This book has been designed to fulfil the preparation needs of candidates who aspire to crack International Mathematics Olympiad, National Talent Search Exam, and other competitive exams. The book is strictly based on the latest curriculum from International Mathematics Olympiad. It has been prepared in accordance with the latest syllabus issued from CBSE, ICSE and other school boards across the country. The book consists of three sections namely Logical Reasoning, Mathematical Reasoning and Everyday Mathematics. The Concepts, Formulae and important Tips are given in the beginning of each chapter. Fully solved Multiple Choice Questions (MCQs) with detailed explanations enhance the problem solving skills of students. Model Papers are included in the book for thorough practice, and Previous Years' IMO papers given in the CDs help candidates to understand the level of difficulty and grasp the structure of questions asked in the exam. Salient Features: i E Concepts are introduced gradually i E Simple, lucid and systematic presentation i E Detailed solutions at the end of each chapter i E Previous years' Question Papers and Model Test Papers Highly Recommended The book is highly recommended for the candidates who aspire to get distinction in Mathematics and Science Olympiads at national and international level. It will prove very useful for various other competitive examinations such as: i E NTSE, NSTSE, SLSTSE i E SSC, DSC, B. Ed, TET, CTET etc.

Tracing the use of legal themes in the gothic novel, Bridget M. Marshall shows these devices reflect an outpouring of anxiety about the nature of justice. On both sides of the Atlantic, novelists like William Godwin, Mary Shelley, Charles Brockden Brown, and Hannah Crafts question the foundations of the Anglo-American justice system through their portrayals of criminal and judicial procedures and their use of found documents and legal forms as key plot devices. As gothic villains, from Walpole's Manfred to Godwin's Tyrrell to Stoker's Dracula, manipulate the law and legal system to expand their power, readers are confronted with a legal system that is not merely ineffective at stopping villains but

actually enables them to inflict ever greater harm on their victims. By invoking actual laws like the Black Act in England or the Fugitive Slave Act in America, gothic novels connect the fantastic horrors that constitute their primary appeal with much more shocking examples of terror and injustice. Finally, the gothic novel's preoccupation with injustice is just one element of many that connects the genre to slave narratives and to the horrors of American slavery.

A Review of Greek Inscriptions and Papyri Published in 1979

Debates

This series seeks to keep New Testament and early church researchers, teachers, and students abreast of emerging documentary evidence by reproducing and reviewing recently published Greek inscriptions and papyri that illumine the context in which the Christian church developed. Produced by the Ancient History Documentary Research Centre at Macquarie University, the New Docs volumes broaden the context of biblical studies and other related fields and provide a better understanding of the historical and social milieus of early Christianity.

**Cicero in Letters is a guide to the first extensive correspondence that survives from the Greco-Roman world. The more than eight hundred letters of Cicero that are its core provided literary models for subsequent letter writers from Pliny to Petrarch to Samuel Johnson and beyond. The collection also includes some one hundred letters by Cicero's contemporaries. The letters they exchanged provide unique insight into the experience of the Roman political class at the turning point between Republican and imperial rule. The first part of this study analyzes effects of the milieu in which the letters were written. The lack of an organized postal system limited the correspondence that Cicero and his contemporaries could conduct and influenced what they were willing to write about. Their chief motive for exchanging letters was to protect political relationships until they could resume their customary, face-to-face association in Rome. Romans did not normally sign letters, much less write them in their own hand. Their correspondence was handled by agents who drafted, expedited, and interpreted it. Yet every letter advertised the level of intimacy that bound the writer and the addressee. Finally, the published letters were not drawn at random from the archives that Cicero left. An editor**

selected and arranged them in order to impress on readers a particular view of Cicero as a public personality. The second half of the book explores the significance of leading themes in the letters. It shows how, in a time of deepening crisis, Cicero and his correspondents drew on their knowledge of literature, the habit of consultation, and the rhetoric of government in an effort to improve cooperation and to maintain the political culture which they shared. The result is a revealing look at Cicero's epistolary practices and also the world of elite social intercourse in the late Republic.

**The Transatlantic Gothic Novel and the Law, 1790-1860**

Jane K. Cleland returns with Jane Austen's Lost Letters, the fourteenth installment in the beloved Josie Prescott Antiques series, set on the rugged New Hampshire coast. Antiques appraiser Josie Prescott is in the midst of filming a segment for her new television show, Josie 's Antiques, when the assistant director interrupts to let her know she has a visitor. Josie reluctantly pauses production and goes outside, where she finds an elegant older woman waiting to see her. Veronica Sutton introduces herself as an old friend of Josie 's father, who had died twenty years earlier. Veronica seems fidgety, and after only a few minutes, hands Josie a brown paper-wrapped package, about the size of a shoebox, and leaves. Mystified, Josie opens the package, and gasps when she sees what 's inside: a notecard bearing her name—in her father 's handwriting—and a green leather box. Inside the box are two letters in transparent plastic sleeves. The first bears the salutation, " My dear Cassandra," the latter, " Dearest Fanny. " Both are signed " Jane Austen. " Could her father have really accidentally found two previously unknown letters by one of the world 's most beloved authors—Jane Austen? Reeling, Josie tries to track down Veronica, but the woman has vanished without a trace. Josie sets off on the quest of a lifetime to learn what Veronica knows about her father and to discover whether the Jane Austen letters are real. As she draws close to the truth, she finds herself in danger, and learns that some people will do anything to keep a secret—even kill.
