into his flesh. But while they struggle to hide the truth, a shadow lurks in the night. An ancient evil has reawakened, and unbeknownst to them, these two unlikely companions hold the key to its defeat. Because their meeting was not coincidence--it was fate. And their story has played out before, in a long forgotten time, an age of myth that is about to be reborn...
CRUSH By Chrissy Peebles His precious touch could prove deadly... When Taylor Sparks moves from New York City to Big Bear Lake, California; her life is forever changed when she meets a hot guy with winter-blue eyes named Jesse. Their attraction is instant, the chemistry undeniable. But sadly, things aren't adding up. Taylor wonders what her 'crush' is hiding. When her new friend, Fred tells her his suspicions about Jesse being a paranormal creature, Taylor laughs. But when Fred turns up dead, she believes every warning he ever told her. Taylor is shocked to learn that Big Bear Lake isn't just glittering lakes, towering pines, and breathtaking mountains...there's more...way more than meets the eye. Will Taylor dive into a paranormal world she knows nothing about? To be with the one her heart can’t live without?
ELEMENT By CM Doportto College freshman, Natalie Vega, offers to be a test patient for several vitamins and supplements created by Kronberg Laboratories, a large pharmaceutical company where she interns. Immediately her body starts going through physical changes but when she runs into her former high school crush, Ryan Garrett, she is unaware of the life altering affects he will have on her.
AWAKENING By Samantha Long When Sophie moves to Boston to get away from the people who ridiculed her for her psychic talents, she wants to start fresh. But when a demon attacks her study group at the library, she has no choice but to reveal her abilities to warn the others. She learns the attacks won't stop until she's dead. To stay alive she joins forces with the other students and a secret society that has battled the demons for centuries. The last thing she wants to do is be a pawn in the war of good and evil. When her visions start showing events from a past life, she can't ignore the connections it shows. She has no choice but to acknowledge the bonds that tie her to the other students, even if some of them refuse, to have the strength to defeat the demon that hunts them down. Will she survive long enough to stop the demons from destroying everything

Heir of Fire

The Children of Men

A beautifully written, incredibly original and wickedly funny novel for readers of 10 and older – BLOOM is for everyone who has ever felt like they didn't fit in, and for anyone who has ever wanted a little more colour and wildness in their lives...

The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness
NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER
Compared favorably to the works of Faulkner and Dickens, Arundhati Roy’s modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing “big things [that] lurk unsaid” in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

Book 2 - Race for the Cure Book 3 - Deadly City Book 4 - Poisonous Serum Book 5 - Undead Nightmare Book 6 - Revelation Book 7 - Trepidation Book 8 - Impact Warning: Mild violence. For mature teens and young adults. Quotes The zombie apocalypse has swept in like a violent storm, and every day is a fight to survive. Yes, it’s scary, and we have no guarantees that we’ll live to see the next sunrise. But there’s nothing we can do to stop it. We just have to let it run its course and pray that the zombies rot out soon. I’m not Rambo, Supergirl, or Xena, but I can’t let worry consume me either. Just because I’m not made out of titanium, that doesn't mean I won’t make it to the finish line. I've gotta stay brave and keep fighting as hard as I can and never, ever give up hope. — Val Bennett - zombie fighter & survivor I have to keep my footing, catch my breath, and keep walking the twisting path ahead. There are many huge hurdles to face. I don’t know what life holds for me, but I will survive as long as I can, and I won't go down without a fight. — Sammy Evans - survivor & zombie fighter Humans are a rare and endangered species. Swallowing down our fear, we must fight to protect humanity at all costs. Protecting the human race must be our number one priority. We need to fight for the future we want, not the one that’s been delivered to us. Taking back our world is a fight I will never give up on. And in my opinion, that makes every zombie hunter a very special breed of warrior. — Dean Walters - survivor & zombie hunter

This is a young adult book series. Each chronicle will feature Dean's struggles as he tries to survive in this new world. And thus the name, The Zombie Chronicles. I hope you enjoy this series, and thank you for giving book one a chance.

Four authors will each take a different daughter born from the Prince of Darkness, Vlad Montour. (Also known as Vlad the Impaler, an evil villain from history) Blair – Chrissy Peebles Jezebel – Kristen Middleton Victoria – W.J. May Lotus – C.J. Pinard Blair: Half witch and half vampire. She lives with a coven of witches and hasn't had any contact with her vampire heritage. Blair is living the perfect life until one day, everything crashes down around her. She is forced to leave everything she knows and loves, and must go on the run to save her life. Jezebel: A red-haired vampire/succubus with dark appetites. She's also a Private Investigator, living in Sin City, and tracking down cheating spouses is her specialty. Life is good, until one night when Jez is visited by a stranger, named Dorian Hart, who hands her a letter with some shocking revelations. Victoria: Only Death Could Stop Her Now Victoria is a Hunter Vampire, one of the last of her kind. She's the best of the best. When she finds out one of her marks is actually her sister she let's her go, only to end up on the wrong side of the council. Forced to prove herself she hunts her next mark, a werewolf. Injured and hungry, she is forced to do what she must to survive. Her actions upset the ancient council and she finds herself now being the one thing she has always despised -- the Hunted. Lotus: Don't let the pretty name fool you. This daughter is no delicate flower. Lotus grew up orphaned. Having no idea who her real parents were, she's been drifting around the U.S. for over 100 years moving every 15 years or so since she just doesn't seem to age. She'd figured out on her own that she had to be at least part vampire, as she needs to suck on a few blood bags a month to survive. Working as a detective with the Denver P.D., Lotus is searching desperately for a serial killer who is murdering the homeless of the city. Except these are not ritualistic or thrill killings. These victims have been drained of blood and Lotus knows, beyond a shadow of a doubt, that they have been committed by a vampire. Her search will take her to Las Vegas, and that is where the true adventure will begin, when she finds out who has been searching for her.

Sarah is forced to face the reality of what it means to be an Immortal. Her powers are unstable and Victor must guide her through the process. Sarah also learns King Taggart is slowing dying and Victor will soon take over his title as 'King of the Immortals'. But a dangerous adversary will stop at nothing to win, and Sarah knows Ethano must be stopped at all costs. Sarah's plan of marrying Victor to obtain the ruby ring is starting to backfire as she starts to develop genuine feelings for her warrior king. While trying to fight the attraction she feels toward her immortal husband, she fights to save the ones she loves. Val – Prequel to The Zombie Chronicles

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of The Island of Missing Trees (a Reese’s Book Club Pick), incarnates Rumi’s timeless message of love The Forty Rules of Love unfolds two tantalizing parallel narratives, the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi’s work. Ella Rubenstein is forty years old and unhappily married, a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish’s role in transforming the suicidal, committed mystic, passionate poet, and advocate of love. She is also taken with Shams’s lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every moment. She realizes that Rumi’s story mirrors her own and that Zahara—like Shams—has come to set her free.

This is book 2 in The Werewolf & Vampire Chronicles. Thousands of years ago, Ankh witches were created to destroy Falcar vampires. The ancient group of evil vampires finally triumphed eighteen years ago and wiped out the Ankh bloodline forever and rejoiced in their victory. Little did they know, a baby girl was smuggled out and hidden in the human world. When Sophie turns eighteen, she is clueless to her secret heritage. Alone and afraid, Sophie can't explain the flickering lights and exploding glasses, but she knows something isn't right. Little does she know that she's now a beacon to all supernatural creatures and leaves a magical signature wherever she goes. When the Falcars learn that Sophie exists, they are determined to end her bloodline once and for all. After an attempt on her life, she joins forces with a gang of supernatural beings and works with them to stop the Falcars from wiping out every immortal on the planet.

Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

"Celia Lighthouse Thaxter (1835-1894) was born in Portsmouth, NH. When she was four, her father became the lighthouse keeper on White Island in the Isles of Shoals. After resigning his post eight years later, he built a resort hotel on Appledore Island in Maine. The first of its kind on the New England coast, the hotel became a gathering place for writers and artists during the latter half of the 19th century. In her last year of life, Celia published this work, in which she lovingly describes her Appledore garden and its flowers. The flowers she grew in her cutting garden filled her own rooms and those of the hotel, and this work became famous for its descriptions of the old-fashioned flowers she grew there. Her island garden, a plot that measured 15 feet square, has been re-created and is open to visitors."

A Little Book of Eternal Wisdom

Forest of the Forbidden

From critically acclaimed historical novelist Diane Haeger comes The Ruby Ring, an unforgettable story of love, loss, and immortal genius . . . Rome, 1520. The Eternal City is in mourning. Raphael Sanzio, beloved painter and national hero, has died suddenly at the height of his fame. His body lies in state at the splendid marble Pantheon. At the nearby convent of Sant'Apollonia, a young woman comes to the Mother Superior, seeking refuge. She is Margherita Luti, a baker's daughter from a humble neighborhood on the Tiber, now an outcast from Roman society, persecuted by powerful enemies within the Vatican. Margherita was Raphael's beloved and appeared as the Madonna in many of his paintings. Theirs was a love for the ages. But now that Raphael is gone, the convent is her only hope of finding an honest and peaceful life. The Mother Superior agrees to admit Margherita to their order. But first, she must give up the ruby ring she wears on her left hand, the ring she had worn in Raphael's scandalous nude "engagement portrait." The ring has a storied past, and it must be returned to the Church or Margherita will be cast out into the streets. Behind the quiet walls of the convent, Margherita makes her decision . . . and remembers her life with Raphael—and the love and torment—embodied in that one precious jewel. In The Ruby Ring, Diane Haeger brings to life a love affair so passionate that it remains undimmed by time. Set in the sumptuous world of the Italian Renaissance, it's the story of the clergymen, artists, rakes, and noblemen who made Raphael and Margherita's world the most dynamic and decadent era in European history.

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
