

Every Nights A Saturday Night The Rock N Roll Life Of Legendary Sax Man Bobby Keys

Just in time for the 40th anniversary of Saturday Night Live, a rollickingly updated edition of LIVE FROM NEW YORK with nearly 100 new pages covering the past decade. When first published to celebrate the 30th anniversary of Saturday Night Live, LIVE FROM NEW YORK was immediately proclaimed the best book ever produced on the landmark and legendary late-night show. In their own words, unfiltered and uncensored, a dazzling galaxy of trail-blazing talents recalled three turbulent decades of on-camera antics and off-camera escapades. Now a fourth decade has passed---and bestselling authors James Andrew Miller and Tom Shales have returned to Studio 8H. Over more than 100 pages of new material, they raucously and revealingly take the SNL story up to the present, adding a constellation of iconic new stars, surprises, and controversies.

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

New York Times Bestseller USA Today Bestseller The Globe and Mail Bestseller Publishers Weekly Bestseller Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of It Ends With Us. Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

NY Times best-selling author Dr. Michael Roizen reveals how the food choices you make each day--and when you make them--can affect your health, your energy, your sex life, your waistline, your attitude, and the way you age. What if eating two cups of blueberries a day could prevent cancer? If drinking a kale-infused smoothie could counteract missing an hour's worth of sleep? When is the right time of day to eat that chocolate chip cookie? And would you actually drink that glass of water if it meant skipping the gym? This revolutionary guide reveals how to use food to enhance our personal and professional lives--and increase longevity to boot. What to Eat When is not a diet book. Instead, acclaimed internist Michael Roizen and preventive medicine specialist Michael Crupain offer readers choices that benefit them the most--whether it's meals to help them look and feel younger or snacks that prevent diseases--based on the science that governs them.

Winner of the National Book Award A New York Times Bestseller "The queer romance we've been waiting for."—Ms. Magazine Seventeen-year-old Lily Hu can't remember exactly when the feeling took root—that desire to look, to move closer, to touch. Whenever it started growing, it definitely bloomed the moment she and Kathleen Miller walked under the flashing neon sign of a lesbian bar called the Telegraph Club. Suddenly everything seemed possible. But America in 1954 is not a safe place for two girls to fall in love, especially not in Chinatown. Red-Scare paranoia threatens everyone, including Chinese Americans like Lily. With deportation looming over her father—despite his hard-won citizenship—Lily and Kath risk everything to let their love see the light of day. (Cover image may vary.)

The State of Play is a call to consider the high stakes of video game culture and how our digital and real lives collide. Here, video games are not hobbies or pure recreation; they are vehicles for art, sex, and race and class politics. The sixteen contributors are entrenched—they are the video game creators themselves, media critics, and Internet celebrities. They share one thing: they are all players at heart, handpicked to form a superstar roster by Daniel Goldberg and Linus Larsson, the authors of the bestselling *Minecraft: The Unlikely Tale of Markus "Notch" Persson and the Game that Changed Everything*. The State of Play is essential reading for anyone interested in what may well be the defining form of cultural expression of our time. "If you want to explain to anyone why videogames are worth caring about, this is a single volume primer on where we are, how we got here and where we're going next. In every way, this is the state of play." —Kieron Gillen, author of *The Wicked + the Divine*, co-founder of Rock Paper Shotgun

For every woman who "does it all" . . . except get a good night's sleep! More than 60 percent of American women have trouble sleeping— which isn't surprising, as they have a higher risk of developing sleeping problems. But addressing this issue is more nuanced for women than for men; pregnancy and menopause are just two factors that add complexity to an already difficult problem. At the risk of jeopardizing work, parenting, relationships, or overall health, no woman can afford to deal with sleep deprivation on her own. *The Women's Guide to Overcoming Insomnia* is a roadmap for those who experience anything from occasional bad nights to chronic insomnia. It outlines several methods to overcome these issues and improve physical and emotional well-being. From medical sleep aids to nonmedical approaches, the book looks beyond the basics of sleep hygiene, helping women to retrain their bodies and minds for a good night's sleep every night.

Wanda Jackson's debut single, "You Can't Have My Love," reached the Top 10 while she was still a sixteen-year-old high school student. She hit the road after graduation, playing package shows with Carl Perkins, Johnny Cash, Jerry Lee Lewis, and Elvis Presley, who gave Wanda his ring and asked her to be "his girl." With Presley's encouragement, the Oklahoma native began recording rock music, often releasing singles with country on one side and rock on the other during her decade-and-a-half tenure on Capitol Records. Known for her energetic stage shows and pioneering presence as a female artist, Wanda stormed the charts with a series of hit singles, including "Let's Have a Party," "Right or Wrong," and "In the Middle of a Heartache." With more than 40 albums to her credit, Wanda has proven to be an enduring and genre-defying legend of American music. In *Every Night is Saturday Night*, Wanda tells her own story of getting discovered by Country Music Hall of Famer Hank Thompson; shy she refused to return to The Grand Ole Opry for more than fifty years; the challenges she and her integrated band, The Party Timers, faced in the early 1960s; finding the love of her life; her recent work with rock luminaries Jack White and Joan Jett; and how her deep faith has sustained her over more than seven decades of rocking, shocking, and thrilling audiences around the globe.

Utilize food as your all-natural solution to sleeplessness with this easy guide that teaches you just what to eat—and when to eat it—to fall asleep faster and wake up refreshed. We've all heard that it's the turkey that makes you so sleepy after every Thanksgiving dinner, and a cup of warm milk is just the thing to help you settle down for night, but it may surprise you to find just how much what you eat can affect how well you sleep at night. Whether you experience occasional insomnia or suffer from chronic sleeplessness, *Eat to Sleep* explains which foods to eat and when to eat them in order to get the best night's rest possible. With information on how to easily incorporate "sleepy" foods into your diet, and how to prepare your food to increase its sleep-inducing effectiveness, *Eat to Sleep* shows you the way to getting optimal shuteye—naturally.

High in the Transylvanian woods, at the castle Piscul Draculi, live five daughters and their doting father. It's an idyllic life for Jena, the second eldest, who spends her time exploring the mysterious forest with her constant companion, a most unusual frog. But best by far is the castle's hidden portal, known only to the sisters. Every Full Moon, they alone can pass through it into the enchanted world of the Other Kingdom. There they dance through the night with the fey creatures of this magical realm. But their peace is shattered when Father falls ill

and must go to the southern parts to recover, for that is when cousin Cezar arrives. Though he's there to help the girls survive the brutal winter, Jena suspects he has darker motives in store. Meanwhile, Jena's sister has fallen in love with a dangerous creature of the Other Kingdom--an impossible union it's up to Jena to stop. When Cezar's grip of power begins to tighten, at stake is everything Jena loves: her home, her family, and the Other Kingdom she has come to cherish. To save her world, Jena will be tested in ways she can't imagine--tests of trust, strength, and true love.

From a vantage point high in their apartment, a parent narrates as Amani plays hide-and-seek at night with her friends in the neighborhood. In conjunction with this summer's most talked about concert, Madonna's highly anticipated "Sticky and Sweet" Tour, powerHouse Books will release Madonna Confessions, the official book of quintessential images taken by über-manager Guy Oseary during the course of over 50 performances around the world during the Material Girl's sold out 2006 Confessions Tour. With over 250 never-before-seen images, the book showcases various provocative themes from that show including an iconographic equestrian opening to an urban Bedouin segment and on to glam punk and disco fever. The photographs celebrate what the New York Times called "the sheer spectacularity of her physical form" along with show stopping highlights and groundbreaking staging. Oseary, who is also Madonna's manager and has worked with her for the past twenty years, traveled with the artist and was given unprecedented access to each performance. As a result, the photographs in Madonna Confessions capture the essence, sheer energy, and excitement that came alive onstage every night. The photographs were each lovingly handpicked by Oseary and Madonna and are interspersed with quotes from Madonna. Long considered one of the most exciting live performers of our era, Madonna Confessions is a visual delight that highlights the multi-Grammy winner and Rock and Roll Hall of Fame inductee's astounding career. "powerHouse is delighted to collaborate with one of the world's greatest live performers; Guy Oseary's exclusive access to each night's Confessions show allowed him the opportunity to capture unparalleled iconic moments in live performance photography. The intimacy and the sweep of the work put you front row center of an incredible experience." -Daniel Power, CEO of powerHouse Books.

When she discovers that her boyfriend is cheating on her, Sydney, a 22-year-old college student, must decide what to do next, especially when she becomes captivated by her mysterious neighbor Ridge. Original.

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Best-selling author J. Kenji López-Alt introduces Pipo, a girl on a quest to prove that pizza is the best food in the world. Pipo thinks that pizza is the best. No, Pipo knows that pizza is the best. It is scientific fact. But when she sets out on a neighborhood-spanning quest to prove it, she discovers that "best" might not mean what she thought it means. Join Pipo as she cooks new foods with her friends Eugene, Farah, Dakota, and Ronnie and Donnie. Each eating experiment delights and stuns her taste buds. Is a family recipe for bibimbap better than pizza? What about a Moroccan tagine that reminds you of home? Or is the best food in the world the kind of food you share with the people you love? Warm and funny, with bright, whimsical illustrations by Gianna Ruggiero, Every Night Is Pizza Night is a story about open-mindedness, community,

and family. With a bonus pizza recipe for young readers to cook with their parents, *Every Night Is Pizza Night* will make even the pickiest eaters hungry for something new.

A rock 'n roll classic back in print updated and revised. One of the funniest rock memoirs ever [Al Kooper's legendary *Backstage Passes* is available again] Al's quirkily life from would-be teenage rocker to crashing Bob Dylan's recording session an

From early childhood singing in church to the rock 'n' roll limelight of Derek and the Dominos, Bobby Whitlock launched a musical journey still going to this day. Whitlock's life story does more than share rock gossip about stars like Keith Moon, George Harrison, and Eric Clapton, however. Whitlock candidly discusses his abusive childhood, his experiences with Delaney and Bonnie, failed marriages, and drug addiction, and how the star-studded lifestyle evolved into a peaceful partnership with his wife and musical partner.

An instant New York Times Bestseller! Longlisted for the 2019 National Book Award for Fiction, the Carnegie Medal in Fiction, the 2019 Aspen Words Literacy Prize, and the PEN/Hemingway Debut Novel Award Shortlisted for the 2019 Center for Fiction First Novel Prize Winner of the 2019 New England Book Award for Fiction! Named one of the most anticipated books of 2019 by Vulture, Entertainment Weekly, BuzzFeed, Los Angeles Times, Boston Globe, Oprah.com, Huffington Post, The A.V. Club, Nylon, The Week, The Rumpus, The Millions, The Guardian, Publishers Weekly, and more. "A lyrical work of self-discovery that's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning." —Ron Charles, The Washington Post Poet Ocean Vuong's debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling *On Earth We're Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal, TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. Club, NPR, Lithub, Entertainment Weekly, Vogue.com, The San Francisco Chronicle, Mother Jones, Vanity Fair, The Wall Street Journal Magazine and more!

The Adventures of Six Friends Remaking Their Lives

Why the modern world forgot how to sleep Why is sleep frustrating for so many people? Why do we spend so much time and money managing and medicating it, and training ourselves and our children to do it correctly? In *Wild Nights*, Benjamin Reiss finds answers in sleep's hidden history -- one that leads to our present, sleep-obsessed society, its tacitly accepted rules, and their troubling consequences. Today we define a good night's sleep very narrowly: eight hours in one shot, sealed off in private bedrooms, children apart from parents. But for most of human history, practically no one slept this way. Tracing sleep's transformation since the dawn of the industrial age, Reiss weaves together insights from literature, social and medical history, and cutting-edge science to show how and why we have tried and failed to tame sleep. In lyrical prose, he leads readers from bedrooms and laboratories to factories and battlefields to Henry David Thoreau's famous cabin at Walden Pond, telling the stories of troubled sleepers, hibernating peasants, sleepwalking preachers, cave-dwelling sleep researchers, slaves who led nighttime uprisings, rebellious workers, spectacularly frazzled parents, and utopian dreamers. We are hardly the first people, Reiss makes clear, to chafe against our modern rules for sleeping. A stirring testament to sleep's diversity, *Wild Nights* offers a profound reminder that in the vulnerability of slumber we can find our shared humanity. By peeling back the covers of history, Reiss recaptures sleep's mystery and grandeur and offers hope to weary readers: as sleep was transformed once before, so too can it change today.

It's a sizzling summer Saturday, and Headwaters Speedway has suddenly become the place to be. Thanks to rainouts across the state, this small-town dirt track is drawing both big-time stock cars and local drivers. There's Trace Bonham, whose Street Stock Chevy is acting up in a big way. And Beau Kim, whose "stone soup" Modified has been patched together from whatever parts he could scrape up. And no one could forget Amber Jenkins, a strawberry blonde who has what it takes to run rings around them all. Keeping everyone on track is Melody Walters, who knows that the impending rain might be exactly what they need to keep her father's speedway afloat—or sink it for good. In Will Weaver's high-revving novel, the first in the Motor series, a cast of car-obsessed teens and adults are all out to prove themselves, both on and off the quarter-mile track, as they move through their day on a collision course to meet on Saturday night dirt. *Saturday Night Dirt* is a 2009 Bank Street - Best Children's Book of the Year.

When 21-year-old Jay Mohr moved from New Jersey to New York City to pursue his dream of stand-up stardom, he never thought the first real job he'd land would be on *Saturday Night Live*. But, surprisingly, that's just what he did. What followed were two unbelievable, grueling, and exciting years of feverishly keeping pace with his talented cohorts, out-maneuvering the notorious vices that claimed the lives of other cast

members, and struggling at all costs for the holy grail of late-night show business: airtime. In *Gasping for Airtime*, Jay offers an intimate account of the inner workings of Saturday Night Live. He also dishes on the guest hosts (John Travolta, Shannen Doherty, Charles Barkley), the musical guests (Kurt Cobain, Steven Tyler, Eric Clapton), and of course his SNL castmates (Chris Farley, Adam Sandler, Mike Myers, and David Spade). Refreshingly honest and laugh-out-loud funny, this book will appeal both to fans of Jay Mohr and to devotees of Saturday Night Live.

There is no bigger issue for healthy infants than sleeping through the night. In this simple, straightforward book, Suzy Giordano presents her amazingly effective "Limited- Crying Solution" that will get any baby to sleep for twelve hours at night—and three hours in the day—by the age of twelve weeks old. Giordano is the mother of five children and one of the most sought-after baby sleep specialists in the country. The *Washington Post* calls her a baby sleep "guru" and "an underground legend in the Washington area for her ability to teach newborns how to achieve that parenting nirvana: sleeping through the night." Her sleep plan has been tested with singletons, twins, triplets, babies with special needs, and colicky babies—and it has never failed. Whether you are pregnant, first-time parents, or parents who seek a different path with your second or third child, anyone can benefit from the Baby Coach's popular system of regular feeding times, twelve hours of sleep at night and three hours of sleep during the day, and the peace of mind that comes with taking the parent and child out of a sleep-deprived world.

A behind-the-scenes look at the groundbreaking filmmaker M. Night Shyamalan In his relatively young career, M. Night Shyamalan has achieved phenomenal commercial and critical success. His films *The Sixth Sense*, *Unbreakable*, *Signs*, and *The Village* have grossed over \$1.5 billion and reinvented the thriller genre. Because Shyamalan has worked outside of the Hollywood system, however, his filmmaking habits and personality have remained largely unknown. But reporter Michael Bamberger obtained unprecedented access to Shyamalan during the tumultuous production of his film *Lady in the Water*, and in *The Man Who Heard Voices* exposes the struggles and triumphs of this modern-day Hitchcock at work. From revising the screenplay to shooting on location and evaluating the crucial initial test screening, *The Man Who Heard Voices* tracks all stages in the life of Shyamalan's film. Bamberger delves into Shyamalan's relationship with the actors and the studio (he moved from Disney to Warner Bros. for this film) while also profiling various players on set. The result is a fascinating insider portrait of creative genius—and the real-life story behind a Hollywood thriller.

Born in Slaton, Texas, Bobby Keys has lived the kind of life that qualifies as a rock 'n' roll folktale. In his early teens, Keys bribed his way into Buddy Holly's garage band rehearsals. He took up the saxophone because it was the only instrument left unclaimed in the school band, and he convinced his grandfather to sign his guardianship over to Crickets drummer J.I. Allison so that he could go on tour as a teenager. Keys spent years on the road during the early days of rock 'n' roll with hitmakers like Bobby Vee and the various acts on Dick Clark's *Caravan of Stars* Tour, followed by decades as top touring and session sax man for the likes of Mad Dogs and Englishmen, George Harrison, John Lennon, and onto his gig with The Rolling Stone from 1970 onward. *Every Night's a Saturday Night* finds Keys setting down the many tales of an over-the-top rock 'n' roll life in his own inimitable voice. Augmented by exclusive contributions with famous friends like Keith Richards, Joe Crocker, and Jim Keltner, *Every Night's a Saturday Night* paints a unique picture of the coming-of-age of rock 'n' roll.

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the

crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Music legend Gary Wright reflects on his professional collaboration, friendship, and spiritual journey with "quiet Beatle" George Harrison. Best known for his multiplatinum hits "Dream Weaver" and "Love is Alive," Gary Wright came to prominence as a singer and songwriter during the golden age of rock in the 1970s. What is not as well known to the public, however, is Wright's spiritual side. At the heart of this memoir is the spiritual conversion and journey that Wright experienced alongside his close friend George Harrison. Until Harrison's death in 2001, the two spent decades together writing songs, eating Indian fare, talking philosophy, and gardening. In addition to featuring lyrics to a never-released recording of a song cowritten by Wright and George Harrison in 1971, titled "To Discover Yourself," this memoir includes a cache of never-before-seen photos. Also available is a deluxe e-book featuring an audio recording of "To Discover Yourself."

"A new edition with a final chapter written forty years after the explosion."

When Warren Zevon died in 2003, he left behind a rich catalog of dark, witty rock 'n' roll classics, including "Lawyers, Guns and Money," "Excitable Boy," and the immortal "Werewolves of London." He also left behind a fanatical cult following and veritable rock opera of drugs, women, celebrity, genius, and epic bad behavior. As Warren once said, "I got to be Jim Morrison a lot longer than he did." Narrated by his former wife and longtime co-conspirator, Crystal Zevon, this intimate and unusual oral history draws on interviews with Bruce Springsteen, Stephen King, Bonnie Raitt, and numerous others who fell under Warren's mischievous spell. Told in the words and images of the friends, lovers, and legends who knew him best, I'll Sleep When I'm Dead captures Warren Zevon in all his turbulent glory.

When the anarchic vocalist of Can left the celebrated German band in late 1973, the ensuing decade-long absence was taken by many to be the end of his personal story. But it was just the beginning. In I Am Damo Suzuki, Kenji Damo Suzuki and co-author Paul Woods illuminate a life in music driven by the principle of randomness. The book spans the influence of western music on Suzuki growing up in post-WWII Japan, his rejection of national traditions and a lifelong journey of exploration. After his hippie-influenced beginnings as a provocative street musician, Suzuki's story took an unlikely turn after a chance recruitment into Can, one of the most innovative bands of the seventies. A stint of family life and the role of Japanese salaryman preceded his return to the music world with The Damo Suzuki Band and later with Damo Suzuki's Network, an international vehicle for musical communication using sound instead of words. With contributions from family members, lifelong friends, musical collaborators and Damo's long-term partner, I Am Damo Suzuki is an absorbing portrait of a musical catalyst and enigmatic icon.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Most of us want to live a long, healthy life, but how do we do that? Drawing upon lessons from his own life, Mayo Clinic cardiologist Stephen Kopecky offers a holistic, evidence-based approach to preventing common diseases and chronic illnesses and living a longer life of pleasure and purpose. In the past century, the leading causes of death around the world have shifted from infectious diseases to long-term chronic illnesses. What's killing us today isn't so much flu or tuberculosis, but heart disease and cancer. In fact, more than 1.2 million Americans die from these two diseases each year. Paradoxically, these chronic diseases are a consequence of living longer than ever. But even if we're living longer, are we living better? The overwhelming number of people now living under the burden of chronic illness indicates otherwise. After surviving two bouts of cancer, Dr. Stephen Kopecky, M.D set out to discover the behaviors people can adopt to live longer lives free of chronic illnesses and diseases. What he discovered was that the answer lies in just six habits that require small changes to your daily life, but reap big results long-term. From adopting better diet and exercise habits to managing stress and sleep, these behaviors will not only preserve your health, they can improve your quality of living and extend your life. The secret, however, lies not just in the steps themselves but in how you accomplish them. This book offers in-depth insights on: The best foods to eat and why Increasing physical activity and improving fitness Why your sleep habits matter The dangers of stress and what to do about them The true impact of alcohol and tobacco on our bodies How to make changes that will last a lifetime After 30 years of research in the field of cardiovascular disease prevention, Dr. Kopecky is sharing what he's learned from his practice and own personal experience about staying healthy, preventing chronic illnesses, and living younger longer.
