

## Exposed 1 Deborah Bladon

From New York Times & USA Today Bestselling Author, Deborah Bladon. The Exposed Saga Part One Harvard student, Sadie Lockwood, was given a second chance and she's determined to make it count. She planned her life out with precision and she refuses to be deterred from her course. She knows what she wants and that is to honor the person who lost their life to save hers. When Hunter Reynolds steps into Sadie's world, she is knocked off of her axis. He's bold, charismatic and intense. She's committed to not let him lead her off her prearranged path but he's persuasive and a little fun never hurt anyone, right? As Sadie sets out on a journey to pull back the layers of Hunter's emotional façade, she begins to question the very heart that beats within her. Will shedding her own inhibitions help Sadie to accept the man she craves or will everything change once all is exposed? Part Two Hunter was everything Sadie always wanted. He was powerful, dominant, gorgeous and, most of all, he wanted her exactly as she was. When she threw caution to the wind and jumped into his bed, she believed that her life was finally beginning. She was ready to start living and he was the one person she knew she could trust with her heart. That was until she found out that Hunter had owned her heart all along. When his past comes back to overturn Sadie's present in a way she never could have predicted, what will be left of the two of them? As Sadie struggles with embracing the truth, she's struck with a reality that makes her breathless. First loves, new loves and an unthinkable future leave Sadie reeling. Is her heart strong enough to accept the unavoidable truth? Part Three Hunter changed Sadie's entire life. After discovering his connection to her past, she was ready to let go and embrace her new life. That one fateful night in Manhattan changed it all. After seeing Hunter for who he really is, Sadie must face painful truths about his past and their present. Her heart is pushing her in one direction. Her mind is pulling her towards a different path. Will Hunter's eventual confession change everything? As Sadie tries to accept who Hunter really is, she's forced to confront realities she never knew existed. She believes she's ready for it all, but is her heart strong enough? More Exposed - Part Four Sadie Lockwood thought she had the perfect life. She loved Hunter Reynolds, she was studying to be a doctor, and her entire future was planned out. Everything was going her way. It all shattered when Hunter's past collided with their future. The one secret he kept from her barreled back into their lives, crushing everything in its path. It shattered all they held dear and it threatened them both in ways they never imagined it would. Hunter was everything she ever wanted. He told her he couldn't breathe without her. What happens when her very breath is stolen because of that love?

WISH, a hot new standalone from New York Times, USA Today and Wall Street Journal bestselling author, Deborah Bladon. My twenty-fifth birthday was just like the twenty-four before it. I stood next to my identical twin sister as we blew out the candles on our shared birthday cake. She wished for a healthy new baby to add to the family she already has with her husband. I wished for my parents to stop asking me why I wasn't more like my twin. When I get back to Manhattan after my birthday trip, a surprise is waiting for me. A tall, gorgeous, tattooed stranger is in my apartment. Did I mention he's naked? He says it's not a big deal. I say it is a BIG deal, if you know what I mean. I assume he's here to see my roommate, but apparently I'm wrong since she left town while I was away. Sebastian Wolf is my new roommate. I'm tempted to throw him out after the first day, but I agree to give him another chance. When I start to wish for more, I discover that my new roommate isn't the man I thought he was. Author's Note: Although some characters from my previous books appear in WISH, you don't have to read those to enjoy this swoon-worthy standalone romance!

A fatal blend of revenge and desire. After leaving her fiancé at the altar and quitting her job as a Miami cop, Beau Hayley stumbles through life, feeling only resentment. Injustice. Loss. Her mom's death was called an accident. She's not convinced. Grieving, she becomes numb to everything except the constant, biting pain of heartbreak and hate. She can see no light. Until she meets James Kelly, a man who seems as damaged as she is, inside and out. And yet despite his twisted, cold façade, he stimulates feelings. Pleasure. He is a respite from her own flaws. A complete mystery. And impossible to resist. James Kelly has

only one objective. Find the men who murdered his family and kill them all very slowly. But the web of crime and deceit leads him to Beau Hayley, the daughter of the notorious detective who pursued him relentlessly until her death. Beau is not what James expected, and past the darkness that shrouds her, he finds a glimmer of light. Light is addictive. An escape. Beau might be the key to James's mercy mission, but with dire consequences. So he has to decide-leave her breathing and risk exposing himself, or kill her and continue his mission, still unknown. Still The Enigma Two tortured souls playing one deadly game. But who will survive?

A new standalone novel from New York Times and USA Today bestselling author Deborah Bladon. I chose the woman I brought home with me last night for one reason and one reason only. She looks like her. It's the same with every woman I bring home with me. They always look like her. Light brown hair, sky blue eyes, and a body that takes me to that place I crave. It's where I forget - her innocence, my cruelty, everything. Last night was different. This one didn't only look like her, she danced like her, spoke in a soft voice like her, and when she lost control on my sheets in that split second I live for, she made a sound that cracked my heart open. My heart; cold and jaded as it is, felt a beat of something for this one. She left before I woke up. I need to forget about the woman from last night, just like I've forgotten every woman but the one who started me on this path to self-destruction. I might have been able to if I wasn't standing in a crowded courtroom ready to take on the most important case of my career staring at the woman who crawled out of my arms just hours ago and into the role of opposing counsel. I may be a high-profile lawyer, but her name is one I'd recognize anywhere. The woman I screwed last night is the same one I screwed over in high school. Court is now in session, and it's me versus her.

Ruthless, a new standalone romance from New York Times, USA Today and Wall Street Journal bestselling author, Deborah Bladon. When I agreed to go on a blind date my best friend set up, I had no idea how the night would end. As soon as I got to the restaurant, I spotted the dark-haired, gorgeous man I thought I was there to have dinner with. I sat down at his table, ordered a drink, and proceeded to flirt awkwardly with him. When his actual date came back to their table from the ladies' room, I realized my mistake. The sinfully sexy man I told a condensed version of my dating history to wasn't Dale, the friend-of-a-friend I was there to meet. Mortified, I went home and hid in my bed for the rest of the night swearing off blind dates forever. Three days later, I came face-to-face with the hot-as-hell stranger from the restaurant again. This time he introduced himself. Barrett Adler. He's that Mr. Adler. Barrett is my new boss. He quickly proves he's the most annoying, arrogant, and ruthless man I've ever met. My employment contract ties me to him for the next year. Three hundred and sixty-four days from now I'll be free of

him forever. Or will I?

The TRACE Series, from New York Times & USA Today bestselling author, Deborah Bladon, in one bundle! TRACE-- Part One Being a nurse gives Vanessa Meyer a true purpose in life. It grounds her in a way that nothing else can. Since she's watched her mother slide into the clutches of a painful condition, she's worked hard to better the lives of her patients, giving as much as she can to those who seek help. Garrett Ryan is an attorney in Manhattan. He centers his life on himself. When he's brought to the hospital after a horrible crash, Vanessa tends to his wounds. Their first meeting is explosive. She sees the worst in him. He only sees the best in her. When she needs his legal expertise, he jumps at the chance to help her find the answers she seeks. He encourages her to set out on a journey of self-discovery but neither can predict where that complex trail will take her. When she finally traces the path of her past to the present, it leads her to a reality that changes everything she's ever known. TRACE-- Part Two Vanessa Meyer had finally taken on the task of learning more about her birth mother. The twisted path that brought her to her family's townhouse on the Upper East Side of Manhattan, also brought her face-to-face with the man who she's been spending most of her nights with. When Vanessa accepts the reality of why Garrett Ryan is connected to her sister, it changes everything for her. She has to decide whether confiding in him is worth the risk of losing him. As more of her past becomes clear to her, she's forced to confront the woman who took a promised future of love and stability away from her. Vanessa can't get back what she's lost but she can gain an understanding of a mother's love she'll never know. Will she risk everything she's built with Garrett for a brief glimpse into her birth mother's mind and heart or will fate step in and force her hand? TRACE-- Part Three Vanessa Meyer has overcome the struggles of her past to build a life that she can be proud of. She's a nurse in the ER and her relationship with attorney Garrett Ryan fulfills her in a way that nothing else can. She has accepted the fact that her mother held damaging secrets but she's ready to move on and start a new life. Everything changes when a letter reveals a painful truth. It sets a series of events in motion that challenges Vanessa's connection to everyone in her life. When Garrett confesses his own surprising role in her past, Vanessa has to decide if tracing her family history is worth the risk of losing the life she's built for herself now. She wants answers, Garrett wants her, but can they both truly have the happy ending they desire?

*BARE, a hot new standalone novel from New York Times and USA Today bestselling author, Deborah Bladon. The first and last one-night stand I had ended with zero orgasms for me and my wallet gone. I fell asleep after the man who called himself Kent rolled off of me and out of my life. The only thing he left behind was a business card on the floor next to the bed. Griffin Kent. Attorney at Law. Since I don't know a soul in New York, I head straight to the jerk's office on Madison Avenue to get back my wallet and reclaim my pride. I'm not prepared for what happens when I arrive at the prestigious law firm of Kent & Colt. I doubt that the real Griffin Kent would leave a woman unsatisfied in any way. He's tall, dark haired and dangerously handsome. He's also the complete opposite of the imposter I spent the night with. The arrogant*

*attorney orders his assistant to help me, but he's the one who enrolls in the art class I came to Manhattan to teach. He may be my student, but something tells me that Griffin is going to be schooling me in the art of seduction. Author's Note: This sexy standalone novel contains a dirty talking attorney, nude male models and a touching HEA. Although some characters from my previous books appear in BARE, you don't have to read any of my other books to enjoy this breathtaking romance!*

*Never stay in one place too long. That was my motto. After the accident, and at the age of eighteen, I left my home in California to travel the world, seeking out new and adventurous wonders like my twin sister and I had planned to do since we were kids. Eight years later, I was forced to return home, to the one place that held the most traumatic memories for me. My money was running out and my brother, Adam, refused to send me more until we sat down and had a talk about me settling down in one place. That was when I met billionaire Alex Parker - an arrogant, uptight control freak who thought I would actually listen to him. Boy, did he have another thing coming. My name is Emerson James and this is my story. She was the most beautiful woman I'd ever seen. But she was mouthy and defiant, just like her brother warned me she was. She was a free spirit and very irresponsible with her life. Not my type at all. I only dated women of an upper class status - the ones who kept their mouths shut and were successful in their careers. I had everything life could offer and I was content. At least, I thought was, until Emerson James came into my life. She was getting ready to go off on another adventure and I was determined to get her to settle down in one place: California. My name is Alex Parker and this is my story.*

*Bridget Boggs carries a lot of guilt over what happened to Alex Ross and his family. She had been good friends with the Ross boys until her greedy father lost part of the Ross family's savings in a pyramid scheme. He went to jail, and Bridget and her family changed their names and went into hiding. Bridget imagines that Alex and his brothers feel just as betrayed as she does by her father's criminal acts. When she meets Alex again as a young hacker and the owner of a White Hat Security, he has something more important to talk about than her father's transgressions. A million dollars has been stolen from his company, and Alex needs Bridget's help to track down the culprit. Alex has certainly grown up since they last met. The man looks like a Greek god, and Bridget can't help but be attracted to him. As she digs deeper into the theft from Ross Enterprises, Bridget doesn't need any more distractions. This is a more dangerous job than either Bridget or Alex expected. The thief is willing to go to incredible lengths to evade the police, and the two amateur sleuths may find themselves caught in the crossfire.*

*SIN, a hot new standalone from New York Times, USA Today and Wall Street Journal bestselling author, Deborah Bladon. West. That's what he said his name was when I met him on the flight from New York City to Las Vegas. I was on my way to sin city for a bachelorette party. West had business there. He was wickedly handsome, demanding, and the intensity in his eyes melted me from the inside out. I left his hotel suite before he woke up because a one-night stand is just that. It's one night of pleasure that doesn't seep into the next day. At least that's what it's supposed to be if it doesn't go completely wrong. I didn't give him my real name. We never exchanged numbers. West didn't need any of that to find me. All he had to do was look across a conference table in Manhattan two months later. Out of all the advertising agencies in the city,*

*Jeremy Weston chooses the one my father owns to work on the campaign for the launch of his company's latest product. I try to pretend I'm not the woman he spent a night with in Las Vegas, but my body betrays me. Not everything that happens in Vegas stays there. The sin of my past proves that. Author's Note: Although some characters from my previous books appear in SIN, you don't have to read any of my other books to enjoy this swoon-worthy romance!*

This text is designed for those clinicians who feel comfortable diagnosing these illnesses and wish to enhance their knowledge base and skill set regarding treatment options. Referrals for pelvic pain are common in urological and gynaecological practice; and may lead to varied diagnoses such as interstitial cystitis/bladder pain syndrome, chronic prostatitis/chronic pelvic pain syndrome, pelvic floor dysfunction, chronic orchialgia, and vulvodynia. To make matters more complex, each of these conditions is frequently associated by co-morbidities. The text is unique in being organized by the multiple and multifaceted therapies that are available, rather than by specific disorders. The text is richly illustrated with multiple diagrams, figures, and tables, making it the "go to" and "how to" reference for patient treatment.

NORA My wild child ways sometimes get me into trouble, but I never expected to wake up married in Vegas. After attending my best friend's wedding, one drink was followed by too many to count. Before I knew it, I woke up next to Chris Hudson. CHRIS I'm the kind of guy who hits it and quits it. So why is Nora wearing a rock on her finger? I'd annul our marriage, but I can't find her. And when I do, she'll reveal the secret that she's been keeping—a gift that'll come in nine months. Note: Only read this book if you like steamy scenes.

The NEW YORK TIMES and USA TODAY bestselling series. VAIN - PART ONE Sex. That's all Noah Foster wanted when Alexa Jackson showed up at his apartment. After returning from a semester in Paris, Alexa is back in her hometown of Boston and looking for anything but the drama that surrounds Noah. He's intense, gifted, famous and a bastard through and through. Alexa doesn't take life too seriously. Noah doesn't do calm and easygoing. Their unexpected meeting sets them both on a course towards an unlikely connection. As Noah embarks on a journey to teach school teacher Alexa the ways of his dark and mysterious world, she's fighting her own demons and the memory of a stranger in Paris. When Alexa's past suddenly becomes her present, she's forced to face the reality of whether the passionate moments she's spent in Noah's arms, in his bed, and in his life mean anything to him, or has it all been in vain? VAIN - PART TWO Posing nude for the illustrious Noah Foster seemed like an exciting escape from Alexa's life. No one was supposed to find out, but when the one man who owned her heart, discovers her secret, everything changes. Alexa is not only caught in a compromising position but in a situation in which her past and present collide. Determined to build a future for herself, she takes on the dual task of focusing on her career and burying her past regrets. It's

never that easy though, and Noah Foster doesn't give up when he sets his sight on something or someone. As Alexa chases after her own dreams, both men in her life pursue her in a reckless fight to the emotional finish. When one man offers her a proposal almost too tempting to resist, she makes a decision that brings her face-to-face with an unexpected reality. VAIN - PART THREE  
Alexa Jackson was falling hard and fast for Noah Foster. The world renowned photographer had woven a path straight into her heart. He offered her another chance at love and she offered him the path to a world that he no longer believed existed for him. That all ground to a startling halt when Alexa came face-to-face with Noah's past. Not everything is as it seems and as he helps her piece together the puzzles that exist within his world, they both realize that their needs might not match what's best for either of them. As Alexa begins a new life away from Noah, she's faced with new opportunity, past reminders and an uncertain future. He can't face what's happened to him. She can't face a life without him. Will they finally discover a way to help one another find love again?

Henry Knox has hurt the one person that meant something to him, the only person he has loved. He became involved with drugs, alcohol and the wild life. But what he really wants is real love and the high that comes along with it.

They call me a hero. Every day I risk my life to save others, and I wouldn't trade it for anything else. Fighting fires is my passion and a job I love more than anything in the world. There is no better feeling than the adrenaline that rushes through me when I step inside a burning building. The one thing I'm not is a hero in the eyes of the women I sleep with. I'm not more than a one-night stand and a confirmed bachelor who happily walks away the next morning. Even a hero can be a womanizer and a partier. Challenges are my specialty, and I thrive on them. My newest challenge is a beautiful and successful doctor named Sara Davis. She's complicated, but so am I. I was willing to break my one-night stand rule for her until she came back to haunt me, reminding me why I had become the man I am and why I chose never to find my happily ever after. My name is Mason Wolfe, and I am the third Wolfe brother.

THE COMPLETE OBSESSED SERIES Obsessed - Part One Independent jewelry designer, Ivy Marlow, had it all - the man of her dreams, the security and the ring. Now, all she has to her name are a broken engagement, the crushing worry of a flailing business, and the haunting feeling of complete betrayal. The last thing Ivy expected to find attending a posh New York art show, was Jax Walker is everything she doesn't need but can't resist. He's gorgeous, brazen, unapologetic and powerful. He became the escape Ivy has been craving and longing for. He knows what she needs, anticipates her desires and offers it all to her, at what price? What once seemed to be a chance encounter designed by fate becomes more enigmatic than the man himself. He is full of secrets and Ivy is about to learn that his obsession for her runs deeper and darker than she ever imagined.

- Part Two When Ivy first met Jax, she knew he was everything she wanted, but she didn't need. She couldn't have it. She was right. She thought she was done with the lies, the secrets and the betrayals, but her past is inescapable, no matter how hard she tries. That pain that she once thought was buried forever is slowly starting to resurface and it may just be too much for her already fragile heart to take. If there's one thing that Ivy loves most about Jax, it's his relentless need for control. He does everything he can to win her back and to prove that there's more to him than his past demons. He swears he's a changed man, but can a man like Jax ever really change? As Ivy begins to believe in Jax again, an unexpected secret tears her world apart. Past lovers return, schemes are exposed and Ivy is left standing in the center of it all. Obsessed - Part Three Ivy was never to be the man of her dreams. After all the lies, the mysteries and the manipulations she was ready to start on the path to a new beginning. That all came to a crashing halt that blindsided them both. The images that flashed across his computer screen are burned forever in her memory. They're inescapable and the only way out of the darkness leads straight back to him. She knows what she saw. He knows what he believes. Will his unending drive to possess her push her away from him?

Ivy puts the pieces of her shattered life back together, she's confronted with a reality she never saw coming. Is she enough to find her way to the truth? And who will be waiting for her when she gets there? Still Obsessed - Part Four is here... Life couldn't have been more idealistic for Ivy Marlow. She owned the business of her dreams, worked alone with a man she loved, and her future was bright and filled with unending promise. Looks can be deceiving though and as much as she loved her life, she knew that she and Jax Walker were destined for a collision course if something didn't change. A stranger stepped in and one fateful night on a dark street, everyone's life transformed in a profound way. Ivy is tossed back to a past she thought was behind her and Jax is determined to reclaim what was rightfully his. What neither of them could predict is that life doesn't let you plan your own course. Sometimes you have to let fate take you by the hand so you can find your true destiny. Is Ivy's future with Jax or will the ghosts of her past destroy them forever?

Memphis Ward arrives in Quincy, Montana, on the fifth worst day of her life. She needs a shower. She needs a snack. She needs some sanity. Because moving across the country with her newborn baby is by far the craziest thing she's ever done. Maybe it takes a little crazy to build a good life. If putting the past behind her requires a thousand miles and a new identity, she'll do it if it means a better future for her son. Even if it requires setting aside the glamour of her former life. Even if it requires working as a housekeeper at The Eloise Inn and living in an apartment above a garage. It's there, on the fifth worst day of her life, that she meets the handsomest man she's ever laid eyes on. Knox Eden is a beautiful, sinful dream, a man who is her temporary landlord. With his sharp, stubbled jaw and tattooed arms, he's raw and rugged and everything she's never had-and never will. Because after the first worst day of her life, Memphis learned a good life requires giving up on her dreams too. And a man like Knox Eden will only ever be a dream.

From New York Times, USA Today and Wall Street Journal bestselling author, Deborah Bladon, comes Hush, the first instalment in the Just This Once Series. I have three hard and fast rules when it comes to one-night stands. Don't tell her your last name. Don't take her home with you. Don't knock her up. I'm screwed. Jane Smith was supposed to be a quick fling. I saw her as a brief escape from the never-ending drama that is my life as a surgeon in New York City. Now, she's pregnant and scared as hell. Oh, and apparently her real name is Chloe Newell. It's probably not the best time to tell her that I'm the guy who ruined her life two years ago. Author's Note: This romance contains a gorgeous doctor, an unexpected pregnancy and a past connection between the hero and heroine that could change everything. Hush is part of the Just This

Once Series. Each book features a different couple and the books are not connected so they can be read in any order.

They may not be made for each other, but animal instincts are impossible to ignore. Madisyn Drake is a rare breed of cat shifter...a loner, unpredictably wild, and emotionally distant. A recent betrayal has left her ready to sharpen her claws on the next man she sees...until a prowling wolf with steel-gray eyes and a brooding dark edge challenges her distrust. No matter how fully he satisfies her touch-hunger, Madisyn's not ready to open up again, even if it is oh so gratifying. Bracken Slater has earned his reputation as an indomitable predator. Once broken by grief and guilt, Brack is feeling alive again, thanks to the heady scent of this independent feline. Convincing her that they're meant for each other is going to take more than branding Madisyn's beautiful neck. She's not interested in joining an unfamiliar pack, much less answering to an alpha. But when threats from both their pasts take shape, their unexpected destiny may be the only thing that can save them.

With exercises and self-care practices, "this book is for anyone who wants to explore their gender more deeply" (Sam Dylan Finch, transgender writer and activist). Are you wrestling with questions surrounding your gender that just don't seem to go away? Do you want answers to questions about your gender identity, but aren't sure how to get started? In this groundbreaking guide, Dara Hoffman-Fox, LPC—accomplished gender therapist and thought leader whose articles, blogs, and videos have empowered thousands worldwide—helps you navigate your journey of self-discovery in three approachable stages: preparation, reflection, and exploration. A delicious enemies-to-lovers rock romance with a steamy twist.

THIRST, a new standalone novel from New York Times bestselling author, Deborah Bladon. Do you see what I see? I see my half-naked neighbor staring at me whenever he gets a chance. When I moved into this apartment, I knew I'd get used to the noisy tenant across the hall, the broken air conditioner, and the squeaky floors. I didn't think I'd grow accustomed to the lustful stares of the gorgeous man who lives in the building next to mine. He watches me when dusk falls with an intense hunger in his eyes I've

never seen before. I sense his gaze trailing over every inch of my skin as I strip slowly, just for him. It's innocent until I finally get the chance to pitch my business idea to a trio of private investors. That's when I realize that the man who stands at his window every night staring at me is one of the three people who hold the future of my start-up in their hands. Rocco Jones has seen my body, and now he wants to touch it. I want my business to succeed, and I want him, but is it possible for me to have both?

\*Author's Note: Although a few characters from my past books make appearances in THIRST, it's not necessary to read any of my other books to enjoy this sinfully sexy standalone romance.

This volume focuses on new trends in monitoring biodiversity in the Asia-Pacific region, one of the most rapidly changing areas in the world. It provides reviews of the challenges in studying the spatial variability of biodiversity across various ecosystems. This book also describes newly developed concepts and methods for biodiversity observation including ubiquitous genotyping, systematic conservation, monitoring of the functions and services of ecosystems and biodiversity informatics. These contributions will lead to establishing integrative observations and assessments of biodiversity, essential for reporting the current status and for the effective conservation and sustainable use of biodiversity. This work will interest biodiversity researchers not only in the Asia-Pacific region but also across the entire globe.

This book provides state-of-the-art coverage of research in laboratory phonology. Laboratory phonology denotes a research perspective, not a specific theory: it represents a broad community of scholars dedicated to bringing interdisciplinary experimental approaches and methods to bear on how spoken language is structured, learned and used; it draws on a wide range of tools and concepts from cognitive and natural sciences. This book describes the investigative approaches, disciplinary perspectives, and methods deployed in laboratory phonology, and highlights the most promising areas of current research. Part one introduces the history, nature, and aims of laboratory phonology. The remaining four parts cover central issues in research done within this perspective, as well as methodological resources used for investigating these issues. Contributions to this volume address how laboratory phonology approaches have provided insight into human speech and language structure and how theoretical questions and methodologies are intertwined. This Handbook, the first specifically dedicated to the laboratory phonology approach, builds on the foundation of knowledge amassed in linguistics, speech research and allied disciplines. With the varied interdisciplinary

contributions collected, the Handbook advances work in this vibrant field.

From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note - Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.

When senior nursing student, Alex Pierce, meets handsome firefighter, Cam Connor in the emergency room of Chicago General, sparks fly and a steamy romance begins. The problem is that Cam is a man with a tragic past and a secret fortune and Alex is an independent woman who loathes secrecy. When Alex and her best friend find themselves entangled in a deadly plot devised by one of Cam's angry co-workers, Alex is forced to rely on Cam for help, but what she finds out about his ability to help threatens to destroy the blossoming romance. Will Cam's confession drive Alex away or will she finally let down her guard?

An unpausable new romance from New York Times bestselling, Audie Award winning author Kylie Scott! When Anna wakes up from a coma after a car crash, she discovers life has gone on without her. Her husband has been unfaithful—with her best friend—and she's been long since replaced at work. While her old life is a distant memory, her new life feels like an empty shell. Then she meets the stranger who saved her life during the crash, and he changes everything. Leif Larsen—tattooist, joker, and player—has his own scars thanks to the crash that put Anna in a coma. Helping her move on from her failed marriage, and create a new life, sounds like a perfect distraction. So when he needs a new roommate, he invites Anna to begin her new life with him. Although their lives may have been put on pause, together they just might find a way to heal.

CHANCE, a new standalone from New York Times and USA Today Bestselling Author, Deborah Bladon. Standalone Book. No Cliffhanger. Caleb Foster is determined to protect his company's brand and his family's name regardless of the cost. He'll sacrifice whatever it takes to keep things running exactly the way he wants, even if it means sacrificing his younger brother's future. Rowan Bell has known Caleb her entire life. Their relationship has always been

platonic, but when they're thrust into a life changing situation, it creates a new and intense bond between them. As they lean on one another to accept the unknown, they begin to see something in each other that changes everything between them. Caleb's inner demons threaten to pull them apart forever. As Rowan finally accepts that not everyone is given the chance to love the person they want, Caleb makes a decision that alters both of their lives forever. Chloe Carmichael's life feels pretty sweet--she's both maid of honor and florist for her best friend's A-list wedding, things are getting serious with her boyfriend, and her flower shop is about to get a spread in a national magazine. But it all quickly turns sour whenever the best man, Bad Habit drummer A.J. Edwards, shows his face...his handsome, unforgettable face. A.J. is everything Chloe doesn't want: tattooed, selfish, and all-around bad news. So why can't she stop thinking about him? Goody two-shoes Chloe isn't exactly A.J.'s type, either, but the chemistry between them is undeniable. A.J. will be the first to say he isn't a saint, but there's something he's not saying--something that would devastate Chloe. The only way he can protect her is to push her away, but the drummer finds he needs her now more than ever. When a wedding-day confrontation reveals secrets they're both hiding, will Chloe and A.J. ever find their rhythm again?

The first part of GONE, a three-part series from New York Times and USA Today bestselling author, Deborah Bladon. Sending a half-naked picture to a stranger she met online, seems innocent and fun to Lilly Randall. After spending the past four years working towards an honors degree, she needs a distraction and flirting with a man she doesn't know can't hurt, right? Clive Parker is the one man who holds all of Lilly's dreams in the palm of his hand. He's the CEO of one of the world's largest technology firms. When her picture ends up in his pocket, her future will never be the same again. She wants him to see her potential. He questions her motives. Neither can deny the unexpected attraction that exists between them. When Clive's doubts begin to push them apart, Lilly is forced to face the reality that nothing in life is guaranteed and in the blink of an eye, everything you value can be gone. Note: This ends in a cliffhanger.
