“ For many volunteers, fundraising is a necessary evil, a dirty F-word that compels them to have uncomfortable conversations with their families and friends . . . ” Through her work with countless female philanthropists, Diane Lebson discovered that there was no definitive guide volunteers and activists could turn to for guidance in navigating the day-to-day activities associated with doing good in the world—so she wrote one. Leveraging the skills and experiences she cultivated over more than twenty-five years as a nonprofit executive, board member, and consultant, *For A Good Cause* offers practical tips on how to “ do ” philanthropy. In chapters divided up by specific activities—such as serving on a board, advocating for a cause, starting your own philanthropic venture, becoming a fearless fundraiser, and more— Diane offers practical advice on how to professionalize your philanthropic engagement and make a greater impact. Rounded out with information about best practices, checklists, and profiles of inspiring leaders, *For A Good Cause* is the do-gooder ’ s go-to resource for giving joyfully.

*EVERGREEN demonstrates each of the nine rhetorical patterns with two student sample essays (one in the third person, and one in the first person), and a graphic organizer. New to the Tenth Anniversary Edition is coverage of personal error tracking, including a new chapter, pull-out chart, and integrated exercises for each grammar and spelling chapter to help students identify, track and correct their own errors. The new edition also features an even stronger emphasis on critical thinking, with more exercises on critical thinking and viewing, and many more teaching tips designed to prompt critical thinking. A young witch must pass a coming-of-age quest or risk losing her magic forever in this enchanting fantasy -- perfect for fans of Kiki's Delivery Service and Aru Shah and the End of Time. Sometimes all you need is a pinch of magic... Eva Evergreen is determined to earn the rank of Novice Witch before her thirteenth birthday. If she doesn't, she'll lose her magic forever. For most young witches and wizards, it's a simple enough test: One: Help your town, do good all around. Two: Live there for one moon, don't leave too soon. Three: Fly home by broomstick, the easiest of tricks. The only problem? Eva only has a pinch of magic. She summons heads of cabbage instead of flowers and gets a sunburn instead of calling down rain. And to add insult to injury, whenever she overuses her magic, she falls asleep. When she lands in the tranquil coastal town of Auteri, the residents expect a powerful witch, not a semi-magical girl. So Eva comes up with a plan: set up a magical repair shop to aid Auteri and prove she's worthy. She may have more blood than magic, but her "semi-magical fixes" repair the lives of the townspeople in ways they never could have imagined. Only, Eva's bit of magic may not be enough when the biggest magical storm in history threatens the town she's grown to love. Eva must conjure up all of the magic, bravery, and cleverness she can muster or Auteri and her dreams of becoming a witch will wash away with the storm.*

From the celebrated author of *The Bird Sisters*, a gorgeously rendered and emotionally charged novel that spans generations, telling the story of two siblings, raised apart, attempting to share a life. It is 1938 when Eveline, a young bride, follows her husband into the wilderness of Minnesota. Though their cabin is rundown, they have a river full of fish, a garden out back, and a new baby boy named Hux. But when Emil leaves to take care of his sick father, the unthinkable happens: a stranger arrives, and Eveline becomes pregnant. She gives the child away, and while Hux grows up hunting and fishing in the woods with his parents, his sister, Naamah, is raised an orphan. Years later, haunted by the knowledge of this forsaken girl, Hux decides to find his sister and bring her home to the cabin. But Naamah, even wilder than the wilderness that surrounds them, may make it impossible for Hux to ever tame her, to ever make up for all that she, and they, have lost. Set before a backdrop of vanishing forest, this is a luminous novel of love, regret, and hope.
