Folksy and fresh, endearing and affecting, Fried Green Tomatoes at the Whistle Stop Cafe is a now-classic novel about two women: Evelyn, who's in the sad slump of middle age, and gray-headed Mrs. Threadgoode, who's telling her life story. Her tale includes two more women—the irrepressibly daredevilish tomboy Idgie and her friend Ruth—who back in the thirties ran a little place in Whistle Stop, Alabama, offering good coffee, southern barbecue, and all kinds of love and laughter—even an occasional murder. And as the past unfolds, the present will never be quite the same again. Praise for Fried Green Tomatoes at the Whistle Stop Cafe "A real novel and a good one [from] the busy brain of a born storyteller."—The New York Times "Happily for us, Fannie Flagg has preserved (the Threadgoodes) in a richly comic, poignant narrative that records the exuberance of their lives, the sadness of their departure."—Harper Lee "This whole literary enterprise shines with honesty, gallantry, and love of perfect details that might otherwise be forgotten."—Los Angeles Times "Funny and macabre."—The Washington Post "Courageous and wise."—Houston Chronicle

Sinnlich und gefährlich süchtig machend! \*\*\* Ich muss es dir sagen: Du fehlst mir. Deine Stimme, dein Mund, dein herrlicher Körper, dein Lachen, das alles fehlt mir ganz schrecklich.\*\*\*

From Friend to Fake Flance

The Mind'ck Series

This is Max. Everything normal here. Nothing weird about Max ... until he burps. When Max burps he becomes a huge monster, with teeth like swords, who can jump over buildings, roar and eat whole dustbins. It's great being a monster and saving people, his aim 'to protect and do good stuff', unless he sneezes when he didn't mean to, changes back, and finds himself far from home in just his pants. But something starts causing a lot of damage in their quiet suburb, and it isn't Max. His nemesis, Peregrine, a boy his age, is relentlessly on the trail of this monster, and has invented his POOP (Portable Operating Omni-Prison) machine to trap it. Max has to catch the real culprit, before Peregrine can catch him... An irresistible mix of slapstick comedy and action adventure, packed full of chases, inventions, battles and burn jokes. First in a series for 7-9s. Bonkers from start to finish. And I mean that in a GOOD way - Philip Ardagh

Eva Walker is a seventeen-year-old math genius. And if that doesn't do wonders for her popularity, there's another thing that makes it even worse: when she touches people, she sees a vision of their emotions. She can read a person's fears and anxieties, their secrets and loves... Then, Zenn walks into her life and she is instantly drawn to him, even more so, when she realises that he is the only one who is immune to her gift. When she discovers the history that links them though, the truth threatens to tear the two apart.

Best-Practice EVA tells the new EVA story from the ground up. Stewart covers EVA essentials—the classic economic profit version of EVA—in the first three chapters of the book. He shows readers how simple and intuitive EVA really is, how it is defined, and why it is better than all other measures of corporate profit. You discover how it naturally guides managers into making all the right decisions—the ones you truly maximize value. You see how to use it in profit-sharing bonus plans that create the powerful incentives of an owner. Later, Stewart introduces new ratios that make EVA much more powerful and much easier to use than ever before. The pinnacle of the new ratio framework is EVA Momentum, calculated by taking the change in EVA versus the prior period, and dividing by the revenue in the prior period. It measures the growth rate in EVA, scaled to the sales size of the business. It is the only corporate performance ratio which always is better, because it gets bigger when EVA does, which means it should be every company's most important financial goal. The one ratio metric that everyone aims to maximize as the key measure of corporate success. Stewart then walks through the nuts and bolts of Best-Practice EVA, kicking off with an in-depth look at EVA Margin, or EVA as a percent of sales. It's a key productivity metric, and Stewart's candidate to replace ROI. The last link in the Best-Practice program is PRRV—the EVA market score report. Stewart shows how to read and interpret the report, how the score is determined, and why investors are turning to it to screen and rate stocks. He also shows why it is finding a home with CFOs and IR directors who want insights into how the market is pricing their stock. The book concludes with battle-tested tips from the firing line, practical suggestions for how you can test drive and adopt Best-Practice EVA at your company.

LIFE'S A GAMBLE... But Jolie doesn't want to play games. She has too much going on, taking care of everyone and everything, most especially her three-year-old daughter. What she's really looking for is something quick and easy peasy, lemon squeeze—in other words, a guy to call for some fun, one who won't interfere in her life and, above all, need time and attention that she doesn't have to give. Enter Luca, who is equally relationship-averse. But he's a little lonely, and he is looking for a friend. And he's also charming, and sweet, and Jesus, is he handsome...and if one thing leads to another... When Lady Luck deals you this hand, you may have to play it!

*In this delightfully charming teen spin on You've Got Mail, the one guy Bailey Rydell can't stand is actually the boy of her dreams—she just doesn't know it yet. Classic movie buff Bailey "Mink" Rydell has spent months crushing on a witty film geek she only knows online by "Alex." Two coasts separate the teens until Bailey moves in with her dad, who lives in the same California surfing town as her online crush. Faced with doubts (what if he's a creep in real life—or worse?), Bailey doesn't tell Alex she's moved to his hometown. Or that she's landed a job at the local tourist-trap museum. Or that she's being heckled daily by the irritatingly hot museum security guard, Porter Roth—a.k.a. her new arch-nemesis. But life is whole lot messier than the movies, especially when Bailey discovers that tricky fine line between hate, love, and whatever-it-is she's starting to feel for Porter. And as the summer months go by, Bailey must choose whether to cling to a dreamy online fantasy in Alex or take a risk on an imperfect reality with Porter. The choice is both simpler and more complicated than she realizes, because Porter Roth is hiding a secret of his own: Porter is Alex... Approximately.*

Lust flashed in his gaze and then he caught her face between his hands and kissed her. "For you, my beautiful Artemis, I'd stay up all night." Artemis Jones—"respectable" finishing-school teacher by day and Gothic romance writer by night—has never lost sight of her real dream: to open her own academic ladies' college. When Artemis is unexpectedly called upon by a dear friend, a fellow Byronic Book Club member, to navigate her first London Season, she comes at once. Who knows, perhaps she can court the interest of a wealthy patron for her school. As long as she can avoid her high-handed aunt's schemes to marry her off. Dominic Winters, the widowed Duke of Dartmoor, needs a wife—somebody will provide him with an heir and help him to manage his spiteful adolescent daughter. The problem is, Society has dubbed him "The Dastardly Duke." Rumors are rife that he murdered his mad wife so his choices for a suitable bride are limited. But then he meets the ravishing and passionate Artemis Jones who might just be everything he needs. "The perfect blend of sexiness and humor..." Amy Rose Bennett has created a lush, vibrant love story, her characters sharing a fabulous sensual chemistry that fairly scorches the page."—Christina Britton, award-winning author
