

Evil Inc After Dark Live Fast Thwart Hard

One of NPR's Best Books of the Year A finalist of the for the 2022 Edgar Award for Best Fact Crime The inside story of how a courageous FBI informant helped to bring down the KKK organization responsible for a brutal civil rights–era killing. By early 1966, the work of Vernon Dahmer was well known in south Mississippi. A light-skinned Black man, he was a farmer, grocery store owner, and two-time president of the Forrest County chapter of the NAACP. He and Medgar Evers founded a youth NAACP chapter in Hattiesburg, and for years after Evers's assassination Dahmer was the chief advocate for voting rights in a county where Black registration was shamelessly suppressed. This put Dahmer in the crosshairs of the White Knights, with headquarters in nearby Laurel. Already known as one of the most violent sects of the KKK in the South, the group carried out his murder in a raid that burned down his home and store. A year before, Tom Landrum, a young, unassuming member of a family with deep Mississippi roots, joined the Klan to become an FBI informant. He penetrated the White Knights' secret circles, recording almost daily journal entries. He risked his life, and the safety of his young family, to chronicle extensively the clandestine activities of the Klan. Veteran journalist Curtis Wilkie draws on his exclusive access to Landrum's journals to re-create these events—the conversations, the incendiary nighttime meetings, the plans leading up to Dahmer's murder and its erratic execution—culminating in the conviction and imprisonment of many of those responsible for Dahmer's death. In riveting detail, When Evil Lived in Laurel plumbs the nature and harrowing consequences of institutional racism, and brings fresh light to this chapter in the history of civil rights in the South—one with urgent implications for today. A collection of NSFW cartoons from the Courting Disaster comic by Brad Guigar. Adults only (18+)

Four teens struggle to survive in an apocalyptic world gone mad in this “brilliant novel that is a fascinating blend between I Am Legend and The Hunger Games” (VOYA). Since the beginning of mankind, civilizations have fallen: the Romans, the Greeks, the Aztecs...and now us. Huge earthquakes rock the world. Cities are destroyed. But something even more awful is happening: An ancient evil has been unleashed, and it’s turning everyday people into hunters, killers, and crazies. This is the world Aries, Clementine, Michael, and Mason are living in—or rather, trying to survive. Each is fleeing unspeakable horror, from murderous chaos to brutal natural disasters, and each is traveling the same road in a world gone mad. Amid the throes of the apocalypse and clinging to love and meaning wherever it can be found, these four teens are on a journey into the heart of darkness—and to find each other and a place of safety.

A group of little people find themselves without a home in this horror fantasy classic Newly homeless, a group of fairies find themselves trying to adapt to their new life in the forest. As they dodge dangers from both without and within, optimistic Aurora steps forward to organize and help build a new community. Slowly, the world around them becomes more treacherous as petty rivalries and factions form. Beautiful Darkness became a bestseller and an instant classic when it was released in 2014. This paperback edition of the modern horror classic contains added material, preparatory sketches, and unused art. While Kerascoët mix gorgeous watercolors and spritely cartoon characters, Fabien Vehlmann takes the story into bleaker territory as the seasons change and the darkness descends. As with any great horror, there are moments of calm and jarring shocks while a looming dread hangs over the forest.

What is it about evil that we find so compelling? From our obsession with serial killers to violence in pop culture, we seem inescapably drawn to the stories of monstrous acts and the aberrant people who commit them. But evil, Dr. Julia Shaw argues, is all relative, rooted in our unique cultures. What one may consider normal, like sex before marriage, eating meat, or being a banker, others find abhorrent. And if evil is only in the eye of the beholder, can it be said to exist at all? In *Evil*, Shaw uses case studies from academia, examples from and popular culture, and anecdotes from everyday life to break down complex information and concepts like the neuroscience of evil, the psychology of bloodlust, and workplace misbehavior. This is a wide-ranging exploration into a fascinating, darkly compelling subject. There's holy hell to pay for Charley Davidson in *Eighth Grave After Dark*, the New York Times bestseller from Darynda Jones. With twelve hellhounds after her, pregnant Charley Davidson takes refuge at the only place she thinks they can't get to her: the grounds of an abandoned convent. But after months of being cooped up there, Charley is ready to pop. Both metaphorically and literally since she is now

roughly the size of a beached whale. Fortunately, a new case has captured her attention, one that involves a murder on the very grounds the team has taken shelter upon. A decades-old murder of the newly-vowed nun she keeps seeing in the shadows is almost enough to pull her out of her doldrums. Charley's been forbidden to step foot off the sacred grounds. While the angry hellhounds can't traverse the consecrated soil, they can lurk just beyond its borders. They have the entire team on edge, especially Reyes. And if Charley didn't know better, she would swear Reyes is getting sick. He grows hotter with every moment that passes, his heat scorching across her skin every time he's near, but naturally he swears he's fine. While the team searches for clues on the Twelve, Charley just wants answers and is powerless to get them. But the mass of friends they've accrued helps. They convince her even more that everyone in her recent life has somehow been drawn to her, as though they were a part of a bigger picture all along. But the good feelings don't last for long because Charley is about to get the surprise of her crazy, mixed-up, supernatural life....

Second chances show up when you're not looking for them... Cindy Lawry needs a new roommate now that her sister Julia has moved in with her fiancé, Deacon. When she can't find anyone, she puts up a flyer in the window of the Curl Up & Dye salon where she works as a hair stylist and at other places around town. With the summer season ending, she can't afford to live alone, and she doesn't want to move in with her mom and her new husband. So the roommate search is on, but she's not getting many inquiries. After growing up in an abusive household, she's anxious about letting a stranger into her home and her life. Jace Carson needs to find a new place to

live. The employee housing at the Beachcomer is right out of Animal House, and he ' s way past the point in life where living like that is fun. All he wants is a quiet place to be in between working as a bartender at the Beachcomber and visits with his young sons, who live on the island. When he sends a text to the number a friend gave him, he doesn ' t expect the recipient to be Cindy, the woman he ' s been flirting with for weeks at the Beachcomber bar. She comes in and orders water because she suffers from migraines and apologizes for taking up a seat at his bar. He loves having her and her sweet smile at his bar, but he ' s not sure that living with her would be such a good idea, especially since all he thinks about every time he sees her is how much he ' d like to kiss her. It ' s autumn on Gansett Island, and the residents are settling in for another long winter of cold days and cozy nights. Celebrate the 25th book in the Gansett Island Series, and catch up with some of your favorite characters from past books while Cindy and Jace struggle to overcome demons from the past that threaten their chance at happily ever after.

When his promising life and career are shattered by a monstrous crime committed by the CEO of his company, Ken Olson is devastated by threats and a cover-up that rally his determination to bring the CEO to justice in spite of formidable dangers. 75,000 first printing.

The End is Here Greensboro has fallen. Swayed by the demonic Strange Man, the townspeople have sacrificed their freedom for prosperity. Monsters lurk in every

shadow and the few who oppose the new regime have been chased out of town, forced to wage their war in hiding. For ex-reverend Jeff Weldon and those under his care, it is a losing battle, but the tide begins to turn with the return of his brother Dras. Dras arrives at his hometown to find it has descended into darkness - but the worst is yet to come. The Strange Man's final plan is falling into place and the Dark Hour is close at hand. Dras, Jeff, and the last of Greensboro's protectors work frantically to unlock the Strange Man's secrets and uncover the key to stopping the Dark Hour before all is lost. But when Dras discovers the fate of his best friend, Rosalyn Myers, he will realize that he has more to lose in this battle than he ever imagined. Dark Hour is the explosive final act in The Coming Evil Trilogy. All bets are off as the remnant of light clash with the armies of darkness. The final fates of Jeff, Isabella, Dras, and Rosalyn, along with all of Greensboro, will be decided in a desperate last stand.

Kiss Goodbye" Trey McCree possesses an insatiable desire for Sasha Armand—and supernatural powers that could endanger her life as a human. But when they team up to stop an evil warlord, Trey discovers that Sasha can do way more than

The #1 Wall Street Journal ebook bestseller about the murder that shocked Savannah society and inspired the blockbuster film. As a premier antiques dealer in Savannah, Jim Williams had it all: style, culture, charisma, and sophistication. But three decades of hard work came crashing down the night he shot Danny Hansford, his wild young lover. Jim Williams stood trial four times over the next decade for premeditated murder. While Clint Eastwood's movie—starring Kevin Spacey and Jude Law—and the book *Midnight in the Garden of Good and Evil* by John Berendt portrayed the natives of Savannah as remarkably decadent, exotic characters, they missed the surprising dark side of Jim Williams himself. He was a smooth predator whose crimes could have put him behind bars long before the death of Danny Hansford. After *Midnight in the Garden of Good and Evil* is Marilyn Bardsley's continuation of the story, which includes crucial testimony recreating the courtroom drama between a gifted prosecutor and a brilliant defense attorney as they battle over the future of a self-made aristocrat. More than forty photos and revealing insider interviews bring new life to the vivid cast of characters in this unique southern crime story. "[A] provocative summer read." —Savannahnow.com

Saul, a devout Christian man, is a college graduate with a master's degree in software development. Since graduation, it has been difficult for Saul to find employment. He has recently married his high school sweetheart, Anna, and the wedding costs and looming debt

from school loans are taking its toll on him. Saul confides to his best friend, Morgan, about his financial situation and desperate need to find a job. Morgan offers to help him get a job at L.I.V.E. Corporation, where he has worked for the past year. Morgan proceeds to invite the CEO, Seth, and his assistant, Lilith, to the festivities. It is there, at his own wedding reception, that Saul's path is changed forever. With Morgan's recommendation, Saul is offered a job at L.I.V.E. Corporation. Almost immediately, his faith in God is tested. Unbeknownst to Saul, the CEO and his assistant Lilith are actually part of the occult. The corporation is a diabolical enterprise and has chosen Saul as their next blood sacrifice. The only way for Saul to escape his imminent death is to join their evil empire and complete their ungodly software program, Abbadon. This cryptic software program promises unsuspecting users' wealth and fortune through motivational messages, but it comes with a costly price - their souls. Seth and Lilith are relentless in their mission to force Saul to finish Abbadon and join the occult. Will evil triumph over good?

This carefully crafted ebook: “ARTHUR MACHEN Ultimate Collection: Dark Fantasy Classics, Supernatural Tales & Horror Stories (Including Essays, Translations & Autobiography)” is formatted for your eReader with a functional and detailed table of contents. Arthur Machen (1863-1947) was a Welsh author and mystic of the 1890s and early 20th century. He is best known for his influential supernatural, fantasy, and horror fiction. His novella *The Great God Pan* has garnered a reputation as a classic of horror (Stephen King has called it "Maybe the best [horror story] in the English language"). Historian of fantastic literature Brian

Stableford has suggested that Machen "was the first writer of authentically modern horror stories, and his best works must still be reckoned among the finest products of the genre". Table of Contents: Novels: The Three Impostors The Hill of Dreams The Terror: A Mystery The Secret Glory Short Stories and Novellas: A Fragment of Life The White People The Great God Pan The Inmost Light The Shining Pyramid The Red Hand The Bowmen The Soldiers' Rest The Monstrance The Dazzling Light The Bowmen And Other Noble Ghosts The Marriage of Panurge Psychology The Rose Garden The Ceremony The Happy Children The Great Return A New Christmas Carol Out of the Earth Essay: Hieroglyphics Translation: The Memoirs of Jacques Casanova de Seingalt, 1725-1798 Autobiography: Far Off Things Criticism: Arthur Machen: A Novelist of Ecstasy and Sin (With Two Uncollected Poems by Arthur Machen) Choice Extracts on History, Science, Philosophy, Religion, Literature, Etc. The Science Behind Humanity's Dark Side

Shadow Falls: After Dark

Author's Cut

Anne Rice's magnificent Songs of the Seraphim series continues with a lyrical and haunting new novel of angels and assassins set in dark and dangerous worlds — in our time and in centuries past. Toby O'Dare, former

government assassin, is summoned by the angel Malchiah to fifteenth-century Rome — the city of Michelangelo and Raphael, of Leo X and the Holy Inquisition — to solve a terrible crime of poisoning and to uncover the secrets of an earthbound restless spirit, a diabolical dybbuk. Toby is plunged into this rich age as a lutist sent to charm and calm this troublesome spirit. In the fullness of the high Italian Renaissance, Toby soon discovers himself in the midst of dark plots and counterplots, surrounded by a still darker and more dangerous threat as the veil of ecclesiastical terror closes in around him. And as he once again embarks on a powerful journey of atonement, he is reconnected with his own past, with matters light and dark, fierce and tender, with the promise of salvation and with a deeper and richer vision of love.

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism.

Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." *Anthem* is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

When a deadly virus forces Della to be reborn, she is bonded to the vampire Chase, despite her attraction to shapeshifter Steve, and meanwhile her latest case reveals shocking secrets about her father.

In the *Dark Portal*, Albert Mouse squeezes through the Grill and disappears. Thinking he's been captured by the rats in the sewers, his children embark on a treacherous journey to find him.

Sink your teeth into the first novel in the #1 New York Times bestselling Sookie Stackhouse series—the books that gave life to the Dead and inspired the HBO® original series *True Blood*. Sookie Stackhouse is just a small-time cocktail waitress in small-town Bon Temps, Louisiana. She's quiet, doesn't get out much, and tends to mind her own business—except when it comes to her “disability.” Sookie can read minds. And that doesn't make her too dateable. Then along comes Bill Compton. He's

Read Online Evil Inc After Dark Live Fast Thwart Hard

tall, dark, handsome—and Sookie can't hear a word he's thinking. He's exactly the type of guy she's been waiting for all her life... But Bill has a disability of his own: he's a vampire with a bad reputation. And when a string of murders hits Bon Temps—along with a gang of truly nasty bloodsuckers looking for Bill—Sookie starts to wonder if having a vampire for a boyfriend is such a bright idea.

Though centuries have passed since Thronos, Lord of Skye Hall, lost the one woman meant for him, nothing can cool his never-ending need for Melanthe. She was the girl he loved and lost as a boy, the girl who nearly destroyed him. Lanthe, a once-powerful sorceress struggling to reclaim her gifts, searches for love and acceptance with all the wrong immortal men. But she's never forgotten Thronos, the fallen angel who protected her until she was ripped from the shelter of his arms. With their families at war and the world burning around them, will they succumb to the brutal chaos that threatens everything they cherish? Or can the two rekindle their childhood love in time to save both their worlds?

The last place in the world he wants to be is on Gansett Island... Deacon Taylor stepped up for a friend and got himself thrown in jail, and when he's given a choice of felony charges or leaving town with his police chief brother Blaine, he chooses the latter, consigning himself to a summer under his annoying older brother's supervision. Julia Lawry used the last of her resources to come to Gansett for her sister Katie's wedding and has no idea how she's going to get back to Texas to clean

Dead After Dark

Comics and pin-ups from Brad Guigar's popular adults-only series, *Evil Inc After Dark*

There's a new manager at the Fairmount branch of Evil Inc - and she's a civilian! Will our supervillainous stalwarts revolt?

A short, sleek novel of encounters set in the witching hours of Tokyo between midnight and dawn, and every bit as gripping as Haruki Murakami's masterworks *The Wind-Up Bird Chronicle* and *Kafka on the Shore*. At its center are two sisters: Yuri, a fashion model sleeping her way into oblivion; and Mari, a young student soon led from solitary reading at an anonymous Denny's into lives radically alien to her own: those of a jazz trombonist who claims they've met before; a burly female "love hotel" manager and her maidstaff; and a Chinese prostitute savagely brutalized by a businessman. These "night people" are haunted by secrets and needs that draw them together more powerfully than the differing circumstances that might keep them apart, and it soon becomes clear that Yuri's slumber-mysteriously tied

Read Online Evil Inc After Dark Live Fast Thwart Hard

to the businessman plagued by the mark of his crime - will either restore or annihilate her. After Dark moves from mesmerizing drama to metaphysical speculation, interweaving time and space as well as memory and perspective into a seamless exploration of human agency - the interplay between self-expression and understanding, between the power of observation and the scope of compassion and love. Murakami's trademark humor, psychological insight, and grasp of spirit and morality are here distilled with an extraordinary, harmonious mastery. "Eyes mark the shape of the city. Through the eyes of a high-flying night bird, we take in the scene from midair. In our broad sweep, the city looks like a single gigantic creature-or more, like a single collective entity created by many intertwining organisms. Countless arteries stretch to the ends of its elusive body, circulating a continuous supply of fresh blood cells, sending out new data and collecting the old, sending out new consumables and collecting the old, sending out new contradictions and collecting the old. To the rhythm of its pulsing, all parts of the body flicker and flare up and squirm. Midnight is approaching, and while the peak of activity has indeed passed, the basal metabolism that maintains life continues undiminished, producing the basso continuo of the city's moan, a monotonous sound that neither rises nor falls but is pregnant with foreboding." -from After Dark

NATIONAL BESTSELLER • "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless

Read Online Evil Inc After Dark Live Fast Thwart Hard

recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

The gloves are off! (...and the capes, and the cowls, and the boots...) *Evil Inc After Dark* collects 16 smutty stories starring supervillains - and the heroes who love them. This is no-holds-barred storytelling featuring voluptuous villains and horny heroes. Spun-off from the 12-year-strong *Evil Inc* comic series, this book thrives on the three Cs - Curves, Curiosity, and Consent!

Cinema articulates the economic anxieties of each generation of filmmakers and audiences. It has an influence on people's views on various economic issues and many orders of magnitude larger than that

Read Online Evil Inc After Dark Live Fast Thwart Hard

of economics as a discipline. This book offers a sweeping study of the representation of economics in cinema across a wide range of areas and genres, from the conflicts over resources in the lawless Old West to the post-scarcity societies of science fiction futures. This book studies how films have portrayed trade unions, scarcity, money, businesses, innovators, migrant workers, working women, globalization, the stock market, and the automation of work. It aims to be useful to those who are interested in cinema with economic themes and to those who want to learn about economics through cinema.
