““A bold and passionate new collection... Intimacy is rarely conveyed as gracefully as in Bass’s lustrous poems.” —Booklist Indigo, the newest collection by Ellen Bass, merges elegy and praise poem in an exploration of life’s complexities. lush and precisely observed descriptions allow us to feel the sheer primal pleasure of being alive in our own “succulent skin,” the pleasure of the gifts of hunger, desire, touch. In this book, joy meets regret, devotion meets dependence, and most importantly, the poet so in love with life and living begins to look for the point where the price of aging overwhelms the rewards of staying alive. Bass is relentless in her advocacy for the little pleasures all around her. Her gaze is both expansive and hyperfocused, celebrating (and eulogizing) each gift as it is given and taken, while also taking stock of the larger arc. She draws the lines between generations, both remembering her parents’ lives
