Mummies, pyramids, and pharaohs! The culture and civilization of the ancient Egyptians have fascinated people for centuries and some have direct correlation to biblical events.Authors David Down and John Ashton present a groundbreaking new chronology in Unwrapping the Pharaohs that shows how Egyptian Archaeology supports the biblical timeline.Go back in time as famous Egyptians such as the boy-king Tutankhamen, and the beautiful Cleopatra are brought to life in this captivating new look at Egyptian history from a biblical worldview.

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development,

and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

The Story of Humanity's Redemption Continues The book of Exodus recounts how God brought Israel out of slavery and allowed them to become His treasured possession. Through miraculous deliverance and covenant law, the Redeemer is revealed. Exodus contains one of the earliest sets of laws ever recorded, beginning to shape a more just society for everyone. The book points us to God's purpose for which all laws and people are made—pure and wholehearted worship of a just loving God. Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

The story of the Exodus from Egypt is of fundamental importance, both in the Old Testament and beyond. However, it also contains issues that are theologically problematic for many readers, especially concerning the actions of God. Why does God send a series of devastating plagues on Egypt? How do we understand the hardening of Pharaoh's heart? What do the answers to these questions say about the character of God? This study addresses these questions, taking into account the complex interaction of the presuppositions of faith and responsible textual interpretation. The approach is narrativeDtheological and canonical--reading the story in its current form as a story, and concentrating on the various passages within the story that appear to present rationales for God's actions (especially Exodus 9:13D19 and 10:1D2). By reading these explanations in their context within the story, and paying attention to such factors as speaker, addressee, purpose, and audience, we can begin to understand the story in a way that is both faithful to the text and also meaningful for our lives today.

A picture is built up of the different and developing relationships between God, Pharaoh, and Moses. This complex interaction provides a way to read and understand the wider plagues story, including the plagues and hardening of the heart within it. The study concludes by considering another story with a similarly difficult portrayal of God's actions--the story of the capture of the Ark in 1 Samuel 4D7, where a similar pattern can be observed. The picture that emerges is challenging and thought-provoking.

than comfortable--a God who is responsive, speaking and acting to confront others to make the appropriate response to him.

An Apprenticeship on the Pentateuch

Who led a rebellion against Moses and Aaron? Who was Jeremiah's secretary? What was Peter's father's name? These questions and countless more fill this entertaining book of Bible quizzes. Everyone loves a good-natured contest, and Sunday school teachers, youth leaders, and Bible study facilitators will find plenty of material here to keep their groups scurrying through the pages of Scripture. Questions come from all 66 books of the Bible. Most quizzes are just one page long, with answers on the following page. The quizzes are grouped into categories: important people in the Bible, books of the Bible, and many others. Seasoned Bible readers will enjoy testing their own knowledge, and newer students of the Scriptures will appreciate the way these questions create a structure for their reading and study.

Bullshit isn't what it used to be. Now, two science professors give us the tools to dismantle misinformation and think clearly in a world of fake news and bad data. "A modern classic. . . a straight-talking survival guide to the mean streets of a dying democracy and a global pandemic."—Wired Misinformation, disinformation, and fake news abound and it's increasingly difficult to know what's true. Our media environment has become hyperpartisan. Science is conducted by press release. Startup culture elevates bullshit to high art. We are fairly well equipped to spot the sort of old-school bullshit that is based in fancy rhetoric and weasel words, but most of us don't feel qualified to challenge the avalanche of new-school bullshit presented in the language of math, science, or statistics. In Calling Bullshit, Professors Carl Bergstrom and Jevin West give us a set of powerful tools to cut through the most intimidating data. You don't need a lot of technical expertise to call out problems with data. Are the numbers or results too good or too dramatic to be true? Is the claim comparing like with like? Is it confirming your personal bias? Drawing on a deep well of expertise in statistics and computational biology, Bergstrom and West exuberantly unpack examples of selection bias and muddled data visualization, distinguish between correlation and causation, and examine the susceptibility of science to modern bullshit. We have always needed people who call bullshit when necessary, whether within a circle of friends, a community of scholars, or the citizenry of a nation. Now that bullshit has evolved, we need to relearn the art of skepticism.

The book determines the location of the Red Sea of the Exodus as the Gulf of Aqaba, known in Hebrew as Yam Suph. It also refutes the popular "Reed Sea" theories that envision an Exodus sea crossing in a marsh lake near Egypt. The characteristics of the sea, its likely crossing point, and the Hebrews' route to reach it are presented in detail. The electronic file is a PDF.

Observe...Interpret...Apply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word 2.Mature Christians who want to improve their Bible study skills 3.Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.

For half a century, J. I. Packer's classic has helped Christians around the world discover the wonder, the glory, and the joy of knowing God. Now featured in the IVP Signature Collection, this thought-provoking work seeks to renew and enrich our understanding of God, bringing together knowing about God and knowing God through a close relationship with Jesus Christ.

Calling Bullshit

Weaving together the stories of Moses, the nation of Israel, and the God who rescues and liberates, Exodus becomes a story for our time, a story about seeking and finding a redeeming God in times of separation and sin, hopelessness and oppression. Interpretation Bible Studies (IBS) offers solid biblical content in a creative study format. Forged in the tradition of the celebrated Interpretation commentary series, IBS makes the same depth of biblical insight available in a dynamic, flexible, and user-friendly resource.

Designed for adults and older youth, Interpretation Bible Studies can be used in small groups, in church school classes, in large group presentations, or in personal study.

Working knowledge of the Torah is essential for every serious student of the Scriptures. Written in an engaging and accessible voice, even while digging into difficult and complicated matters at a sophisticated level, The Torah Story emphasizes the content of the text itself, moving beyond debating dates and theories of authorship into understanding how these five key books of the Bible help us understand the story of salvation. Providing flexible options for further study, each chapter includes the following: • Tips and tools for getting started • Questions that focus on key issues Key terms to look for • Outlines and summaries of the material • An interactive workshop designed for students, individuals, or study groups • Challenge questions drawn from the chapter and biblical text • Advanced questions for those who want deeper exploration of biblical contexts, language, and exegetical or theological issues • Research project suggestions • Discussion activities using films to engage the biblical narrative (selected chapters) A refreshingly new approach to the Torah—neither an introduction nor a commentary—The Torah Story provides a model of how to read Scripture intertextually. It leaves no doubt as to the overarching unity of the message and composition of the Pentateuch.

Can the twelve tribes of Israel survive forty years in the desert and reach the Promised Land? Freed from Pharaoh ’ s reign in Egypt, Moses leads His people into the wilderness to learn God ’ s Ways. The journey is tough. Raging seas, fearsome enemies, awesome giants... But God is in control. His plan for His people will triumph! Filled with colorful illustrations and biblical truth, The Exodus is part of the Bible Pathway Adventures series of biblical adventures. If your children like gripping action and courageous Israëliets, then they'll love this biblical adventure series from Bible Pathway Adventures. The search for truth is more fun than tradition!
